Red Clouds In The Night Blessed Are The Poor In Spirit:

Red Clouds in the Night Clyde James, 2002-07 The central characters Bill and Marjorie lived through most of the twentieth century generally out of step with each other and somewhat discordant with society They never saw the forest for the trees Though they were somewhat dysfunctional as husband and wife and as parents they could not fairly be described as being bad They often had regrets but they gained little insight through them They were convinced to the end that they had done the best possible given their circumstances They provided few memories for those who knew them and toward the end of the century each simply sailed away into the red clouds of the setting sun
