Everyone in Pennsylvania knows of King so women flocked to him The problem is King knows they re all the same looking to build a name and make a quick come up He refuses to be anybody s bank ride and honestly he s happy making his family happy At least that s what he thinks until he meets Chasity Chasity and King cross paths by accident and are instantly drawn to each other As if they were created for one another the chemistry between them is undeniable Even when chaos breaks out in their individual worlds they re still able to find peace together But when Chaz gets caught up on the street side of King s business he threatens to take the whole empire down leaving Chasity to pick a side Will Chasity help the two men in her life finally see eye to eye or will she risk it all for the love of a king
