Long Time Gone The Years Of Turmoil Remembered

Patrick J. Buchanan

Long Time Gone The Years Of Turmoil Remembered:

Long Time Gone Alexander Bloom, 2001-05-03 With remarkable speed the Sixties have gone from lived history to mythology They remain alive in our culture in a manner different from any previous era At the dawn of a new century we are still debating the issues that emerged during that decade still living in the conscious aftermath of its events and transformations This collection looks back at the Sixties attempting to understand the issues of the day on their own terms and to think about their meanings in today s world Alexander Bloom has gathered ten original essays each of which explores the gulf between history and myth regarding a central characteristic of the Sixties Topics covered include civil rights the student movement and the New Left the Vietnam War the antiwar movement gay rights the counterculture and the women s movement *Long Time Gone* dispels myths about the Sixties and constructs an accurate vision of the past and an understanding of its impact on the modern world It is an invaluable resource for anyone seeking deeper knowledge of this incredible decade and its continuing influence on American culture *Long Time Gone* Curt Smith, 1982 **Billy Graham**

and the Rise of the Republican South Steven P. Miller, 2011-08-23 While spreading the gospel around the world through his signature crusades internationally renowned evangelist Billy Graham maintained a visible and controversial presence in his native South a region that underwent substantial political and economic change in the latter half of the twentieth century In this period Graham was alternately a desegregating crusader in Alabama Sunbelt booster in Atlanta regional apologist in the national press and southern strategist in the Nixon administration *Billy Graham and the Rise of the Republican South* considers the critical but underappreciated role of the noted evangelist in the creation of the modern American South The region experienced two significant related shifts away from its status as what observers and critics called the Solid South the end of legalized Jim Crow and the end of Democratic Party dominance Author Steven P Miller treats Graham as a serious actor and a powerful symbol in this transition an evangelist first and foremost but also a profoundly political figure In his roles as the nation s most visible evangelist adviser to political leaders and a regional spokesperson Graham influenced many of the developments that drove celebrants and detractors alike to place the South at the vanguard of political religious and cultural trends He forged a path on which white southern moderates could retreat from Jim Crow while his evangelical critique of white supremacy portended the emergence of color blind rhetoric within mainstream conservatism Through his involvement in the Eisenhower and Nixon administrations as well as his deep social ties in the South the evangelist influenced the decades long process of political realignment Graham s public life sheds new light on recent southern history in all of its ambiguities and his social and political ethics complicate conventional understandings of evangelical Christianity in postwar America Miller s book seeks to reintroduce a familiar figure to the narrative of southern history and in the process examine the political and social transitions constitutive of the modern South An American Ordeal Charles DeBenedetti, 1990-03-01 *An American Ordeal* is the first comprehensive interpretive history of the antiwar movement in the

United States throughout the Vietnam era Beginning with the rise of a liberal peace movement against atmospheric nuclear testing from 1955 to 1963 the authors describe the emergence of radical pacifists and politically motivated groups who eventually created a diverse coalition against the Vietnam War They examine how extremist elements came to dominate the movement in the late 1960s to be supplanted by a larger consensus of liberal and pacifist groups in the early 1970s *The Search for Peace in Vietnam, 1964-1968* Lloyd C. Gardner, Ted Gittinger, 2004 The Vietnam War was remarkable for the number of unsuccessful initiatives to end it through negotiation and the active involvement of noncombatant nations seeking peace The analyses and conclusions gathered in this volume focus on both the domestic and the international sources of such efforts as well as the relationship of these attempts to the larger Cold War of which the Vietnam conflict was but a part BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Historical Dictionary of the 1960s James S. Olson, 1999-12-30 Few eras in U S history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U S was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U S was really the land of the free and the home of the brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women s movement and the youth rebellion It covers the political military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history *Divided Loyalties* Frank Koscielski, 2018-10-24 This book explores the international leadership of the AFL CIO the UAW and UAW Local 600 the world s largest union local and reveals that overall working class response to the Vietnam War mirrored that of the American society as a whole The Vietnam Antiwar Movement Walter L. Hixson, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company *Nixon's White House Wars* Patrick J. Buchanan, 2018-04-03 From Vietnam to the Southern Strategy from the opening of China to the scandal of Watergate Pat Buchanan speechwriter and senior adviser to President Nixon tells the untold story of Nixon s embattled White House from its historic wins to its devastating defeats In his inaugural address Nixon held out a hand in friendship to Republicans and Democrats alike But by the fall of 1969 massive demonstrations in Washington and around the country had been mounted to break his presidency In a brilliant appeal to what he called the Great Silent Majority Nixon sent his enemies reeling Vice President Agnew followed by attacking the blatant bias of the media in a fiery speech authored and advocated by Buchanan And by 1970 Nixon s approval rating soared to 68 percent and he was labeled The Most Admired Man in America Then one by one the crises came from the invasion of Cambodia to the protests that killed four students at Kent State to race riots and court ordered school busing Buchanan chronicles Nixon s historic trip to China and describes the White House strategy that brought about Nixon s 49 state landslide victory over George McGovern in 1972 When the Watergate scandal broke Buchanan urged the president to destroy the Nixon tapes before they were subpoenaed and fire Special Prosecutor Archibald

