Right From God:

Right with God: the Basics Alan J. Niebergal, 2012-10-08 This book is about being right with God now and to eternity It is based on a relationship with God through Jesus Christ that brings us into a fulfilling relationship with Him We can now stand in the truth of our new identity and take up our inheritance and responsibility in Christ We can let the heart of Jesus Christ grasped our heart so that we might know Him experientially It is not a one way relationship but a two way relationship and he calls us to walk and work alongside with Him in unison Otherwise we are only wasting a most precious opportunity and blessing in life We have the privilege and joy of walking with Him in a relationship not based on law but the gospel or grace We also can learn to rest in Him to walk in our freedom and to be ready and prepared for the end Our destiny is assured in Him and can and may be eternally right with God Only in Christ will we find fulfillment in this life and the life to come We can be right with God and out of the overflow of that relationship we can enjoy all that we were created to be and experience This book talks about the basic truths that can assist everyone to be right with God and grow in that relationship in Christ These truths are basic but some of them are profound truths that are essential to walk in the fullness of Christ a fullness He offers to every person in a personal relationship with Him Some of these truths go deep but they are basic for every Christian These basic truths are the way to fullness in Christ The Rights of God, Occasioned by Mr. Paine's "Rights of Man" and His Other Publications; by Way of Brief Answer to Them: Intended, as a Word in Season, to Those who Wish, and to Those who Dread a Revolution in England ... Second Edition John Riland, 1792 *Right with God* Ron Mehl, 2003 The Ten Commandments are often portrayed as cold harsh words from a vengeful God This new condensed version of Ron Mehl s enormously popular The Tender Commandments recasts them as ten tender declarations of our Creator s love for us Pastor and Gold Medallion award winning author Mehl explores the wisdom contained in the commandments that can keep us from being injured by the deadly traps of a fallen world Following God s guidance is in our own best interests keeping us under His protection and love *Right With God* D. A. Carson, 2002-09-10 Right with God is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world **God's Mighty Right** Doreen B. Young, 2012-11 God s Mighty Right was a quest after experiencing the Lord s voice at Sunday morning worship The Lord spoke to me saying My mighty right my

mighty right arm Upon hearing these words it incited me to understand what the Lord wanted me to know and to share with His children I pray that you hear the voice of the Lord as you read these words he has placed in my heart Student Study Bible: A Guide to Knowing and Living God's Word (NKJV) Thomas Nelson,2025-10-28 Your guide to knowing and living God's Word The Bible is filled with life changing truth that has captivated people for generations But sometimes we need help discovering that truth for ourselves so that we can live it out Filled with powerful study tools the Student Study Bible is your go to guide to knowing and living God's Word Its insightful study notes will help you better understand the message of the Bible Its devotionals will invite you to immerse yourself in its storyline And its articles will help you see how the Bible connects to your life and how to live out its key teachings Features include More than 500 brief relevant and insightful study notes Over 300 notes helping readers see where the Old Testament points to Jesus and His fulfillment of Old Testament prophecies Devotionals walking you through the storyline of Scripture inviting you into deeper study Overviews of the core doctrines of the Christian faith Articles helping you see how the Bible connects and applies to your everyday life Articles showing you how to live out the key teachings of the Bible The complete text of Scripture in the New King James Version of the Bible Charts illustrations and maps Dictionary concordance and topical index Two column line matched typesetting Translator notes at the bottom of the page Clear and readable NKJV Comfort Print About the NKJV Trusted by millions of believers around the world the NKJV balances the literary beauty and familiarity of the King James tradition with an extraordinary commitment to the structure and meaning of the underlying biblical languages The result is a Bible translation ideal for serious study devotional use and reading aloud **The Right to God** Ron Dugan,Jennie C. Dugan,2009-11-06 The Right to God exposes the raw beauty of a hugely overlooked basic Christian principle that opens the door to a deeper spiritual walk for all people God isn't reserved for spiritual masters God is for everyone and that means You have the right to God This book is about giving spirituality back to everyday people The Right to God is a new way to see your relationship with God no matter who you are or where you start It counters a subtle message weaving through our society that God's approval must be earned or worse that some people aren't good enough even for God With fresh insights this book is a straightforward read with a deep message Though Biblical it's not rule bound Though phrased gently it carries powerful meaning It tells the true story of Jesus' teachings and speaks to people from all walks of life The Right to God has earned praise from Muslims Christians Bible scholars and simple everyday people looking for a genuine relationship with God
