Rise Of A Great Tradition:

The Great Tradition - A Great Labor Philip Harrold, D H Williams, 2012-05-31 At a recent conference entitled Ancient Wisdom Anglican Futures theologians from across the denominational spectrum considered the question What does it mean to inhabit the Great Tradition authentically As an expression of what C S Lewis called Deep Church Anglicanism offers a test case of Tradition with a capital T in late modernity Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries The process has been enlivened through constant negotiation and exchange with surprising convergences that have brought new life and direction The contributors to this volume show how profitable and commodious as Richard Hooker has said the Great Tradition can be innurturing the worship communal life and mission of the Church But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and especially among evangelicals who continue to follow the Canterbury Trail

Gamble, 2023-03-28 Frustrated with the continuing educational crisis of our time concerned parents teachers and students sense that true reform requires more than innovative classroom technology standardized tests or skills training An older tradition the Great Tradition of education in the West is waiting to be heard Since antiquity the Great Tradition has defined education first and foremost as the hard work of rightly ordering the human soul helping it to love what it ought to love and helping it to know itself and its maker In the classical and Christian tradition the formation of the soul in wisdom virtue and eloquence took precedence over all else including instrumental training aimed at the inculcation of useful knowledge Edited

by historian Richard Gamble this anthology reconstructs a centuries long conversation about the goals conditions and ultimate value of true education Spanning more than two millennia from the ancient Greeks to contemporary writers it includes substantial excerpts from more than sixty seminal writings on education Represented here are the wisdom and insight of such figures as Xenophon Plato Aristotle Seneca Cicero Basil Augustine Hugh of St Victor Bonaventure Thomas Aquinas Martin Luther John Calvin Erasmus Edmund Burke John Henry Newman Thomas Arnold Albert Jay Nock Dorothy Sayers C S Lewis and Eric Voegelin In an unbroken chain of giving and receiving The Great Tradition embraced the accumulated wisdom of the past and understood education as the initiation of students into a body of truth This unique collection is designed to help parents students and teachers reconnect with this noble legacy to articulate a coherent defense of the liberal arts tradition and to do battle with the modern utilitarians and vocationalists who dominate educational theory and practice
