Ritual And Cult At Ugarit:

Ritual and Cult at Ugarit Dennis Pardee, 2002 The Ugaritic ritual texts which date to ca 1200 B C E provide the only extensive body of pre biblical data on cultic practice in Syria Palestine This volume aimed at biblical scholars and historians of religion contains the original texts a general introduction an English translation and interpretative notes for each text Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

Textiles in Ritual and Cultic Practices in the Ancient Near East from the Third to the First Millennium BC Salvatore Gaspa, Matteo

Vigo, 2019-09-01 The workshop aims at presenting current research on textual iconographical and archaeological evidence for the use of textiles in ritual and cult in the Ancient Near East The main purpose is to address questions related to the use of raw materials garments of ritual performers and cult images textile tools in ritual and cultic practices as well as textile metaphors and analogical formulas in rituals

God in Translation Mark S. Smith, 2010-06-28 *God in Translation* offers a substantial extraordinarily broad survey of ancient attitudes toward deities from the Late Bronze Age through ancient Israel and into the New Testament Looking closely at relevant biblical texts and at their cultural contexts Mark S Smith demonstrates that the biblical attitude toward deities of other cultures is not uniformly negative as is commonly supposed He traces the historical development of Israel's one god worldview linking it to the rise of the surrounding Mesopotamian empires Smith's study also produces evidence undermining a common modern assumption among historians of religion that polytheism is tolerant while monotheism is prone to intolerance and violence

The Oxford Handbook of Ritual and Worship in the Hebrew Bible Samuel E. Balentine, 2020-09-16

Ritual has a primal connection to the idea that a transcendent order numinous and mysterious supranatural and elusive divine and wholly other gives meaning and purpose to life The construction of rites and rituals enables humans to conceive and apprehend this transcendent order to symbolize it and interact with it to postulate its truths in the face of contradicting realities and to repair them when they have been breached or diminished This Handbook provides a compendium of the information essential for constructing a comprehensive and integrated account of ritual and worship in the ancient world Its focus on ritual and worship from the perspective of biblical studies as opposed to religious studies highlights that the world of ritual and worship was a topic of central concern for the people of the Ancient Near East including the world of the Bible Given the scarcity of the material in the Bible itself the authors in this collection use materials from the ancient Near East to provide a larger context for the practices of the biblical world giving due attention to historical anthropological and social scientific methods that inform the context of biblical worship The specifics of ritual and worship life the sacred spaces times and actors in worship are examined in detail with essays covering both the divine and human aspects of the sacred dimension The Oxford Handbook of Ritual and Worship in the Hebrew Bible considers several underlying concepts of ritual practice and closes with a theological outlook on worship and ritual from a variety of perspectives demonstrating a fruitful exchange between biblical studies ritual

The Power and Purpose of Blood in God's Design Cynthia Hsing-Wei Chang, 2024-04-30 How can Christians delve into the relationship between biblical law narrative and rituals to reconcile beliefs with cultural heritage In this study Dr Cynthia Hsing Wei Chang addresses the unfamiliar and impractical nature of Leviticus's ritual teachings for Christians particularly in the context of Chinese culture's common practice of eating cooked blood pudding Combining principles from biblical laws and rhetoric to distinguish Leviticus's literary structure this book examines well being offerings in the Old Testament and Ugaritic sacrificial documents and explores the meaning of blood atonement in rituals to provide a comprehensive theological response By bridging ancient rituals and modern culture Dr Chang offers unique insights for cross cultural understanding and practical guidance for those seeking to navigate cultural complexities while honoring their faith

Ritual and Rhetoric in Leviticus James W. Watts, 2007-07-02 Ritual and Rhetoric in Leviticus uses rhetorical analysis to expose the motives behind the writing of the central book of the Torah Pentateuch and its persuasive function in ancient Judaism The answer to the question who was trying to persuade whom of what by writing these texts proves to be quite consistent throughout Leviticus 1-16 Aaronide high priests and their supporters used this book to legitimize their monopoly over the ritual offerings of Jews and Samaritans With this priestly rhetoric at its center the Torah supported the rise to power of two priestly dynasties in Second Temple Judaism Their ascendancy in turn elevated the prestige and rhetorical power to the book making it the first real scripture in Near Eastern and Western religious traditions Life and Mortality in Ugaritic Matthew McAfee, 2019-06-07 While topics such as death funerary cult and the netherworld have received considerable scholarly attention in the context of the Ugaritic textual corpus the related concept of life has been relatively neglected Life and Mortality in Ugaritic takes as its premise that one cannot grasp the significance of mwt to die without first having wrestled with the concept of yy to live In this book Matthew McAfee takes a lexical approach to the study of life and death in the Ugaritic textual corpus He identifies and analyzes the Ugaritic terms most commonly used to talk about life and mortality in order to construct a more representative framework of the ancient perspective on these topics and he concludes by synthesizing the results of this lexical study into a broader literary discussion that considers among other things the implications for our understanding of the first millennium Katumuwa stele from Zincirli McAfee's study complements previous scholarly work in this area which has tended to rely on conceptual and theoretical treatment of mortality and advances the discussion by providing a more focused lexical analysis of the Ugaritic terms in question It will be of interest to Semitic scholars and those who study Ugaritic in particular in addition to students of the culture of the ancient Levant

The Amorite Dynasty of Ugarit Mary E. Buck, 2019-09-16 In The Amorite Dynasty of Ugarit Mary Buck takes a new approach to the field of Amorite studies by considering whether the site of Ugarit shares close parallels with other sites and

cultures known from the Bronze Age Levant When viewed in conjunction the archaeological and linguistic material uncovered in this study serves to enhance our understanding of the historical complexity and diversity of the Middle Bronze Age period of international relations at the site of Ugarit With a deft hand Dr Buck pursues a nuanced view of populations in the Bronze Age Levant with the objective of understanding the ancient polity of Ugarit as a kin based culture that shares close ties with the Amorite populations of the Levant The author covers a contentious area of scholarship with confidence and competence and has produced a convincing case for the Amorite origins of Bronze Age Ugarit Nick Wyatt Journal for the Study of the Old Testament 44 5 2020 The Studies in the Archaeology and History of the Levant series publishes volumes from the Harvard Museum of the Ancient Near East Other series offered by Brill that publish volumes from the Museum include Harvard Semitic Studies and Harvard Semitic Monographs <https://hmane.harvard.edu/publications> **The Ugaritic Texts and the Origins of West-Semitic Literary Composition** Dennis Pardee, 2012-01-19 The three chapters based on the Schweich Lectures given in 2007 cover the origins of the cuneiform alphabetic writing system developed in Ugarit some time before 1250 BC the use of alphabetic writing at Ugarit and a comparison of Ugaritic and Hebrew literatures
