grandmother
is wonderful.
One moment you’re
just a mother.
The next,
you are all-wise
and prehistoric.”**

The Little Lady of the Horse Evelyn Raymond, 2022-08-21 In The Little Lady of the Horse Evelyn Raymond crafts a poignant tale that intertwines the enchanting world of horses with the transformative journey of its young protagonist Set against the backdrop of rural America in the early 20th century the novel delves into themes of friendship resilience and the bond between humans and animals Raymond s lyrical prose and rich descriptive style evoke a sense of nostalgia drawing the reader into a bucolic landscape filled with vivid imagery and heartfelt emotions The narrative reflects a transitional period in American literature embracing childhood innocence and the profound impact of nature on self discovery Evelyn Raymond an accomplished author and poet drew upon her own experiences with horses and rural life

channeling her deep understanding of childhood's complexities into this work Her background as a writer coupled with her insightful observations of human animal relationships shaped her portrayal of the Little Lady making her a relatable and cherished character Raymond's commitment to exploring the intricacies of human emotions through relatable narratives significantly informs the depth of her storytelling in this novel *The Little Lady of the Horse* is a delightful read for anyone who cherishes tales of resilience and the timeless connection between children and animals Providing both inspiration and a sense of wonder this novel is a testament to the transformative power of love and companionship making it essential reading for young adults and those young at heart

Migration and Identity in British East and Southeast Asian Cinema

Wing-Fai Leung, 2023-05-31 An emerging interest in a British East and Southeast Asian identity after decades of political and social exclusion has coincided with periods of economic and political challenges in the UK In *Migration and Identity in British East and Southeast Asian Cinema* Leung Wing Fai argues that this explosive context has created rich and diverse forms of storytelling and an accented cinematic language By offering close readings of key contemporary films and positioning them in a wider slate of releases by British East and Southeast Asian filmmakers alongside Anglophone film histories in the Global North this book sheds light on a developing field and engenders new ways of understanding British cinema and society The author explores changing representational politics in contemporary cinema and argues for the cinematic visibility of a hitherto silenced community Drawing on theoretical frames from sociological film and cultural studies to critically engage with the textual and visual language of the case studies Leung claims the place of British East and Southeast Asian Cinema as a film and cultural movement Highlighting diversity among the British East and Southeast Asian community pushing boundaries in its intersectional approach to ethnicity race gender and sexuality and proposing a critical framework for academic studies on diasporic film making in the UK this nuanced and innovative study will interest researchers teachers and students in a range of Humanities and Liberal Arts subjects including Film and Media Studies Regional Area Studies Asia and arts cultural and creative productions from the East and Southeast Asian diaspora

In the Land of Good Living Kent Russell, 2021-05-11 A wickedly smart funny and irresistibly off kilter account of an improbable thousand mile journey on foot into the heart of modern Florida the state that Russell calls America Concentrate In the summer of 2016 Kent Russell broke at loose ends hungry for adventure set off to walk across Florida Mythic superficial soaked in contradictions maligned by cultural elites segregated from the South and literally vanishing into the sea Florida or as he calls it America Concentrate seemed to Russell to embody America's divided soul The journey with two friends intent on filming the ensuing mayhem quickly reduces the trio to filthy drifters pushing a shopping cart of camera

equipment They get waylaid by a concerned citizen bearing a rifle buy cocaine from an ex wrestler visit a spiritual medium
The narrative overflows with historical detail about how modern Florida came into being after World War II and how it came
to be a petri dish for life in a suddenly increasingly diverse new land of minority majority cities and of unrivaled ethnic and
religious variety Russell has taken it all in with his incomparably focused lens and delivered a book that is both an inspired
travelogue and a profound rumination on the nation s soul and his own It is a book that is wildly vivid encyclopedic erudite
and ferociously irreverent a deeply ambivalent love letter to his sprawling brazenly varied home state *The People's*
