Long Summer:

The Long Summer Brad Newell, 2010-05-21 A four year sail around the Pacific Ocean **The Long Summer** Mark T. Wayne, 2016-04-22 Mark T. Wayne's *The Long Summer* is a heartfelt adventure story of a fourteen year old boy Cody entering an awkward age and just beginning to have difficulties relating and communicating with his father. When Cody finds himself lost in the rain forest along Canada's southwestern shoreline he is saved by a creature not just of another culture but of an entirely different species, a creature of the same relative age having the same problems with his father. It is not until Cody understands the relationship between his savior and his savior's father that he understands his own relationship with his father.

God's Long Summer Charles Marsh, 2024-08-06 In the summer of 1964 the turmoil of the civil rights movement reached its peak in Mississippi with activists across the political spectrum claiming that God was on their side in the struggle over racial justice. This was the summer when violence against blacks increased at an alarming rate and when the murder of three civil rights workers in Mississippi resulted in national media attention. Charles Marsh takes us back to this place and time when the lives of activists on all sides of the civil rights issue converged and their images of God clashed. He weaves their voices into a gripping narrative. A Ku Klux Klansman, for example, borrows fiery language from the Bible to link attacks on blacks to his priestly calling. A middle aged woman describes how the Gospel inspired her to rally other African Americans to fight peacefully for their dignity. A SNCC worker tells of harrowing encounters with angry white mobs and his pilgrimage toward a new racial spirituality called Black Power. Through these emotionally charged stories Marsh invites us to consider the civil rights movement anew in terms of religion as a powerful yet protean force driving social action. The book's central figures are Fannie Lou Hamer who worked for Jesus in civil rights activism, Sam Bowers the Imperial Wizard of the White Knights of the Ku Klux Klan of Mississippi, William Douglas Hudgins an influential white Baptist pastor and unofficial theologian of the closed society, Ed King a white Methodist minister and Mississippi native who campaigned to integrate Protestant congregations, and Cleveland Sellers a SNCC staff member turned black militant. Marsh focuses on the events and religious convictions that led each person into the political upheaval of 1964. He presents an unforgettable American social landscape, one that is by turns shameful and inspiring. In conclusion Marsh suggests that it may be possible to sift among these narratives and lay the groundwork for a new thinking about racial reconciliation and the beloved community. He maintains that the person who embraces faith's life affirming energies will leave behind a most powerful legacy of social activism and compassion.

Long Summer Day R. F. Delderfield, 2014-07-22 A great read for fans of PBS's *Poldark* and *Downton Abbey* first in the saga of a man returning from battle to an estate in the pre WWI English countryside. After serving his country in the Boer War, injured Lieutenant Paul Craddock returns to England to resume civilian life. But things have changed since he joined the Imperial Yeomanry three years ago. His father has died leaving Paul as heir to a scrap metal business; he has no intention of continuing. Instead he purchases an auctioned off thirteen hundred acre estate in a secluded

corner of Devon Neglected and overgrown Shallowford becomes the symbol of all that Paul has lost and a reminder of the gentle place his homeland once was And here on this sprawling stretch of land he will be changed by his love for two women fiercely independent Grace Lovell and lovely demure Claire Derwent Set in the English countryside in the first part of the previous century from the long Edwardian afternoon following the death of Queen Victoria to the gathering storm of World War I Long Summer Day is the story of a man his family and a people struggling to adapt to life in a new world Long Summer Day is the first novel in R F Delderfield's saga A Horseman Riding By which continues with Post of Honour and The Green Gauntlet

The End of the Long Summer Dianne Dumanoski, 2010-07-13 For the past twelve thousand years Earth's stable climate has allowed human civilization to flourish But this long benign summer is an anomaly in the Earth's history and one that is rapidly coming to a close The radical experiment of our modern industrial civilization is now disrupting our planet's very metabolism our future hinges in large part on how Earth responds Climate change is already bearing down hitting harder and faster than expected The greatest danger is not extreme yet discrete weather events such as Hurricane Katrina or the calamitous wildfires that now plague California but profound and systemic disruptions on a global scale Contrary to the pervasive belief that climate change will be a gradual escalator ride into balmy temperatures the Earth's climate system has a history of radical shifts dramatic shocks that could lead to the collapse of social and economic systems The question is no longer simply how can we stop climate change but how can we as a civilization survive it The guiding values of modern culture have become dangerously obsolete in this new era Yet as renowned environmental journalist Dianne Dumanoski shows little has been done to avert the crisis or to prepare human societies for a time of growing instability In a work of astonishing scope Dumanoski deftly weaves history science and culture to show how the fundamental doctrines of modern society have impeded our ability to respond to this crisis and have fostered an economic globalization that is only increasing our vulnerability at this critical time She exposes the fallacy of banking on a last minute technological fix as well as the perilous trap of believing that humans can succeed in the quest to control nature Only by restructuring our global civilization based on the principles that have allowed Earth's life and our ancestors to survive catastrophe diversity redundancy a degree of self sufficiency social solidarity and an aversion to excessive integration can we restore the flexibility needed to weather the trials ahead In this powerful and prescient book Dumanoski moves beyond now ubiquitous environmental buzzwords about green industries and clean energy to provide a new cultural map through this dangerous passage Though the message is grave it is not without hope Lucid eloquent and urgent The End of the Long Summer deserves a place alongside transformative works such as *Silent Spring* and *The Fate of the Earth*

