Poems, by Ridgely Torrence Ridgely Torrence, 1952 **Miscellaneous Material by and Relating to Frederic Ridgely Torrence** Ridgely Torrence, **The Harlem Renaissance in Black and White** George Hutchinson, 1995 By restoring interracial dimensions left out of accounts of the Harlem Renaissance or blamed for corrupting it George Hutchinson transforms our understanding of black and white literary modernism interracial literary relations and twentieth century cultural nationalism in the United States *Typed Letter Signed Ridgely Torrence to Mrs. Conant* Ridgely Torrence, Isabella Fiske Conant, 1942 **Ridgely Torrence** John M. Clum, 1972 *Newdick's Season of Frost* Robert Spangler Newdick, 1976-01-01 In 1935 Professor Robert Newdick of Ohio State University wrote to Robert Frost already America's most famous living poet in order to suggest certain revisions in the arrangement of the poet's collected poems The brief letter was to begin a relationship of nearly five years ending only with Newdick's untimely death in 1939 in which Newdick assiduously gathered materials from a wide variety of sources for a projected but not authorized Frost biography Although only part about 100 pages of the biography was actually written Newdick left behind him several files of factual data as well as observations and comments by Frost and by many people who knew him These materials have not heretofore been published nor were they used in any subsequent biography In the present volume William A Sutton brings together Newdick's partial biography with his various notes and letters adding a narrative of the Frost Newdick relationship which sheds new light on the poet and on the identity of poets With Newdick as with subsequent researchers the fiction making Frost was often playing a game of hide and seek so that he would never be completely found out as a mere empirical datum although there is evidence that his candor with Newdick was at times greater than it would be in later years Newdick a perceptive admirer of Frost's poetry had to struggle with his own realizations of such Frostian characteristics as secretiveness ambivalence and capriciousness and so the book reveals a great poet who could be both generous and arch a professor relentless in his search for information a famous man fitfully bothered then amused by a young academic's earnest efforts on his behalf and a biographer devoted to but at times exhausted by the demands of his biographical subject Frost appears as one who thought of both biography and biographer as attractive nuisances The original materials brought together here manifest therefore both a kind of biography and a chronicle of the act of biography a fresh look at the creative personality and a running account of how a biographer attempts to bring such a personality into focus **Shifting Ground** Bonnie Costello, 2003-03-30 Ammons and John Ashbery map the fluctuating terrain of postmodern poetry with compelling clarity **BOOK JACKET** *The Black Prophet: A Tale Of Irish Famine* William Carleton, 2019-12-04 William Carleton's *The Black Prophet A Tale of Irish Famine* is a poignant exploration of the devastating impact of the Great Famine in Ireland during the mid 19th century Through vivid narrative and rich character development Carleton encapsulates the despair resilience and complex social dynamics of Irish rural life in this difficult period His use of realistic dialogue and local dialect

situates the tale firmly within its geographical and historical context and his keen observations paint a nuanced portrait of both human suffering and the glimmers of hope amidst despair Carleton born in County Tyrone was deeply influenced by the socio political upheavals of his native Ireland His firsthand experiences of the famine s brutality not only informed his writing but also fueled his desire to illuminate the plight of the Irish people Carleton s literary career was marked by a commitment to portraying the realities of Irish life and *The Black Prophet* stands as a testament to his empathy and societal critique reflecting both personal and collective trauma This book is essential reading for anyone interested in Irish history literature and the human condition Carleton s deeply affecting narrative invites readers to grapple with the harsh realities of famine and resilience making it a poignant reminder of the past and the power of storytelling **Ridgely Torrence, Poet**
