Rio Grande Glory Days:

Rio Grande Glory Days Gilbert A. Lathrop,1976 Southwest Train Robberies Doug Hocking,2023-05-01 In 1854 the United States acquired the roughly 30 000 square mile region of present day southern Arizona and southwestern New Mexico from Mexico as part of the Gadsden Purchase This new Southern Corridor was ideal for train routes from Texas to California and soon tracks were laid for the Southern Pacific and Santa Fe rail lines Shipping goods by train was more efficient and for desperate outlaws and opportunistic lawmen robbing trains was high risk high reward The Southern Corridor was the location of sixteen train robberies between 1883 and 1922 It was also the homebase of cowboy turned outlaw Black Jack Ketchum s High Five Gang Most of these desperadoes rode the rails to Arizona s Cochise County on the US Mexico border where locals and lawmen alike hid them from discovery Both Wyatt Earp and Texas John Slaughter tried to clean them out but it took the Arizona Rangers to finish the job It was a time and place where posses were as likely to get arrested as the bandits Some of the Rangers and some of Slaughter s deputies were train robbers When rewards were offered there were often so many claimants that only the lawyers came out ahead Southwest Train Robberies chronicles the train heists throughout the region at the turn of the twentieth century and the robbers who pulled off these train jobs with daring deceit and plain dumb luck Many of these blundering outlaws escaped capture by baffling law enforcement One outlaw crew had their own caboose Number 44 and the railroad shipped them back and forth between Tucson and El Paso while they scouted locations Legend says one gang disappeared into Colossal Cave to split the loot leaving the posse out front while they divided the cash and escaped out another entrance The antics of these outlaws inspired Butch Cassidy and the Sundance Kid to blow up an express car and to run out guns blazing into the fire of a company of soldiers **The New Empire of the Rockies** Steven F. Mehls,1984 This volume represents the fourth in a series of five Class 1 Overview histories prepared by the Colorado State Office Bureau of Land Management The purpose of these works is to develop a synthetic history of a given area in order to provide our managers and staff specialists with a baseline overview of the history of a district It must be noted that the major cities like Denver Colorado Springs Boulder Fort Collins and Greeley are only mentioned This is because there is no public land in these places and the Bureau s mandate is to manage the public lands not private estates Foreword **A Thirsty Land** Seamus McGraw,2020-08-11 A Thirsty Land chronicles Texans epic struggles over water from San Antonio s mission era acequias to today s debates in the face of climate change and population growth with an eye toward innovative technologies and strategies for increasing the suppl *Birding Trails Texas Gulf Coast* Jim Foster,2013-11-26 The Texas Gulf Coast is one of the most outstanding birding locations in North America From whooping cranes to sandhill cranes ducks geese raptors and the hundreds of song birds that migrate every year to the Texas Gulf make this a birder s paradise There are numerous public sites that make for easy birding Each year during the last week of February there is a Whooping Crane Festival in Port Aransas and Mustang Island that attracts thousands of birders It

features workshops demonstrations speakers and many guided birding trips to local birding locations Jim Foster is a noted birder He describes each birding trail with a list of key birds the best time of year to visit each trail the type of terrain size and complete directions to each area many with maps of each trail Texas is one of the four best birding states in the U S with over 2.5 million resident birders and thousands of non resident birders who visit the state each year Currently there are over 51 million birders in the United States and over 20 million travel out of their state each year to view birds Birding Trails Texas Gulf Coast is a must book for all birders

When the Rivers Run Dry Fred Pearce, 2006 In this groundbreaking book veteran science correspondent Fred Pearce travels to more than thirty countries to examine the current state of crucial water sources Deftly weaving together the complicated scientific economic and historic dimensions of the world water crisis he provides our most complete portrait yet of this growing danger and its ramifications for us all A strong and scary case that a worldwide water shortage is the most fearful looming environmental crisis With a drumbeat of facts both horrific thousands of wells in India and Bangladesh are poisoned by fluoride and arsenic and fascinating it takes 20 tons of water to make one pound of coffee the former New Scientist news editor documents a kind of cataclysm already affecting many of the world's great rivers Publishers Weekly starred review Oil we can replace Water we can't which is why this book is both so ominous and so important Bill McKibben author of The End of Nature Railroad Magazine, 1977 Texas Market Hunting R. K. Sawyer, 2013-10-01 From its earliest days of human habitation the Texas coast was home to seemingly endless clouds of ducks geese swans and shorebirds By the 1880s Texas huntsmen or market hunters as they came to be called began providing meat and plumage for the restaurant tables and millinery salons of a rapidly growing nation A network of suppliers packers distribution centers and shipping hubs efficiently handled their immense harvest At the peak of Texas market hunting in the late 1890s Rockport merchants shipped an average of 600 ducks a day in a five month shooting season and in the last year of legal market hunting an estimated 60 000 ducks and geese were shipped from Corpus Christi alone Market men employed efficient methods to harvest nature's bounty They commonly hunted at night often using bait to concentrate large numbers of waterfowl The effectiveness of the hunt was improved when side by side double barrel shotguns and large gauge swivel guns gave way to repeating firearms with some capable of discharging as many as eleven shells in a single volley Their methods were so efficient that by the late 1800s Texas sportsmen and others blamed the alarming decline of coastal waterfowl populations on the market hunter's occupation In 1903 after a long fight and many failures the first migratory bird game law passed the Texas legislature Though the fight would continue it was the beginning of the end of the year round slaughter Most market hunters quit and those who didn't became outlaws In this book R K Sawyer chronicles the days of market hunting along the Texas coast and the showdown between the early game wardens and those who persisted in commercial waterfowl hunting Containing an abundance of rare historical photographs and oral history Texas Market Hunting Stories of Waterfowl Game Laws and Outlaws provides a comprehensive and colorful account of this bygone period

Tales From The Rails Dale Pierce,2009-11-15 A vast assortment of tales concerning railroading around the world

Oracle of Lost Causes Matthew C. Hulbert,2023-09 Oracle of Lost Causes tells the life story of John Newman Edwards a Confederate soldier and political journalist perpetually at war with the modernizing world around him who sought to weaponize the memory of Confederate defeat

The Enigmatic Realm of **Rio Grande Glory Days**: Unleashing the Language is Inner Magic
