Righteous Gentiles Of The Holocaust:

The Righteous Gentiles of the Holocaust David P. Gushee, 1994 A half century ago leaders in Germany a Christian nation decided to kill every Jewish child woman and man they could lay their hands on Now David Gushee explores the actions and inactions of millions of Europeans whose Jewish neighbors were being led to the slaughter What motivated this extremely small minority at the risk of their own lives to rescue Jews in need

Righteous Gentiles Joe Greek, 2014-07-15 Since 1953 the State of Israel has named non Jews who risked their lives to help save Jews during the Holocaust as Righteous Among the Nations Known as righteous gentiles these individuals summoned the strength to put aside their own safety to oppose the Nazis This engrossing volume educates readers about some of the noteworthy righteous gentiles and groups who stood to lose everything as they aided hid and fought for the Jews with words as well as weapons Photographs and quotes from primary source documents pull the reader into the inimitable experiences of these heroes

The Path of the Righteous Mordecai Paldiel, 1993 The Path of The Righteous by Mordecai Paldiel recounts the inspiring stories of several hundred Righteous Among the Nations heroic gentile men and women in virtually all the countries of Nazi occupied Europe who put themselves and their families at risk in order to save the lives of Jews fleeing the Nazi terror Drawn from the files of Yad Vashem Memorial in Israel these stories are a badly needed corrective to the pessimistic view of human nature which has become all too common in the Holocaust s aftermath They prove that decency morality and altruism can survive even under the most horrendous of circumstances and that some people will always be willing to act selflessly It also serves to disprove the cruel lie being promulgated by some that the Holocaust never took place or did not take place as described in eye witness accounts The courageous individuals whose tales are recounted in this book are monuments to the nobility of the human spirit They did what they did not for the sake of reward or prestige but because they believed it was right Some of them were pious Christians motivated by religion Others were energized by feelings of intense compassion Neither the threat of punishment nor ostracism by relatives and neighbors deterred them Love for their fellow human beings was a higher value The book contains a foreword by Rabbi Harold Schulweis founding chairman of the Jewish Foundation for Christian Rescuers ADL and an afterword by Abraham H Foxman National Director of the Anti Defamation League and a Holocaust survivor who was saved by his Polish nursemaid poignantly express their recognition of and gratitude to the untold numbers of righteous gentiles many of whom will never be known by us

Righteous Gentiles of the Holocaust David P. Gushee, 2003-11-10 *Righteous Gentiles of the Holocaust* by David P Gushee is an authoritative and indispensable exploration of a highly important aspect of the Holocaust the willingness of a small but morally significant number of non Jews to take on great risks for themselves and their families to rescue Jews from the Nazi death machine In this well documented well written book Gushee explores the full range of Gentile responses to the plight of the Jews from overt hostility and obscene brutality to altruistic rescue the better to understand the achievements of truly Righteous Gentiles Highly recommended for anyone
