issues and features contributions by leading tennis scholars from North America Europe Asia and Australia The most authoritative book published to date on the history culture and politics of tennis this is an essential reference for any course or program examining the history sociology politics or culture of sport **Heroes & Ballyhoo** Michael K. Bohn,2009-11-30 A handful of star athletes along with their promoters and journalists created America s sports entertainment industry during the 1920s the Golden Age of American sports The period had an extraordinary impact profoundly changing individual sports establishing the secular religion of sports and sports heroes and helping bond disparate social and regional sectors of the country It s when sports became a cornerstone of modern American life Heroes and Ballyhoo profiles the ten most prominent Golden Age heroes and describes their effect on sports and society Babe Ruth saved baseball after the Black Sox Scandal Boxer Jack Dempsey made the sweet science a respectable sport Red Grange single handedly set professional football on a path to eventual success Knute Rockne helped transform college football from a game to a colossal enterprise Bobby Jones changed golf into a spectator sport and Walter Hagen sparked the first national interest in professional golf Bill Tilden put tennis on the front of the sports section Tennis player Helen Wills Moody joined swimmer Gertrude Ederle in empowering women athletes Johnny Weissmuller astonished international swimming before becoming Tarzan The book also explores the ballyhoo artists sportswriters promoters and press agents who hyped the stars to a receptive public Simultaneously the spectators established themselves as the focus of popular sports The personalities and events of the 1920s thus created today s entertainment conglomerate of heroes promoters and advertisers fans arenas and money Sports as a profit center started with the Golden Age s heroes and PR artists and the public s obsessive interest in sports helped shape America s emerging mass society Heroes and Ballyhoo tells the story of what was both a symptom and a cause of modern America **Profiles and Plotlines** Katherine D. Johnston,2023-06-06 Algorithmic data profiling is not merely an important topic in contemporary fiction it is an increasingly dominant form of storytelling and characterization in our society These stories are being told inside boardrooms banks presidential briefings police stations advertising agencies and technology companies And so to the extent that data has taken up storytelling literature must take up data After all profiling coincides with character development surveillance reflects point of view and data points track as plot points in tales of the political economy In Profiles and Plotlines Katherine Johnston engages this energetic reformation of contemporary literature to account for a society and economy of frenetic counting Fiction and poetry are capable of addressing precisely that for which algorithms cannot or do not account the effects of profile culture the ideologies and supposed truth power of data the gendered and racialized dynamics of watching and being watched and the politics of who counts and what gets counted Johnston analyzes prescient work by contemporary authors such as Jennifer Egan Claudia Rankine Mohsin Hamid and William Gibson to probe how the claims of data surveillance serve to make lives seem legible intelligible and sometimes even expendable Looking for a Story Noel Rubinton,2025-05-13 An annotated bibliography that documents the work of the longtime New Yorker writer

journalist Pulitzer Prize winner and Princeton professor John McPhee *Arthur Ashe* Eric Allen Hall, 2014-09-15 The first scholarly biography of one of the most famous athletes of our time shows how Ashe worked for civil rights while playing a country club sport in a white man's world Winner of the CHOICE Outstanding Academic Title of the Choice ACRL Arthur Ashe explains how this iconic African American tennis player overcame racial and class barriers to reach the top of the tennis world in the 1960s and 1970s But more important it follows Ashe's evolution as an activist who had to contend with the shift from civil rights to Black Power Off the court and in the arena of international politics Ashe positioned himself at the center of the black freedom movement negotiating the poles of black nationalism and assimilation into white society Fiercely independent and protective of his public image he navigated the thin line between conservatives and liberals reactionaries and radicals the sports establishment and the black cause Eric Allen Hall's work examines Ashe's life as a struggle against adversity but also a negotiation between the comforts perhaps requirements of tennis star status and the felt obligation to protest the discriminatory barriers the white world constructed to keep black people in their place Drawing on coverage of Ashe's athletic career and social activism in domestic and international publications archives including the Ashe Papers and a variety of published memoirs and interviews Hall has created an intimate nuanced portrait of a great athlete who stood at the crossroads of sports and equal justice Sportsmanship Tim Delaney, 2016-03-01 Sportsmanship is a broad concept ethics fairness honor and self control Some people find it difficult to define what makes a good sport but state I know one when I see one This collection of new essays brings together the work of more than two dozen contributors from around the world who teach sportsmanship in a range of academic disciplines including sociology psychology economics education kinesiology and applied athletics Topics include the moral ambiguities of cheating recreation in prison ethics and character formation coaching perspectives gender race and the portrayal of sportsmanship in film Instructors considering this book for use in a course may request an examination copy here Caryl Phillips Bénédicte Ledent, 2002-05-03 This examination of Caryl Phillips novels ranges from the Final Passage to The Nature of Blood and considers them in relation to his plays and essays Starting with a textual analysis of his fiction it examines how it charts a diasporic awareness Out of the Shadows David K. Wiggins, 2008-02-01 The original essays in this comprehensive collection examine the lives and sports of famous and not so famous African American male and female athletes from the nineteenth century to today Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports American society and civil rights legislation Some of the athletes discussed include Marshall Taylor bicycling William Henry Lewis football Jack Johnson Satchel Paige Jesse Owens Joe Lewis Alice Coachman track and field Althea Gibson tennis Wilma Rudolph Bill Russell Jim Brown Arthur Ashe Michael Jordan Tiger Woods and Venus and Serena Williams
