Riding On The Roar Of The Crowd:

Chloe Jerry Leppart, 2019-01-14 I am 21 years of age and I have discovered that I am the first and only human clone Questions Who am I What am I Do I have a soul Do I share a soul Am I a real person or just a copy a shadow of a donor I visited with Dr Ahmann who performed the cloning twenty two years ago He told me that there are no others to guide me but I could probably have a normal life if I did not stress myself There was no way I could stay here I had to get away away from everything familiar I left Minnesota and took off for the mountains In Montana I picked up a hitchhiker Billy Two Bears who stayed with me for awhile He told me of the Native American values and the true meaning of life After a night of intimacy he was gone But he left me with words that I will never forget I continued to the Canadian Rockies to Banff Lake Louise and Emerald Lake Lodge I had been having some mini seizures so it was time to head home On my way back to the States I picked up two female hitchhikers who taught me not to be afraid of the choices that I make In Wyoming I stood before Devils Tower monument at dusk as fireflies twirled around me illuminating the way as if they were spirits rising from the ground At home I visited Dr Ahmann again and I found that I am pregnant My choices I can have a full life or I can have a baby but I probably can't have both So now I need to decide what I should do Should I give life and by doing so end life Or should I end life and by doing so give life And all I have left are Billy's words to show me the way **A Stranger Rides In**

Momma, Momma, the Preachers' Comin Doreen Brust Johnson, 2015-09-14 This is primarily a story of my mother's life as a Homesteader in the barren Canadian wilderness The winters were long and harsh as she struggles to survive while living on a small meagre farm It tells the story of a young mother as she provides for her family Her strong faith in her Lord gave her strength to carry on each day When she finds the struggle too deep no matter what the cost she realizes she must find a way out

The Ultimate Train Ride The Disciple, 2022-05-26 The Ultimate Train Ride is the adventure of a lifetime No other train in the history of the world will take you on a ride like this It will encapsulate every human emotion that you possess The train will reach higher peaks and lower valleys than ever seen before You will laugh you will cry you will celebrate and you will mourn The train will take turns and twists you never thought possible There may be times when you are sitting in the main compartment surrounded by people and yet you will feel terribly alone There will also be times when you are alone in your cabin and feel as though someone is always with you There will be times when you look out the window at all the amazing sights to see and yet you will miss the most beautiful sight of all There will be other times when you close your eyes to rest and you see visions of grandeur that words cannot express Pictures may tell a thousand words but even that cannot possibly scratch the surface of this ride There is no description worthy to consider you just have to experience it for yourself So what are you waiting for Hop on fasten your seat belt and get ready for what will assuredly be a lifetime worth of memories May God richly bless you all The Disciple

Ride the Revolution Suze Clemitson, 2015-10-22 Ride the Revolution represents the best new writing on cycling from women involved in the sport at all levels as fans key personnel riders photographers journalists and presenters When Marie Marvingt decided to ride the 1908 Tour de France she was told absolutely non by M Degrange and the Societe du Tour de France Instead she rode each stage 15 minutes after the official race had departed and finished all 4 488 kms of the parcours a feat that only 36 of the 110 men who entered the race could equal Her motto I decided to do everything better always and forever It is in the spirit of Breakneck Marie that this book has been written This is not an anthology of women writing about women's cycling Nor is it an anthology of women writing about men's bottoms in lycra or peloton crushes or the curse of helmet hair This is a book that celebrates the diversity of women's writing about the glorious sometimes murky often bizarre and frequently hilarious world of cycling in all its soapy operatic glory from the professional sport to the club run on the roadside and in the saddle behind the scenes and on the massage table These fresh and vibrant voices examine the sport from a new perspective to provide insights that rarely make it into the mainstream what is it like to be a top women rider or work in their support team Where is the women's sport heading and when will more women be represented at the highest level of sport's governance And how do you get out and ride your bike when the news is full of stories of cyclists dying and you can't get clothing that fits
