Look Back Vietnam And The Black American:

Looking Back at LBJ Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it s now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation s most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ s beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ s foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ s domestic policies that have been largely neglected women s rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can t always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

Looking Back on the Vietnam War Brenda M. Boyle, Jeehyun Lim, 2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war s legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam Looking Back on the Vietnam War brings together scholars from a broad variety of disciplines who offer fresh insights on the war s psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we

remember it and why **Looking Back on the Vietnam War** William Head, William P. Head, Lawrence E.

Grinter, 1993-07-13 This text is the first to closely compare and contrast the Gulf and Vietnam Wars on both the war and home fronts Widely respected experts give a balanced new perspective on the Vietnam War based on considerable new primary research to explain the salient factors that contributed to the decision making air and ground considerations and outcome This text carefully focused for classes in modern American history and military studies appraises the legacies of the Vietnam War that have been felt in the United States for the last two decades *Looking Back from 2101* Steve

Halpern, 2002-01-08 During the 1990s the politicians and media pundits argued that we experienced the most dramatic financial upturn in the history of the United States Yet today in the year 2001 forty five million people lack health insurance thirty five million experience hunger millions are functionally illiterate and anyone living in Philadelphia who earns the minimum wage needs to work eighty four hours per week to avoid homelessness When we look at the facts the so called financial upturn of the 1990s was a myth for eighty percent of the population Today when we adjust for inflation the least affluent eighty percent of the population earns no more than they did in the early 1970s yet they routinely work more hours As harsh as all these conditions are an all out collapse of the economy is possible in our lifetimes While these conditions exist an enormous amount of waste is generated in the world Whether we purchase a tooth pick or a town house we pay for services which add nothing to those commodities When we need medical care we would never go to an insurance agent yet insurance companies profit off of our need for health care When we purchase a house we dont rely on bankers to build the house yet banks collect enormous sums in interest payments for the purchase of homes When we turn on the television we see advertising which adds nothing to the quality of the programming yet we pay more for commodities because of advertising These few examples show how there are enormous resources which could be used to make dramatic improvements in the standard of living throughout the world *Looking Back From 2101* is a novel which imagines what the world might look like if human needs were the top priority and the primary motivating force of society was human solidarity This book has a similar theme as *Looking Backwards* by Edward Bellemly which was written in 1887 and sold millions of copies throughout the world Harry Goldberg is a factory worker in the year 2001 One night he goes to sleep and doesnt awaken until the year 2101 In this world of the future Harry discovers that poverty has been eliminated yet people are only asked to work for twenty hours per week The government strives to eliminate alienation from the workplace and to organize industrial production in a way that is harmonious with the environment Everyone who is born into this world has many rights which they can use throughout their lifetimes These include the right to food clothing housing health care education communication transportation and exposure to the arts or recreational activities Everyone is also encouraged to offer their opinions concerning any and all topics From the perspective of this future world Harry proceeds to have a series of conversations with African Americans women a Puerto Rican a Native American a farmer a garment worker a doctor and a

student where they explore how and why the world was transformed Harry begins to realize that all the advances which he is witnessing in this new world were indeed possible in the twentieth century These changes didnt occur because of scientific achievements or brilliant political leaders The transformation of society came about because of the determination of the masses of people to construct a world where human needs are more important than profits and human solidarity is the best way of motivating working people Looking Back From 2101 is an attempt to contrast the world as it exists from the world as it might be While politicians and media pundits tell us what we cant achieve this book makes an attempt to look at what is possible *Ebony* ,1990-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Never Look Back D. R. Richards,2023-05-13 Never Look Back is the second book of the Minnow Squad Trilogy In their attempt to find answers about their past and circumstances that had physically and mentally changed them forever they go full circle returning to Vietnam While part of the team pursues those answers back in the jungle the others take on the mission of helping a friend free her father from international kidnappers As their efforts take them from the US to Europe the number of comrades grows along with the specialized assets needed by these older fighters for the underdogs Back in Vietnam the squad is faced with securing their acceptance within the criminal empire known as The Dragon Each in their own way they become interictal members of this sinister family Attacks against the family from outside and within are dealt with and uncovers the involvement of many players from several countries With action at every turn the book builds to an unforeseen conclusion which only opens the door for the conclusion of the trilogy **Dixie Looks Abroad** Joseph A. Fry,2002-01-01 As America s most self conscious section the South has exercised an important and often decisive influence on U S foreign relations but the extent of this influence has been largely unexplored by historians In this groundbreaking study Joseph A Fry provides a comprehensive overview of the South s role in U S international involvement from 1789 to 1973 revealing the enormous impact of southern pressure on broader national interests In a gracefully written and engaging narrative Fry chronicles the South s numerous foreign policy opinions over time including its opposition to closer relations with Great Britain and war with France in the 1790s its leadership in the War of 1812 its flawed diplomatic attempts during the years of the Confederacy and its fifty year protest against the increasingly assertive Republican dominated political agenda following the Civil War With the election of Woodrow Wilson Fry shows the South reversed its tendency toward isolationism and consistently supported Wilson s activist foreign policies The South sustained this interventionist mind set into the 1970s ardently supporting cold war containment policy Fry is careful to note that southerners seldom presented a completely united front on foreign affairs Yet even while disagreeing among themselves he argues they consistently viewed the world through a distinctly southern lens and acted on a variety of perceived common interests including a dedication to honor and patriotism a determination to protect slavery a proclivity for personal violence a commitment to partisan politics a concern for

