Right Wing Radio Crusade:

Far-Right Vanguard John S. Huntington, 2021-10-29 An examination of the far right roots of mid twentieth century conservatism

American Crusade Andrew L Seidel, 2022-09-27 Is a fight against equality and for privilege a fight for religious supremacy Andrew L Seidel a constitutional attorney and author of the critically acclaimed book *The Founding Myth Why Christian Nationalism Is Un American* dives into the debate on religious liberty the modern attempt to weaponize religious freedom and the Supreme Court's role in that crusade Seidel examines some of the key Supreme Court cases of the last thirty years including *Masterpiece Cakeshop v Colorado Civil Rights Commission* a bakery that refused to make a wedding cake for a gay couple *Trump v Hawaii* the anti Muslim travel ban case *American Legion v American Humanist Association* related to a group maintaining a 40 foot Christian cross on government owned land and *Tandon v Newsom* a Santa Clara Bible group exempted from Covid health restrictions as well as the recent overturning of *Roe v Wade* and how a hallowed legal protection freedom of religion has been turned into a tool to advance privilege and impose religion on others This is a meticulously researched and deeply insightful account of our political landscape with a foreword provided by noted constitutional scholar Erwin Chemerinsky author of *The Case Against the Supreme Court* The issue of church versus state is more relevant than ever in today's political climate and with the conservative majority status of the current Supreme Court This book is a standout on the shelf for fans of Michelle Alexander Bob Woodward and Christopher Hitchens Readers looking for critiques of the rise of Christian nationalism like *Jesus and John Wayne* and examinations like *How Democracies Die* will devour Seidel's analysis Hardcover with dust jacket 320 pages 9 in H by 6 in W

The Radio Right Paul Matzko, 2020 In this book Paul Matzko tells the story of the emergence of ultra conservative radio in the 1960s and reveals the Kennedy administration's involvement in a censorship campaign against conservative broadcasters *The Radio Right* provides the essential pre history for the last four decades of conservative activism as well as the historical context for current issues of political bias and censorship in the media

The Crusader Timothy Stanley, 2012-02-14 *The Crusader* tells the fascinating life story of Pat Buchanan the three time presidential candidate Nixon confidant White House communications director during Iran Contra pundit and bestselling author Buchanan is one of America's most controversial conservative rebels After serving Nixon and Reagan he led a revolt against the Republican establishment that was a forerunner for the Tea Party In 1992 he tried to take away his party's nomination from the incumbent president George H W Bush Although he lost Buchanan set the tone for political debate for the next two decades when he declared a cultural war against liberalism and a jihad on Republican moderates Throughout the 1990s his radical rollicking presidential campaigns tore apart the GOP and articulated the hopes and fears of a new generation of Middle American conservatives This balanced and often funny biography explores the highs and lows of Buchanan's career from his stunning victory in the 1996 New Hampshire primary to his humiliating grudge match against Donald Trump in the 2000 Reform Party contest At its heart is a man who embodies the

contradictions of the conservative movement a wealthy bookworm who branded himself as an everyman reactionary a Republican insider who became a populist outsider a patriarch whose campaigns were directed by his sister a socially unacceptable ideologue who won the affection of liberals and conservatives alike Rachel Maddow Ralph Nader Eugene McCarthy Ron Paul even Mel Gibson Timothy Stanley tells the intimate story of the man who defined the culture war for a generation of Americans with outrage and wit the man who when asked what he thought about gun control replied I think it's important to have a steady aim *"Better Living"* William L. Bird, 1999 *Better Living* Advertising Media and the New Vocabulary of Business Leadership 1935-1955 is a history of how big business learned to be both entertaining and persuasive when talking to the public Examining the years from the Depression to postwar prosperity *Better Living* follows the dissemination of a politically competitive claim of more new and better in industry and in life Beginning with the changes in business government relations during the New Deal this study looks at the ways in which politically active corporations and their leaders learned how to speak at a time when speaking was not enough Using archival sources such as the NBC Ford Motor Company DuPont and Franklin Delano Roosevelt collections William L Bird Jr establishes the importance of industrial films and their role in public relations and employee relations as well as the use of dramatic radio productions in corporate public relations The author examines the interplay between general mass radio and print advertising radio program sponsorship and scriptwriting sponsored motion pictures and television entertainment as well as exhibitions and industrial fairs and the role these media played in shaping ideas about American business and political and cultural institutions in this country for the decades to come Book Jacket *The Shadow Gospel* Whitney Phillips, Mark Brockway, 2025-04-15 A novel account of the culture wars and Evangelical influence in the United States that traces the 80 year rise of a quasi religious anti liberal demonology When people talk about the chaotic increasingly precarious political landscape in the United States they often blame polarization and the culture wars In *The Shadow Gospel* Whitney Phillips and Mark Brockway tell a very different story Analyzing eighty years of densely overlapping religious and secular messages preaching the dangers of liberalism the book argues that the fracture and chaos in U S politics isn't the result of a clean split between left and right Instead it's a split between the shadow gospel's quasi religious anti liberal demonology the vague sense that an evil leftist force is threatening to destroy American society and the people accused of being the liberal devil A shadow gospel framework helps contextualize the violence of January 6 2021 the fervor of Satanic conspiracy theorizing and the crusade against wokeness and LGBTQ existence But it also helps explain the most vexing elements of our politics that the most potent source of religious messaging and influence in the United States is secular that the most ruthless destroyers of Republicans are other Republicans and that anti liberal fear and loathing span the political spectrum By offering new ways of thinking about religious influence the left right dichotomy and the appeal of Donald Trump *The Shadow Gospel* reveals the true roadblocks to pluralistic democracy and emphasizes what people across the religious and political spectrum stand to lose if

we don't exorcise our anti liberal demons There are no easy solutions to our vast and complicated political problems But those solutions will remain elusive if how we frame our problems is part of the problem It is long past time to drag the shadow gospel out into the light Messengers of the Right Nicole Hemmer,2016-09-22 Messengers of the Right tells the story of the media activists who built the American conservative movement and transformed it into one of the most significant and successful movements of the twentieth century and in the process remade the Republican Party and the American media landscape Imperial Crusades Alexander Cockburn,Jeffrey St. Clair,2004-06-17 The political and human carnage of the wars in Iraq Afghanistan and Yugoslavia are chronicled in this book featuring entries from the authors former marines historians a psychologist an economist a human rights lawyer and former CIA analysts Congressional Record Index ,1962 Includes history of bills and resolutions **Congressional Record** United States.
