Riding Toward Home:

Andrea Carter and the Long Ride Home Susan K. Marlow, Twelve year old Andrea Carter has several frightening encounters after taking her horse Taffy and running away from her home at the Circle C Ranch She begins to realize that there really is no place like home *Riding to Camille* Mary Buford Hitz, 2013-11-19 I have been fascinated by the backlash from Hurricane Camille in Nelson County ever since it happened August 19th 1969 How COULD 29 inches of rain fall in 5 hours which NOAA says is close to both the physical and theoretical limit of the possible In the heart of the county I care deeply about lives were eclipsed and landscapes devastated in the blink of an eye So a combination of fascination love and a too vivid imagination pulled me into writing a novel set during the backlash of Hurricane Camille These characters are fictional but what happens to them comes right out of the histories recorded at the time I am passionate about horses so naturally the horses in this book have personalities too They and their riders take off on a camping trip in the Blue Ridge Mountains ignorant of what they are riding towards A just ignited love affair between the outfitter Sam and his summer intern Lisl is a secret held from Lisl's Swiss boyfriend who has come with her for the summer but not from Sam's wife Elsie whose peculiar upbringing has left her in a self protective cocoon of apathy The guest riders bring their own anxieties pre dispositions and luckily courage Sam is a headstrong impatient leader who tangles with Lenore a writer who has come on the trip to write an article about it When Meg another guest breaks her leg the group must separate in order for Sam to get her back to civilization The storm hits and Lisl finds herself in charge of the remaining riders and horses She gets in trouble trying to rescue the horses and Elsie is presented with a terrible choice while trying to rescue Lisl When Sam catches up to them no one knows who is alive and who is dead and Sam himself is a changed man from what he has witnessed while separated from the group There isn't anyone in this story who comes out of the experience of this ride the person they were when they went into it They have witnessed horrors that will take them a lifetime to absorb and have come face to face with the knowledge of how insignificant human life is in the great scheme of geologic time **House to House** Lana J.