Cox as Nixon ultimately did in the Saturday Night Massacre After testifying before the Watergate Committee himself Buchanan describes the grim scene at Camp David in August 1974 when Nixon's staff concluded he could not survive In a riveting memoir from behind the scenes of the most controversial presidency of the last century Nixon's White House Wars reveals both the failings and achievements of the 37th President recorded by one of those closest to Nixon from before his political comeback through to his final days in office

The War Within Tom Wells, 2016-02-02 The War Within America's Battle over Vietnam is a painfully engrossing and popularly written account of how the battle on the home front ended America's least popular war This absorbing narrative hailed by critics of every persuasion is the fruit of over a decade's worth of research the author sifted through mountains of government documents press coverage and transcripts of interviews he conducted with virtually all of the key players both inside the U S government and among the dissenters who eventually brought the war to an end In these pages the antiwar era comes to life through the words of scores of participants both the famous and the forgotten who speak with candor and passion about this tumultuous period A remarkable story of a powerful grassroots movement and its influence on officials in Washington

Four Dead in Ohio William A. Gordon, 1995 Tells the shocking story behind the cover up of the May 4 1970 slayings of four students at Kent State University

Silencing the Opposition Craig R. Smith, 2011-01-01 The first edition of *Silencing the Opposition* examined major challenges to the First Amendment using illustrative case studies of the various forms of governmental suppression in our history The essays showed that governmental forces have used rhetorical strategies in simple and sophisticated ways to silence opponents By studying which strategies are effective how they evolve and how they are unmasked the authors offered a better understanding to combat the strategies in the future This second edition of *Silencing the Opposition* includes a revised introduction and conclusion updated chapters and two new chapters one on the Patriot Act and one on habeas corpus of enemy combatants In these revisions and additions Smith has arranged a valuable timely collection appropriate for its focus on the last eight years of civil liberty reforms in the United States

The Columbia History of the Vietnam War David L. Anderson, 2010-11-26 Rooted in recent scholarship The Columbia History of the Vietnam War offers profound new perspectives on the political historical military and social issues that defined the war and its effect on the United States and Vietnam Laying the chronological and critical foundations for the volume David L Anderson opens with an essay on the Vietnam War's major moments and enduring relevance Mark Philip Bradley follows with a reexamination of Vietnamese revolutionary nationalism and the Vietminh led war against French colonialism Richard H Immerman revisits Eisenhower's and Kennedy's efforts at nation building in South Vietnam and Gary R Hess reviews America's military commitment under Kennedy and Johnson Lloyd C Gardner investigates the motivations behind Johnson's escalation of force and Robert J McMahon focuses on the pivotal period before and after the Tet Offensive Jeffrey P Kimball then makes sense of Nixon's paradoxical decision to end U S intervention while pursuing a destructive air war John Prados and Eric Bergerud devote

essays to America's military strategy while Helen E Anderson and Robert K Brigham explore the war's impact on Vietnamese women and urban culture Melvin Small recounts the domestic tensions created by America's involvement in Vietnam and Kenton Clymer traces the spread of the war to Laos and Cambodia Concluding essays by Robert D Schulzinger and George C Herring account for the legacy of the war within Vietnamese and American contexts and diagnose the symptoms of the Vietnam syndrome evident in later debates about U S foreign policy America's experience in Vietnam continues to figure prominently in discussions about strategy and defense not to mention within discourse on the identity of the United States as a nation Anderson's expert collection is therefore essential to understanding America's entanglement in the Vietnam War and the conflict's influence on the nation's future interests abroad

In the New World Lawrence Wright, 2012-11-07 From the Pulitzer Prize winning author of *The Looming Tower* comes an intimate memoir of one man's coming of age and a universal story of the American experience of two crucial decades A wonderfully readable thoroughly absorbing memoir of a twenty five year span of wrenching change *The Philadelphia Inquirer* We first meet Larry Wright in 1960 He is thirteen and moving with his family to Dallas the essential city of the New World just beginning to rise across the southern rim of the United States As we follow him through the next two decades the civil rights movement the Vietnam War the devastating assassinations of John F Kennedy Robert Kennedy and Martin Luther King Jr the sexual revolution the crisis of Watergate and the emergence of Ronald Reagan we relive the pivotal and shocking events of those crowded years Lawrence Wright has written the autobiography of a generation giving back to us with stunning force the feelings of those turbulent times when the euphoria of Kennedy's America would come to its shocking end

Nixon's Vietnam War Jeffrey P. Kimball, 1998 The signing of the Paris Agreement in 1973 ended not only America's Vietnam War but also Richard Nixon's best laid plans After years of secret negotiations threats of massive bombing and secret diplomacy designed to shatter strained Communist alliances the president had to settle for a peace that fell far short of his original aims

Rock Eras James M. Curtis, 1987 From 1954 to 1984 the media made rock n roll an international language In this era of rapidly changing technology styles and culture changed dramatically too In the 1950s wild eyed Southern boys burst into national consciousness on 45 rpm records and then 1960s British rockers made the transition from 45s to LPs By the 1970s rockers were competing with television and soon MTV made obsolete the music only formats that had first popularized rock n roll