economics and a preoccupation with race Though the South s foreign policy opinions varied widely through the years Fry s extraordinary work affirms that Dixie has always held considerable clout on the world stage A Look Back Robert W. Mullen,1981 *Protest on Trial* Kit Bakke,2021-09-13 The Seattle 7 embodied late 1960s counterculture young idealistic active organizers against racism and the Vietnam War and fond of long hair rock n roll sex drugs and parties In January 1970 they founded the Seattle Liberation Front SLF Nationally the FBI was using tactics such as wiretapping warrantless break ins and the placing of informers and provocateurs to destroy organizations like the SLF But in Seattle it went a step further After a protest at Seattle s downtown federal building turned violent seven SLF leaders Michael Abeles Jeff Dowd Joe Kelly Michael Lerner Roger Lippman Chip Marshall and Susan Stern faced federal conspiracy and intent to riot indictments Their chaotic trial became a crash course in the real American judicial system Carl Maxey and Michael Tigar led the defense team the U S prosecuting attorney was Stan Pitkin When Pitkin s key witness faltered and the government s case appeared doomed the presiding judge issued a surprise ruling to end the trial and send the defendants to prison For this solidly researched oral history the author conducted dozens of interviews with defendants attorneys FBI agents jurors and others She also accessed the trial transcript appeals briefs and depositions media articles books and more **Looking Back at the Cervenka and Machu Family, 1773-1988** Joan Cervenka Cobb,1988 Black Prisoner of War James A. Daly, Lee Bergman,2000 Among the few autobiographical works about Vietnam by a black author this memoir by Daly 1946-98 a Jehovah s Witness who renounced the US position after five years in the infamous Hanoi Hilton controversially explores race relations and the less than courageous The introduction provides context Originally published by Bobbs Merrill as A Hero s Welcome Annotation copyrighted by Book News Inc Portland OR Launch the Intruders Carol Reardon,2005 Carol Reardon chronicles the operations of Attack Squadron 75 the Sunday Punchers and their high risk bombing runs launched off the U S S Saratoga during the famous Linebacker campaigns Based on access to crew members and their families her book blends military and social history to offer a look at the air war in Southeast Asia **Atkinson's Evening Post and Philadelphia Saturday News** ,1963-10 **Looking Backward** Lloyd C. Gardner, William L. O'Neill,1974 **Venceremos Brigade: Young Americans Sharing the Life and Work of Revolutionary Cuba** Sandra Levinson, Carol Brightman,1971 Encyclopedia of African American History, 1896 to the Present: D-I ,2009 Alphabetically arranged entries from D to I that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century *U.S.A.* ,1968 *Military Justice in Vietnam* William Thomas Allison,2007 A concise look at how military justice during the Vietnam War served the dual purpose of punishing U S soldiers crimes and infractions while also serving the important role of promoting core American values democracy and rule of law to the Vietnamese **The American Legion Magazine** American Legion,1978 **Vietnam War Films** Jean-Jacques Malo, Tony Williams,1994 This is the filmography There are 137 Vietnamese films not before noted in the literature The French coverage is of course

comprehensive As for the U S the so called covert Vietnam films Soldier Blue Little Big Man etc that treat the war in an indirect or allegorical way are covered in addition to the mainstream movies Each entry includes title alternate titles year of release country studio credits director producer screenplay editor music cast availability on video major themes plot synopses and critical commentary on the film and its relevance to Vietnam The cooperation of the Office of the General Secretary of the Vietnamese Filmmakers Association and the Vietnamese material from the years 1959 through 1989
