The House Where the Robin Sings Marianne Marullo, 2013-03-19 As a caregiver for over 20 years to my mother writing stories became a way to escape into a world of make believe I have been asked How do you write a children's story Well you put your mind into that of a 10 year old child and write Since I have the brain of a 10 year old it wasn't hard I have always been a lover of animals and birds There wasn't a year I can remember that we didn't have a parakeet in the house That's because I was allergic to cats long haired dogs and horses My dream of being a veterinarian was curtailed at a very early age I can assure you I actually took up writing in 2005 with My Fine Feathered and Furry Friends published by Publish America It was a humorous look at feeding the birds and animals where I work Since then I have been writing short animal stories and decided it was time for a children's book This book is the end result In the ever increasing electronic world we live in I believe there is still nothing better than curing up with a good book As a child reading can make your imagination soar and take you places you've never been before It did with me It is my hope that these stories will become favorites of you

and your children If they make you giggle or just go Awww my work is complete Please feel free to write to me at wildbirdy1neo rr com I would love to hear from you
