C. Glover, 1883 **Maria, Or The Wrongs of Woman** Mary Wollstonecraft, William S. Godwin, 2005-11-29 In her classic manifesto A Vindication of the Rights of Woman pioneer feminist Mary Wollstonecraft 1759 1797 embraced an egalitarian social philosophy as the basis for the creation and preservation of equal rights and opportunities for women In the posthumously published Maria or the Wrongs of Woman Wollstonecraft drew upon similar reasoning presented in a fictional framework to illustrate the grim reality of a woman s life in the eighteenth century Inspired by the writings of Rousseau and William Godwin her husband and editor Wollstonecraft was determined to depict the misery and oppression particular to women that arise out of the partial laws and customs of society The tale of a woman locked up in an asylum by her abusive husband Maria dramatizes the effects of the era s draconian English marriage laws Combining the spirited rhetoric of a philosophical treatise with a narrative as gripping as any gothic fiction this is the book that laid the groundwork for modern feminism **Maria** Mary Wollstonecraft, 2014-08-04 Top 100 Books Feminism Maria or The Wrongs of Woman by Mary Wollstonecraft Maria or The Wrongs of Woman is the 18th century British feminist Mary Wollstonecraft s unfinished novelistic sequel to her revolutionary political treatise A Vindication of the Rights of Woman 1792 The Wrongs of Woman was published posthumously in 1798 by her husband William Godwin and is often considered her most radical feminist work 1 Wollstonecraft s philosophical and gothic novel revolves around the story of a woman imprisoned in an insane asylum by her husband It focuses on the societal rather than the individual wrongs of woman and criticizes what Wollstonecraft viewed as the patriarchal institution of marriage in eighteenth century Britain and the legal system that protected it However the heroine s inability to relinquish her romantic fantasies also reveals women s collusion in their oppression through false and damaging sentimentalism The novel pioneered the celebration of female sexuality and cross class identification between women Such themes coupled with the publication of Godwin s scandalous Memoirs of Wollstonecraft s life made the novel unpopular at the time it was published Twentieth century feminist critics embraced the work integrating it into the history of the novel and feminist discourse It is most often viewed as a fictionalized popularization of the Rights of Woman as an extension of Wollstonecraft s feminist arguments in Rights of Woman and as autobiographical **Catalogue of the Library**
