Klein, 2015-11-25 Controversy rages on about God s choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God s choosing individuals prophets priests kings to serve divine purposes and considers God s election of the nation of Israel as his special people This OT study proposes that God s election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul s writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question

whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church

**The Rise and Fall of Jesus** Steuart Campbell, 2019 What really happened to Jesus Did he rise from the dead and if not why do Christians believe that he did Did he have a plan and if so what was it Did he accomplish his purpose or did the plan fail If it failed what were the consequences Steuart Campbell once a Christian takes a rationalist look at the problem of Christian origins and shows that no previous writer has completely solved the riddle of Jesus Here he shows us a new hypothesis one that explains Jesus' curious behaviour Here is Jesus in historical context the leader of an obscure Jewish sect which believed that it was fulfilling a divine plan revealed in the Scriptures This plan required the Messiah to die and rise again to become the king of Israel throwing the Romans out of Judaea and even replacing the Emperor as ruler of the known world Read how Jesus expected to accomplish this The author displays immense knowledge of the Bible and the history of the Jews and he explains many mysteries He builds on the work of many other authors and constructs what is surely the true explanation for the origin of Christianity This should be the last word on the historical Jesus It is certainly an excellent review of the many attempts to solve the mystery

be many people who will make an input into your life. Instructors and teachers abound but these are different from fathers. A father's input is comprehensive. **Shiggaion** Michael O. Edwards, Prayer is not preparation for the battle; it is the battle. This is why the enemy will first take away the prayer life of any Christian he wants to finish up. Once that prayer life is finished, all other things are easy. If you notice that your prayer life is going down, know that the Holy Spirit is blowing an alarm indicating that there is a renewed battle against you. You must stand up and start fighting. Let it be clear to you that the flesh does not want to pray. It is not interested in it, so you have to force it. The Imprecatory Psalms upon which this prayer book focuses can be confusing with their cries for vengeance upon Israel's or the psalmist's enemies. Basically, we need to realize that calls for justice are absolutely right and remind us how important God's holiness and justice are. But secondly, we need to recognize that even though we as Christians need to pray these Psalms as longings for judgment, social justice, and hatred against the powers and principalities, and we must not pray them directly against human beings or those who have committed social ills against us, but direct them against evil powers and spiritual enemies. Our prayer and fasting manual and theme this year is called **Shiggaion**. This is because it focuses a lot on the prayers from the psalms and the aggressive prayers of the psalmist.

**A Leader's Manual on Loyalty and Disloyalty** Dag Heward-Mills, 2016-06. Proven principles and strategies thoroughly discussed and the underlying logic behind them made transparent. A valuable resource for any minister. An excellent reference and practical guide. An authoritative handbook to establish churches. Invaluable tips for training laity to perform priestly functions. Helpful hints on how to prevent church splits.

Joseph Exell included content from some of the most famous preachers such as Dwight L. Moody, Charles Spurgeon, J. C. Ryle, Charles Hodge, Alexander MacLaren, Adam Clark, Matthew Henry, and many more.
