Looking for Jake China Miéville, 2005-08-30 Mi ville moves effortlessly into the first division of those who use the tools and weapons of the fantastic to define and create the fiction of the coming century Neil Gaiman What William Gibson did for science fiction China Mi ville has done for fantasy shattering old paradigms with fiercely imaginative works of startling often shocking intensity Now from this brilliant young writer comes a groundbreaking collection of stories many of them previously unavailable in the United States including four never before published tales one set in Mi ville s signature fantasy world of New Crobuzon Among the fourteen superb fictions are Jack Following the events of his acclaimed novel Perdido Street Station this tale of twisted attachment and horrific revenge traces the rise and fall of the Remade Robin Hood known as Jack Half a Prayer Familiar Spurned by its creator a sorceress s familiar embarks on a strange and unsettling odyssey of self discovery in a coming of age story like no other Reports of Certain Events in London In which a writer named China Mi ville receives a package containing clues to a vast and ongoing yet utterly secret war a war about to turn a most unexpected corner The Tain In this major story winner of the Locus Award for Best Novella a postapocalyptic London is overrun by vampires and monsters alien yet weirdly familiar and one man holds the future of humanity in his hands Plus ten other tales including On the Way to the Front a graphic short story illustrated by Eisner Award nominated Liam Sharp BONUS This edition contains an excerpt from China Mi ville s Embassytown **Looking for Jake and Other Stories** China

Miéville, 2005 Step into a London ravaged by unearthly creatures at once utterly alien and chillingly familiar This collection contains thirteen short stories of visionary cityscapes and urban paranoia ghosts monsters and impossible diseases China Miéville Tony Venezia, Sherryl Vint, Raphael Zähringer, Dougal McNeill, Joe Sutliff Sanders, Paul March-Russell, Ben De Bruyn, Matthew Sangster, Anthony F. Lang, Jr., Mark P. Williams, Roger Luckhurst, 2015-12-01 The chapters in this collection respond to the range of interests that have shaped Mi ville s fiction from his influential role in contemporary genre debates to his ability to pose serious philosophical questions about state control revolutionary struggle regimes of apartheid and the function of international law in a globalized world This collection demonstrates how Mi ville s fictions offer a striking example of contemporary literature s ability to imagine alternatives to neoliberal capitalism at a time of crisis for leftist ideas within the political realm Borders and Border Crossings in the Contemporary British Short Story Barbara Korte, Laura Ma Lojo-Rodríguez, 2020-01-02 This book represents a contribution to both border studies and short story studies In today s world there is ample evidence of the return of borders worldwide as material reality as a concept and as a way of thinking This collection of critical essays focuses on the ways in which the contemporary British short story mirrors questions and

engages with border issues in national and individual life At the same time the concept of the border as well as neighbouring notions of liminality and intersectionality is used to illuminate the short story's unique aesthetic potential The first section Geopolitics and Grievable Lives includes chapters that address the various ways in which contemporary stories engage with our newly bordered world and borders within contemporary Britain The second section examines how British short stories engage with Ethnicity and Liminal Identities while the third Animal Encounters and Metamorphic Bodies focuses on stories concerned with epistemological borders and borderlands of existence and identity Taken together the chapters in this volume demonstrate the varied and complex ways in which British short stories in the twenty first century engage with the concept of the border

Urban Monstrosities Joseph Lamperez, Ali McGhee, 2018-07-27 Sign of sublime excess and transgression guardian of the threshold and uncanny creature par excellence the monster of late has also become a mainstay of urban narratives even while its presence in these texts remains untheorized The authors in this collection show how artists and writers across the past two hundred years from William Wordsworth to China Miéville figure the monster as a barometer of changing urban patterns Here monstrosity becomes the herald of embryonic social forms and marginalized populations in portrayals of cities across media from video games film and avant garde sonic experiments to written tales of urban fantasy and gothic ruin This volume suggests that poetic and municipal structures evolve in tandem Within its chapters unearthly buildings and beings signal a host of new urban dispensations
