Righting Wrongs In Eastern Europe:

Righting Wrongs in Eastern Europe Istvan S. Pogany, 1997 *Righting Wrongs in Eastern Europe* Istvan S. Pogany, 1997
One of the most painful aspects of the transition process in East Central Europe is the attempt to address some of the serious human rights abuses that occurred in the name of communism as well as during the post communist era **Righting Wrongs** Roy Gregory, Philip James Giddings, 2000 6 Ombudsman in Australia Dennis Pearce Righting Wrongs Kenneth Roth, 2025-02-25 From the long time head of Human Rights Watch the fascinating and inspiring story of taking on the biggest villains and toughest autocrats around the world In three decades under the leadership of Kenneth Roth Human Rights Watch grew to a staff of more than 500 conducting investigations in 100 countries to uncover abuses and pressuring offending governments to stop them Roth has grappled with the worst of humanity taken on the biggest villains of our time and persuaded leaders from around the globe to stand up to their repressive counterparts The son of a Jew who fled Nazi Germany just before the war began Roth grew up knowing full well how inhumane governments could be He has traveled the world to meet cruelty and injustice on its home turf he arrived in Rwanda shortly after the Genocide scrutinized the impact of Saddam s invasion of Kuwait investigated and condemned Israel s mistreatment of Palestinians He directed efforts to curtail the Chinese government s persecution of Uyghur Muslims to bring Myanmar s officials to justice after the ethnic cleansing of Rohingya Muslims to halt Russian war crimes in Ukraine even to reign in the U S government Roth s many innovations and strategies included the deployment of a concept as old as mankind the powerful tool of shaming and here he illustrates its surprising effectiveness against evildoers This is a story of wins losses and ongoing battles in the ceaseless fight to rend the moral arc from the hands of injustice and bend it toward good Rethinking Citizenship in Central and Eastern Europe Nina Kolleck, Ireneusz Pawel Karolewski, 2025-05-23 This book delves into the intricate landscape of citizenship practices in Central and Eastern Europe an area often overlooked in research Through an interdisciplinary lens the contributors explore how education and political participation shape these practices in a region marked by historical and social complexities The book offers fresh insights into how citizenship is perceived and practiced highlighting the role of civic education in fostering political engagement By addressing both the challenges and opportunities of citizenship in this dynamic region this volume contributes to broader debates on democracy and civic participation across Europe and beyond *Transitional Jurisprudence and the ECHR* Antoine Buyse, Michael Hamilton, 2011-08-11 The European Convention on Human Rights has been a standard setting text for transitions to peace and democracy in states throughout Europe This book analyses the content role and effects of the jurisprudence of the European Court relating to societies in transition It features a wide range of transitional challenges from killings by security forces in Northern Ireland to property restitution in East Central Europe and from political upheaval in the Balkans to the position of religious minorities and Roma Has the European Court developed a specific transitional jurisprudence How do politics affect the ways in which the Court s judgments are

implemented Does the Court's case law itself become woven into narratives of struggle in transitional societies This book seeks to answer these questions by highlighting the unique role of Europe's main guardian of human rights the Court in Strasbourg It includes a comparison with the Inter American and African human rights systems **The Transformation of Property Regimes and Transitional Justice in Central Eastern Europe** Liviu Damşa, 2017-01-03 This volume examines the property transformations in post communist Central Eastern Europe CEE and focuses on the role of restitution and privatisation in such transformations It argues that the theorisation of restitution in post communist CEE is incomplete in the transitional justice scholarship and in the literature on correction of historical wrongs The book also argues that for a more complete theorisation of post communist restitution the transformations of property in post communist societies ought to be studied in a more holistic way The main legal vehicles used for such transformations privatisation and restitution should not be studied separately and in abstract but in their reciprocal relationship and in connection to the dimension of justice which each could achieve Finally the book integrates privatisation in a theory of post communist transformation of property

Theory and Reform in the European Union Dimitris N. Chryssochoou, 1999-06-12 Completely updated and newly available in paperback this book examines the relationship between theory and reform in the European Union in the light of the Amsterdam Treaty *Citizenship, Identity, and Immigration in the European Union* Theodora Kostakopoulou, 2001 European citizenship identity and immigration have important consequences for domestic political systems This study concentrates on their theorization in a post national post statist context such as the EU and on alternative European institutional designs

Minority and Group Rights in the New Millennium Deirdre Fottrell, Bill Bowring, 2023-11-27 In the 1990s inter ethnic conflicts threaten the stability of many states As a result the issue of minority rights has become an urgent concern for international lawyers *Minority and Group Rights in the New Millennium* examines the way in which existing international law and human rights instruments protect the rights of minorities In addition the essays in this volume address current debates on the fundamental issue of defining a minority the complex arguments for expanding existing definitions and the legitimacy of claims by specific groups to qualify for minority status
