Risings Poetry:

Frank Bond Beaumier's Poetry * I See a Bright Star Rising , Chaucer, Gower, and the Vernacular Rising

Lynn Arner, 2015-01-14 Chaucer Gower and the Vernacular Rising examines the transmission of Greco Roman and European literature into English during the late fourteenth and early fifteenth centuries while literacy was burgeoning among men and women from the nonruling classes This dissemination offered a radically democratizing potential for accessing interpreting and deploying learned texts Focusing primarily on an overlooked sector of Chaucer s and Gower s early readership namely the upper strata of nonruling urban classes Lynn Arner argues that Chaucer s and Gower s writings engaged in elaborate processes of constructing cultural expertise These writings helped define gradations of cultural authority determining who could contribute to the production of legitimate knowledge and granting certain socioeconomic groups political leverage in the wake of the English Rising of 1381 Chaucer Gower and the Vernacular Rising simultaneously examines Chaucer s and Gower s negotiations often articulated at the site of gender over poetics and over the roles that vernacular poetry should play in the late medieval English social formation This study investigates how Chaucer s and Gower s texts positioned poetry to become a powerful participant in processes of social control

The Rising Voice Pasquale De Marco, In a world where words dance and emotions soar where imagination takes flight and dreams find their voice there lies a realm of poetic enchantment This anthology *The Rising Voice* invites you on a captivating journey through the boundless landscapes of verse Within these pages a symphony of voices awaits you each poet a conductor of emotions a weaver of dreams a seeker of truth Their words like vibrant brushstrokes paint vivid pictures that ignite the senses and stir the soul From the depths of love and joy to the poignant ache of loss and sorrow from the awe inspiring beauty of nature to the complexities of the human condition this anthology explores the full spectrum of human experience with raw honesty and exquisite artistry With each turn of the page you ll encounter poems that challenge your perceptions expand your understanding and inspire you to see the world in a new light Whether you re a seasoned poetry lover or new to the art form this collection offers a transformative experience that will linger in your heart and mind long after the final verse Immerse yourself in the lyrical beauty of sonnets and free verse haikus and odes as poets from diverse backgrounds and perspectives share their unique visions and insights Discover hidden gems and rediscover the classics as this anthology brings together a chorus of voices that resonate with timeless truths and universal emotions *The Rising Voice* is more than just a collection of poems it s an invitation to embark on a profound journey of self discovery and exploration Let these verses ignite your imagination touch your soul and leave you forever changed If you like this book write a review

[Mayaya Rising](#) Dawn Duke, 2023-01-13 This work of restorative scholarship centers and honors Afro Latin American heroines present in the work of Cuban Dominican Columbian and Nicaraguan women writers and the reception of their work by literary critics Three literary case studies explore the archetypal regional figures of Teodora and Micaela Gin s Miss Lizzie and the palenqueras

Get Lit Rising Diane Luby

Lane, the Get Lit Players, 2016-10-18 Get to know the Get Lit Players a group of teens who use poetry to take on the world with this standards based book that sheds light on teen issues through their own poetry and slam poetry performances Get Lit Rising brings to life the true story of nineteen teen poets the Get Lit Players who are inspiring thousands of teens across the country through their award winning performances of classic and spoken word poems This book takes readers inside the private lives of these teen poets as they try to transform the lives of inner city teens in some of the toughest life circumstances The Get Lit Players include teens who struggle with homelessness autism incarceration body image depression and more But they use the power of poetry to reclaim their lives and influence their friends families and communities This uplifting book also offers the classic poems that have most inspired the Get Lit Players along with their own personal response poems and each chapter offers questions writing prompts and how tos for readers to set their own inner poet free Ending with a section for parents and educators featuring the curriculum that s already in schools throughout California this slam dunk shows how to get teens excited about poetry and how to create poetry groups and slams in their own communities

Boreas rising Bernd Roling, Bernhard Schirg, 2019-07-08 For a long time studies on northern antiquarianism have focused on individual nations This volume introduces this phenomenon in a transnational perspective In the course of the 17th and 18th centuries the Baltic Sea was at the centre of a culture of debate whose networks encompassed numerous European centres of learning When the countries around the Baltic began to explore their own antiquities in this period the prevailing climate of competition between Sweden Denmark Russia and the German countries soon permeated the construction and presentation of their own pasts Exploring the ancient literatures and monuments of Iceland Sweden or Denmark studying runic writings or the Sami tradition the northern scholars were establishing an individual architecture of history and so extending the horizon of their emerging nations both geographically and historically The contributions in this volume provide case studies illustrating the role that scholarship art and literature played in establishing and maintaining national claims around the Baltic Sea The variety of methods combined for this purpose makes this book of interest to intellectual historians as well as historians of art and early modern science From Battlefields