A Very Long Summer's Day Brian Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room He is quite surprised when Nanny a goat begins speaking to him Phil finds himself in a land of magic And not a very nice kind

of magic Here when a little girl wants a pony another child loses a pony A group of animal lovers thought it would be a great idea for animals to have the same rights as people Their misguided idealism put Nanny in the body of a goat and a goat in Nanny s body Many years before when Phil s grandfather was young he d visited the land Seemingly just by being there the land changed for the better Nanny believes Phil could do the same and in the process be the key to getting her body back Nanny decides to take Phil to the capital A Very Long Summer s Day is the story of their travels through a realm filled with quirky characters magic and wizards who have their own plans for Phil It s reminiscent of books TV shows and movies that are fun for all ages as a lot of the references and humor pass over the heads of the younger ones It s sure to become a family favorite 2 Long Summer Nights Kathleen O'Reilly,2010-05-01 Get away from it all and have it all Journalist Jennifer Dale is on assignment pretending that miserable isolation in upstate New York is the greatest thing ever The only bright spot The wickedly sexy recluse across the lake who swims in the buff Now there s some wildlife a gal can enjoy watching over and over and over When Jennifer suffers a slight boating mishap Hot Swimming Guy comes to her rescue Turns out Aaron Barksdale is hot enough to switch her damsel s distress into a damsel undressed But Aaron is more than a hot summer night between the sheets he s also an award winning author who disappeared from the public eye years ago Revealing all could be the scoop of the century but only if Jennifer s willing to risk it all *Long Summer Nights* Aharon Appelfeld,2019-10-08 The second and last children s book by the extraordinary Holocaust survivor and Hebrew language author of the award winning Adam Thomas A mystical and transcendent journey of two wanderers an eleven year old boy and an old man to whom the boy has been entrusted by his father a Jew fleeing the ravages of the war by the late award winning author Aharon Appelfeld The old man is a former Ukrainian commander revered by the soldiers under his command who has gone blind and chosen the life of a wanderer as his last spiritual adventure The child now disguised as a Ukrainian non Jew learns from the old man how to fend for himself and how to care for others In the tradition of *The Alchemist* the travelers learn from each other and the boy grows stronger and wiser as the old man teaches him the art of survival and through the stories he shares the reasons for living *Long Summer Nights* carries its magic not only in the words but also in the silences between them **I Cheated, A Long Summer Fling** NS Raveneir,2022-04-20 Lene was spending her corporate holiday with her colleagues when she saw him Destiny led her to meet an attractive looking man that everyone was familiar with a famous personality Victor Theryn Everything happened accidentally when they met each other at that sandy beach One and another encounter brought them together on that tropical resort Both Lene and Victor fell in love in that short meeting Not knowing that the truth Lene was already engaged with Robin Through time the summer fling continued on Lene was too greedy for keeping two hearts at the same time Yet she had to decide which love suited her better Would she choose Victor or Robin Robin s gesture melted my anxious heart I started doubting myself as my guilt arose then I became vulnerable I hugged Robin tight I was ashamed of what I had done but he thought differently I felt it when he kissed me passionately I realized that he wanted to devour me It

might be because of my guilty feeling I lowered my guard down and let him do what he wanted to do Forcefully Victor pulled me near then without hesitation he landed his lips on mine The warm and tender lips of Victor consumed me ravishingly with all his burning desire I could not refuse as if he was letting go of all the longing he had carried inside of his heart My heart shattered in confusion but my body drowned in his game **High School Summer Work in Indiana, Illinois, Ohio and in Twenty- Three Cities in Nine Scattered States** John William Jones,1926 **Spring and Summer Festivals** Nathaniel Moore Banta,1924 A Report on Irrigation Conditions in the Yakima Valley, Washington Charles Vancouver Piper,E.
