Risking Liberation Middle Class Powerlessness And Social Heroism:

Risking Liberation Paul G. King, Kent Maynard, David O. Woodyard, 1988 *Liberation Theologies* Ronald G. Musto, 2020-11-25 First Published in 1991 The following is a comprehensive scholarly bibliography of published materials on the varieties of liberation theology mostly in book form available in English It is intended as an introductory survey to this vast and quickly expanding field for the teacher and student of contemporary theology of biblical hermeneutics and to the interrelationship of politics and religion around the world It will also serve as a comprehensive bibliography *Faith, Feminism, and Scholarship* M. Harris, K. Ott, 2011-12-19 A multi cultural collection of third wave feminist voices this book reveals how current feminist religious scholars from around the world are integrating social justice and activism into their scholarship and pedagogy Cornel West and the Politics of Prophetic Pragmatism Mark David Wood, 2000 Wood evaluates the political consequences of a shift in West's position from an earlier revolutionary socialist stance to a later progressive reformist one Wood shows how West's subsequent reworking of Marxism supports his transition from a socialist to a progressivist politics **BOOK JACKET The Michael Eric Dyson Reader** Michael Eric Dyson, 2008-08-05 Over the past ten years the work of Michael Eric Dyson has become the first stop for readers writers and thinkers eager for uncommon wisdom on the racial and political dynamics of contemporary America Whether writing on religion or sexuality or notions of whiteness on Martin Luther King Jr or Tupac Shakur Dyson's keen insight and rhetorical flair continue to surprise and challenge This collection gathers the best of Dyson's growing body of work his most incisive commentary his most stirring passages and his sharpest most probing and broadminded critical analyses From Michael Jordan to Derrida Ralph Ellison to the diplomacy of Colin Powell the mastery and ease with which Dyson tackles just about any subject is without parallel *Tastes of the Divine* Michelle Voss, 2014-06-16 The intensity and meaningfulness of aesthetic experience have often been described in theological terms By designating basic human emotions as *rasa* a word that connotes taste flavor or essence Indian aesthetic theory conceptualizes emotional states as something to be savored At their core emotions can be tastes of the divine In this book the methods of the emerging discipline of comparative theology enable the author's appreciation of Hindu texts and practices to illuminate her Christian reflections on aesthetics and emotion Three emotions vie for prominence in the religious sphere peace love and fury Whereas Indian theorists following Abhinavagupta claim that the aesthetic emotion of peace best approximates the goal of religious experience devotees of Krishna and medieval Christian readings of the Song of Songs argue that love communicates most powerfully with divinity In response to the transcendence emphasized in both approaches the book turns to fury at injustice to attend to emotion's foundations in the material realm The implications of this constructive theology of emotion for Christian liturgy pastoral care and social engagement are manifold *Liberating Nature* Paul G. King, David O. Woodyard, 2009-11-01 Recognizing that we do not live separate from nature but are an integral part of it economist Paul King and theologian David Woodyard tackle environmental classism and

racism head on shedding light on the institutions that perpetuate poverty powerlessness and pollution and urging that we consider our role as caretakers of the environment with the seriousness it deserves **The Transient and Permanent in Liberal Religion** Dan O'Neal,Alice Blair Wesley,James Ishmael Ford,1995 Gathered and Sent Bernard J. Lee,Michael A. Cowan,2003 In Gathered and Sent Bernard Lee and Michael Cowan propose a mode of doing theology within small Christian communities that is marked by conversation and active participation by all It is a practical theology where people reflect on their whole lives personal and social in the light of Christian faith make commitments to action in light of that reflection and hold one another accountable for those commitments BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **God the Economist** M. Douglas Meeks, God does not appear in the modern market For most economists this is as it should be It is in no way necessary according to modern economic theory to consider God when thinking about economy Indeed the absence of God in economic matters is viewed as necessary to the great advances in modern economy The difficulty with modern market economies however is that human livelihood is also left out of the theory and practice of the market economy I propose to bring the church s teaching about God the doctrine of the Trinity to bear on the masked connections between God and economy I will treat the Trinity as the way of understanding what the Bible calls the economy of God
