OECD,2016-12-22 The 2015 Report on BEPS Action 4 established a common approach which directly links an entity's net interest deductions to its level of economic activity based on taxable EBITDA Further work on two aspects of the common approach was completed in 2016 and this is included in this update **The Louisiana Populist Movement, 1881-1900**

Donna A. Barnes,2011-05-18 The Populist movement of the late nineteenth century represents one of the largest third party challenges in American history Throughout the South widespread drops in crop prices led to agrarian revolt which contributed to the movement's popularity Yet in the largely rural state of Louisiana despite the political group's focus on empowering distressed farmers this challenge proved far less successful In Donna A Barnes's The Louisiana Populist Movement the question of ineffectuality makes an intriguing political case study of the Pelican State and Populism Emerging in the 1890s as the political wing of the Southern Farmers Alliance the Populists or People's Party garnered the support of millions of rural southerners But the affiliated Louisiana party struggled to spread beyond a limited number of parishes in the northern and central part of the state According to Barnes the movement's relatively poor mobilization record provides an excellent opportunity to explore factors that impede social growth Most scholars she contends often focus on the emergence and rise of successful political organizations and overlook the valuable observations to be found within less successful movements such as Louisiana Populism In her evaluation Barnes points to racial division as the factor that undermined the Populist cause in Louisiana The Democratic Party saw the agenda of the Populist movement as a threat to white supremacy and thus when paired with the 1898 state constitution that disfranchised poor rural whites and most blacks predestined the People's Party to poor public reception Based on an array of archival research Barnes's study offers the definitive source for the history of the Louisiana Populist Movement as well as a multidimensional theoretical analysis of the factors behind the movement's failure **The Rise of the Platform Marketer** Craig Dempster,John Lee,2015-04-09 Develop the skills and
