The Rockin' 60s: The People Who Made the Music Brock Helander, 2001-01-01 The Rockin 60s is a comprehensive guide through the decade that produced the greatest music of all time The Beatles The Rolling Stones Bob Dylan Jimi Hendrix Led Zeppelin Phil Spector The Beach Boys Aretha Franklin and hundreds more emerged from this era Delve into a narrative history of each group and examine the people behind the music along with an analysis of key recordings discography and archival photos throughout

Billboard, 1979-03-31 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Twentieth-century Popular Culture in Museums and Libraries Fred E. H. Schroeder, 1981 Although libraries and museums for many centuries have taken the lead under one rationale or another in recovering storing and displaying various kinds of culture of their periods lately as the gap between elite and popular culture has apparently widened these repositories of artifacts of the present for the future have tended to drift more and more to what many people call the aesthetically pleasing elements of our culture The degree to which our libraries and museums have ignored our culture is terrifying when one scans the documents and artifacts of our time which if history in any wise repeats itself will in the immediate and distant future become valuable indices of our present culture to future generations As Professor Schroeder dramatically states it No doubt about it it is the contemporary popular culture that is the endangered species The essays in this book investigate the reasons for present day

neglect of popular culture materials and chart the various routes by which conscientious and insightful librarians and museum directors can correct this disastrous oversight *Billboard*, 1979-09-22 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Music, Books on Music, and Sound Recordings** Library of Congress, 1988

Borges's Poe Emron Esplin, 2016 Esplin argues that Borges through a sustained and complex literary relationship with Poe's works served as the primary catalyst that changed Poe's image throughout Spanish America from a poet prophet to a timeless fiction writer **Brazil and the United States** Joseph Smith, 2010-11-15 Although Brazil and the United States have long regarded each other sympathetically relations between the two countries have been adversely affected by geographical distance language barriers and cultural indifference In this comprehensive overview Joseph Smith examines the history of Brazil U S relations from the early nineteenth century to the present day With the exception of commerce notably the coffee trade there was relatively little contact between the countries during the nineteenth century A convergence of national interests took place during the first decade of the twentieth century and was exemplified in Brazil's strategy of approximating its foreign policy to that pursued by the United States In return Brazil expected economic gains and diplomatic support for its ambition to be the leading power in South America But U S leaders were cautious and self-serving Brazil was treated as a special ally according to Smith but only at times of major crisis such as the two world wars As the twentieth century progressed friction developed over programs of U S financial assistance and efforts to deal with the threat of communism Recently there have been disagreements over Brazil's determination to take its rightful place as a global economic player and regional leader Nonetheless history reveals that these two giant nations of the Western Hemisphere share national interests that they realize are best served by maintaining a friendly cooperative relationship
