

rites of passage

DEFINITION

A rite of passage is a ceremony or event marking an important stage in someone's life, especially birth, puberty, marriage, and death. It serves as a formal transition from one social or religious status to another. These rituals often involve symbolic activities, challenges, or teachings that convey cultural values and expectations to the participants.

EXAMPLES

- **Quinceañeras:** The "Quinceañera" in Latin American cultures celebrates a girl's fifteenth birthday, symbolizing her transition from childhood to womanhood.
- **Weddings:** In many cultures, wedding ceremonies celebrate the union of two individuals, signifying their transition from single to married life.

Rites And Passages

Arnold van Gennep

Rites And Passages:

The Rites of Passage Arnold van Gennep, 2013-11-05 Van Gennep was the first observer of human behaviour to note that the ritual ceremonies that accompany the landmarks of human life differ only in detail from one culture to another and that they are in essence universal Originally published in English in 1960 This edition reprints the paperback edition of 1977

The Rites of Passage, Second Edition Arnold van Gennep, 2019-05-24 A CLASSIC WORK OF ANTHROPOLOGY OVER SEVENTY THOUSAND COPIES SOLD With a new introduction by Pulitzer Prize winner David I Kertzer Arnold van Gennep's masterwork *The Rites of Passage* has been a staple of anthropological education for more than a century First published in French in 1909 and translated into English by the University of Chicago Press in 1960 this landmark book explores how the life of an individual in any society can be understood as a succession of transitions birth puberty marriage parenthood old age and finally death Van Gennep's great insight was discerning a common structure in each of these seemingly different transitions involving rituals of separation liminality and incorporation With compelling precision he set out the terms that would both define twentieth century ritual theory and become a part of our everyday lexicon This new edition of his work demonstrates how we can still make use of its enduring critical tools to understand our own social religious and political worlds and even our personal and professional lives In his new introduction Pulitzer Prize winning historian and anthropologist David I Kertzer sheds new light on van Gennep on the battles he fought and on the huge impact the book has had since publication of the first English edition

Deeply into the Bone Ronald L. Grimes, 2000-06-29 Over the past two decades North Americans have become increasingly interested in understanding and reclaiming the rites that mark significant life passages In the absence of meaningful rites of passage we speed through the dangerous intersections of life and often come to regret missing an opportunity to contemplate a child's birth mark the arrival of maturity or meditate on the loss of a loved one Providing a highly personal thoroughly informed and cross cultural perspective on rites of passage for general readers this book illustrates the power of rites to help us navigate life's troublesome transitions The work of a major scholar who has spent years writing and teaching about ritual *Deeply into the Bone* instigates a conversation in which readers can fruitfully reflect on their own experiences of passage Covering the significant life events of birth initiation marriage and death chapters include first person stories told by individuals who have undergone rites of passage accounts of practices from around the world brief histories of selected ritual traditions and critical reflections probing popular assumptions about ritual The book also explores innovative rites for other important events such as beginning school same sex commitment ceremonies abortion serious illness divorce and retirement Taking us confidently into the abyss separating the spiritual from the social scientific the personal from the scholarly and the narrative from the analytical Grimes synthesizes an impressive amount of information to help us find more insightful ways of comprehending life's great transitions As we face our increasingly complex society *Deeply into the Bone* will help us reclaim the power of rites and

understand their effect on our lives **Rites of Passage** Jean Holm, John Bowker, 1994-01-01 No Marketing Blurp

Women's Rites of Passage Abigail Brenner, 2007 Women's Rites of Passage grew out of Abigail Brenner's desire to answer some fundamental questions about the role of rites of passage in contemporary women's lives Relying on a research study involving over 50 women Brenner shows how women today understand the need to take responsibility for their lives and for directing their own paths and are beginning to do so by creating their own very personal rites of passage *The Rites of Passage* Arnold van Gennep, 2013-11-05 Van Gennep was the first observer of human behaviour to note that the ritual ceremonies that accompany the landmarks of human life differ only in detail from one culture to another and that they are in essence universal Originally published in English in 1960 This edition reprints the paperback edition of 1977 **Rites of Passage** Leonard Jay Greenspoon, 2010 Proceedings of the Twenty First Annual Symposium of the Klutznick Chair in Jewish Civilization Harris Center for Judaic Studies October 26-27 2008 P i Pilgrimage As Rite of Passage Robert Brancatelli, 1998 An experiential program for youth making the transition to adulthood that includes catechetical sessions a medicine walk an overnight pilgrimage and a period of mystagogia *Rites of Passage* Nicola McDonald, W. M. Ormrod, 2004 A substantive introduction by Miri Rubin draws together the ideas and materials discussed in the book to illustrate the relevance and importance of anthropology to the study of medieval culture Jacket **Rites of Passage in Ancient Greece** Mark William Padilla, 1999 This volume reflects on liminality as it relates to initiatory themes in Greek literature and on literary works especially tragedy that represent heroes and heroines undergoing rites of passage Featured works include Aeschylus's Prometheus Bound Euripides Ion and Iphigenia in Tauris and Sophocles Antigone and Women of Trachis
