Righteous Warriors:

The Warrior Charles J. Pettitt, 2014-12-05 The Warrior Endorsement The Warrior brought back many memories of the past in my life and some current day battles I still face As a former UFC and Pride fighter I faced many of the same ridicule and resistance from the Religious community and personal friends People would ask me daily how I could be a Christian yet get into a cage and battle The sport then still banned on Network television and the political resistance of it becoming a mainstream sport made acceptance difficult This book helps explain how God uses his followers in all areas and aspects of life not just in Church I have always thought I was used to spread the glory of Jesus and had a captive audience every time I fought It was an opportunity to spread the Love of Christ in what could be a dark place A chance to give God the glory for my victorys when the microphone was handed to me and quote a scripture verse pointing my finger at Jesus and not myself Physical Sports such as MMA are no different than going to school as a teacher Its an opportunity to give God the glory and profess your love for an awesome God The Warrior is one more way we as believers can help others have the piece that we all need I highly recommend this book to all Ron Waterman first WEC super heavyweight champion and former UFC WWE Pancrase and Pride Fighting Championship professional fighter Ron is the Author of Tapped Out by Jesus from the cage to the cross

The Code of the Warrior Daidôji Yûzan, D. Tarver, 2003-02-10 The Budo Sho Shinshu was originally written by Daidoji Yuzan as a text book on warrior ethics for young people born into the warrior caste It teaches the general tenets of bushido without going too far into any one fief s history or traditions which is one of the reasons the original text was so widely accepted The Code of the Warrior is a clear and easy to understand version of the Budo Sho Shinshu Anyone who wants to understand the Japanese frame of mind or gain insight into the warrior s soul should start with this book Although the caste system has long been abolished the principles of bushido still influence every facet of the Japanese way of thinking Today s warriors will find a wealth of information and guidance in the pages of this book

The Lion's Army Mike Thompson, 2025-02-04 This book reveals the reality of two realms the physical and the spiritual Both are deeply intertwined with events in the spiritual realm directly impacting the physical world While nations rise against nations political scenarios threaten our freedoms and darkness overtakes our culture by calling good evil and evil good there is hope We can turn back this wave of darkness but the answer is a spiritual one The good news is that the Lord Jesus the Lion of Judah Rev 5 5 has an army the Lion s Army into which we as His children have been called To be effective in this army we must embrace our assignments and be trained to wage effective spiritual warfare impacting the physical realm Our nation and culture are at stake Through a series of open visions the Lord granted Mike Thompson insight into the spiritual dimension pulling back the curtain on the battle waging in the heavenliess and revealing how we can access the truths needed for victory This book teaches you how to discover the ways of the Spirit for the last days You will Discover how to walk in the Spirit and hear the voice of God Obtain keys to healing miracles favor and prosperity Learn to recognize demonic strategies and deceptions

Utilize the godly weapons given to you for effective spiritual warfare The battle has begun the spiritual war is raging are you ready to fight

The Real Horse Soldiers Timothy B. Smith, 2020-02-08 This epic account is as thrilling and fast paced as the raid itself and will quickly rival if not surpass Dee Brown's Grierson's Raid as the standard Terrence J Winschel historian ret Vicksburg National Military Park Winner Operational Battle History Army Historical Foundation Distinguished Book Award Winner Fletcher Pratt Literary Award Civil War Round Table of New York There were other simultaneous operations to distract Confederate attention from the real threat posed by U S Grant's Army of the Tennessee Benjamin Grierson's operation however mainly conducted with two Illinois cavalry regiments has become the most famous and for good reason For 16 days April 17 to May 2 Grierson led Confederate pursuers on a high stakes chase through the entire state of Mississippi entering the northern border with Tennessee and exiting its southern border with Louisiana Throughout he displayed outstanding leadership and cunning destroyed railroad tracks burned trestles and bridges freed slaves and created as much damage and chaos as possible Grierson's Raid broke a vital Confederate rail line at Newton Station that supplied Vicksburg and perhaps most importantly consumed the attention of the Confederate high command While Confederate Lt Gen John Pemberton at Vicksburg and other Southern leaders looked in the wrong directions Grant moved his entire Army of the Tennessee across the Mississippi River below Vicksburg spelling the doom of that city the Confederate chances of holding the river and perhaps the Confederacy itself Based upon years of research and presented in gripping fast paced prose Timothy B Smith's *The Real Horse Soldiers* captures the high drama and tension of the 1863 horse soldiers in a modern comprehensive academic study Readers will find it fills a wide void in Civil War literature

The Torah in 1 Maccabees Francis Borchardt, 2014-08-22 This volume addresses two pivotal questions surrounding the composition of 1 Maccabees It sets out to discern the place and function of the Torah within the community described by the book However before addressing the main problem the author must first determine the composition history of the text Given that the former orthodoxy of a unitary authorship seems to be breaking down and no consensus has taken its place a literary critical investigation occupies a necessary and lengthy portion of the work Once a recommendation for the book's composition history is reached attitudes

toward the inherited Judean tradition are described in each of the strata discovered The resulting study reveals a wide variety of opinions on the Judean traditions and their function in society This contributes to the current trend in scholarship of the Hellenistic period questioning the dichotomy between Judaism and Hellenism by demonstrating the different attitudes within even one text Sources of Japanese Tradition Wm.
