and Nha Trang Vietnam In addition to seeing where James remains were found Chummy and Bryan meet the Vietnamese woman that James had planned to marry **The Foxfire Book of Appalachian Women** Kami Ahrens,2023-01-19 In 1966 in Rabun County Georgia a group of high school English students created the Foxfire magazine a literary journal that celebrated Appalachian stories peoples and culture The publication was filled with poetry and prose from local students and authors and featured interviews with community members These oral histories quickly became the focal point of the magazine and eventually the material that generated the multivolume Foxfire book series Now pulled from the vast Foxfire archive comes the first volume in the series focused specifically on the lives of Appalachian women These remarkable narratives illuminate a diverse regional culture held together by the threads that are woven between women and place and through generations Told sometimes with humor sometimes with sadness but always with a gripping rawness and honesty the stories recount women s lived experiences from the 1960s to the present The interviews cover work family and community illuminating Cherokee Black and white women s experiences changes in Appalachian culture and the importance of relationships in daily life Reading each interview in this book is almost like joining these women on their porches and in their homes as they take us on a journey through their lives Taken together the stories speak against regional stereotypes and offer instead a sampling of the many expressions of these women s strength *Rootless* Chris Howard,2012-11-01 A dazzling eco thriller set in a terrifying world with some chilling similarities to our own 17 year old Banyan is a tree builder Using salvaged scrap metal he creates forests for rich patrons who seek a reprieve from the desolate landscape Although Banyan s never seen a real tree they were destroyed more than a century ago his missing father used to tell him stories about the Old World Everything changes when Banyan meets a mysterious woman with a strange tattoo a map to the last living trees on earth and he sets off across a wasteland from which few return Those who make it past the pirates and poachers can t escape the locusts the locusts that now feed on human flesh But Banyan isn t the only one looking for the trees and he s running out of time Unsure of whom to trust he s forced to make an alliance with Alpha a beautiful dangerous pirate with an agenda of her own As they race towards a promised land that might only be a myth Banyan makes shocking discoveries about his family his past and how far people will go to bring back the trees The One-eyed Man Larry L. King,2001 In the 1960s when the Supreme Court rules that African Americans must be admitted to the university in an unnamed Southern state Governor Cullie Blanton is about to run for re election One of his opponents is Bayonet Bill Wooster an ex marine general who bases his campaign on fear of racial integration fear of Communists and fear of the federal government he presents himself as the leader in a holy war against the incumbent infidel The other candidate is Poppa Posey a former governor who raises hound dogs quotes Shakespeare and hopes to use Wooster s money to split support for Blanton Only Blanton understands that integration is inevitable and that his task must be to make the transition as painless and bloodless as possible That he fails may be due in part to his freewheeling power driven personality But Blanton is also defeated by inertia

tradition and demagoguery He is as he once describes himself someone who just got in the way of goddamn history Is the state Texas and the governor Lyndon B Johnson King denies it arguing that there are equal parts of Huey Long Herman Talmadge and Alfalfa Bill Murray But as Erisman says in his foreword Blanton in his wheeling and dealing his crudities and profanity his ruthlessness and his compassion is a dead on portrait of LBJ in full cry The One Eyed Man presents a hauntingly clear picture of the 1960s in the South the national grief over the assassination of President John F Kennedy the racial turmoil the human dilemma faced by North and South alike And it poses haunting questions for the reader what separates the demagogue from the leader What injustices are acceptable in the name of a larger justice Who determines the greatest good for the greatest number *Wheeler's Journey* Mary Leah,2021-12-07 Wheeler s Journey By Mary Leah Wheeler s Journey begins in Missouri A group travel west settling the land by living on it for five years Follow along their journey and witness the encounters that face them along the way *Dance With the Devil* James Dressler,2008-01-06 Tom Holloway and his Southern friends are excited about their prospects in joining the war effort but the only thing they know of battle is what they ve read about in newspapers They envision the whole thing as an adventure something to prove their manhood to make them into men and a diversion from their sometimes boring school regimen Ultimately they anticipate becoming heroes on a winning team Words from a grizzled war veteran makes Tom wonder whether his ideas of war are more romantic than realistic As he marches off with his friends to battle with the Yankees he remembers the harsh illumination he d been given from a soldier with experience Watching friends and comrades die in a volley of gun and cannon fire on blood soaked ground teaches the foursome the truth of war Will hell hunger cold fatigue fear and resignation be the only comrades they have left

Outlaws West Herb Marlow,2011-02-15 Sending Josh Holt and his friends home to Daddy tied backward on their horses might seem a cruel thing to do but fast thinking Deputy U S Marshal Stan Hankins figures it s better than sending them home dead Hankins and his partner Chico Wrath find and arrest outlaws who ve fled to Indian Territory in the 1870s to escape the law Sure as shooting it s a dangerous job that doesn t pay very well Still at the end of the day it beats farming