Rising Randall Fuller, 2011-01-03 When Confederate troops fired on Fort Sumter in April of 1861 Walt Whitman declared it the volcanic upheaval of the nation the bloody inception of a war that would dramatically alter the shape and character of American culture along with its political racial and social landscape Prior to the war America s leading writers had been integral to helping the young nation imagine itself assert its beliefs and realize its immense potential When the Civil War erupted it forced them to witness not only unimaginable human carnage on the battlefield but also the disintegration of the foundational symbolic order they had helped to create The war demanded new frameworks for understanding the world and new forms of communication that could engage with the immensity of the conflict It fostered both social and cultural experimentation Now available in paperback From Battlefields Rising explores the profound impact of the war on writers

including Walt Whitman Ralph Waldo Emerson Herman Melville Nathaniel Hawthorne Emily Dickinson and Frederick Douglass As the writers of the time grappled with the war's impact on the individual and the national psyche their responses multiplied and transmuted Whitman's poetry and prose for example was chastened and deepened by his years spent ministering to wounded soldiers off the battlefield the anguish of war would come to suffuse the austere elliptical poems that Emily Dickinson was writing from afar and Hawthorne was rendered silent by his reading of military reports and talks with soldiers Calling into question every prior presumption and ideal the war forever changed America's early idealism and consequently its literature into something far more ambivalent and raw An absorbing group portrait of the period's most important writers *From Battlefields Rising* flashes with forgotten historical details and elegant new ideas It alters previous perceptions about the evolution of American literature and how Americans have understood and expressed their common history

Rising Voices Louis Hoffman, Nathaniel Granger, Jr., Veronica Lac, 2022-01-01 Poetry and art can and should change the world *Rising Voices Poetry Toward a Social Justice Revolution* forcefully demonstrates this truth With 77 poems from 45 poets *Rising Voices* addresses critical social justice issues of our time including racism homophobia transphobia sexism homelessness and more Each topic is approached with sensitivity and insight strength and compassion Readers will be provoked to reflection tears and action *Rising Voices* seeks to comfort support and empower those engaged in social justice work while inspiring others to join the movements This volume includes poems by TS Hawkins Frederick K Foote Jr Red Haircrow Aliya J anai J Thomas Brown Venita Thomas Carol Barrett Nathaniel Granger Jr Veronica Lac Louis Hoffman and more In addition to the poems *Rising Voices* includes a powerful introduction that frames the poetry of the volume through covering topics such as Critical Race Theory counter stories the role of empathy transforming suffering through meaning the hard and soft edges of social justice and more At the conclusion several activities are included to help readers reflect upon how they can use their own poetry and the poetry of others to participate in the social justice revolution

Leaving for the Rising Sun Jiang Wu, 2015 This book tells the story of Chinese Zen master Yinyuan's journey from China to Japan amid the turmoil of the Manchu conquest of China Despite tremendous difficulties he persuaded the Shogun to build for him a new monastery Manpukuji in Kyoto and founded his own tradition called Obaku

Voices Rising Xiaoping Li, 2011-11-01 In the late twentieth century Western multicultural societies wrestled with questions of cultural difference identity and otherness In Canada activists from racialized communities took leading roles in the struggle over Canadian identity *Voices Rising* examines Asian Canadian political and cultural activism around community building identity making racial equity and social justice Informed by a postcolonial and postmodern cultural critique *Voices Rising* traces the trajectory of progressive cultural discourse generated by Asian Canadian cultural activists over the course of several generations Xiaoping Li draws on historical sources and personal testimonies to convincingly demonstrate how culture acts as a means of engagement with the political and social world As an interdisciplinary inquiry addressing topical issues of race

ethnicity identity and transculturalism *Voices Rising* will be welcomed by scholars researchers and students in Canadian studies cultural studies ethnic histories postcolonial theory globalization studies diaspora theory and transcultural analysis The general reader interested in Canadian identity and cultural history will also find this book accessible and useful
