Silvia Rodgers

Red Saint Pink Daughter:

Red Saint, Pink Daughter Silvia Rodgers, 1997 In this celebrated biography of her mother and autobiography Silvia Rodgers gives awarts and all account of what her off centre life was like most always in the wrong place at the most perilous time almost always in the most difficult company Her mother is the Red Saint of the title a Polish Jewish Communist in the Weimar Republic as the stormclouds gathered In a political sense she was a Saint dedicated monomaniacal with an unbending sense of right and wrong That saintliness did not include much in the way of conventional maternal feeling for her children and her relations with her husband were less than harmonious Race and politics became a problem as the Nazis rose to power Silvia Rodgers remembers the book burnings the marauding Brownshirts the knock at the door The narrative gathers pace and the account of her family's flight from a Berlin turned into a nightmare city is heart stopping They arrived in an England less hospitable than it remembers itself as having been The cultural shock of wartime and post war Britain is vividly recalled also the gathering sorrow of loss as news arrives of friends and relatives killed in the concentration camps Silvia Rodgers gradually made her own life moving out from under the shadow of the Red Saint marrying the Labour politician Bill Rodgers of the Gang of Four and eventually herself becoming a writer The new Afterword written for this paperback edition speaks of this transition and of the book as a memorial and an exorcism astonishing in its candour

This is a story like a novel of two generations of a fugitive family who land at Harwich in 1939 There are backward glances through Germany and Poland to the mid nineteenth century and it ends in the present day The actions take place in the villages of old Poland Nazi Berlin wartime London and seaside towns in school and the sports field in the Paris of 1945 on Alpine glaciers amongst rising stars of British politics It has two main threads the mind of Etienne and the characters of the mother the sister and later of the Cabinet Minister who was a leading persuader in the formation of the party that was to re shape British politics and was its Leader in the Lords The sister was the nearest thing the Left had to a political hostess Theme might be said to be corruption of character associated with idealistic politics even more portentously the pre Socratic mind of Etienne through whom the action is seen overwhelmed by his present experiences and historical daydreams retarded in rationality unable to speak his mind a disorder of mists and his values dark un English unmodern **North Sea Passage and the Women of Spirit** is a memoir but written in the style of literary novel and will appeal to readers of that genre as well as of biography and modern history **The Art of Political Leadership** Fred I. Timothy Scott Brown,2009 Exploring the gray zone of infiltration and subversion in which the Nazi and Communist parties sought to influence and undermine each other this book offers a fresh perspective on the relationship between two defining

ideologies of the twentieth century The struggle between Fascism and Communism is situated within a broader conversation among right and left wing publicists across the Youth Movement and in the National Bolshevik scene thus revealing the existence of a discourse on revolutionary legitimacy fought according to a set of common assumptions about the qualities of the ideal revolutionary Highlighting the importance of a masculine militarist politics of youth revolt operative in both Marxist and anti Marxist guises Weimar Radicals forces us to re think the fateful relationship between the two great ideological competitors of the Weimar Republic while offering a challenging new interpretation of the distinctive radicalism of the interwar era
