Slow Norfolk although selective includes the whole of Norfolk from Great Yarmouth and the Broads to the east to the Fens of the far west from the iconic North Norfolk coast to the Breckland region to the south The Norfolk landscape is far more variable than many imagine and not quite as flat as it is usually reputed to be The North Norfolk coast considered to be one of the most beautiful stretches in England is also a hugely important habitat for wildlife especially migrating birds The interior of the county tends to be more overlooked yet also much to offer especially in terms of landscape historic monuments and characterful market towns The county has a rich mix of architectural variety with numerous country houses medieval churches Roman forts and Norman castles The county capital Norwich is an important centre for art and culture with its acclaimed Sainsbury Centre for Visual Arts and the annual highly rated Norwich and Norfolk Festival

Journal of Education and School World ,1917 South Devon & Dartmoor Hilary Bradt,Janice Booth,Alistair & Gill

Campbell,2024-03-08 This new thoroughly updated third edition of South Devon and Dartmoor is part of Bradt's distinctive Slow Travel series of guides to UK regions offering in depth exploration of one of England's most popular areas. Written by resident experts Hilary Bradt, the late Janice Booth and Gill and Alistair Campbell, it remains the essential companion to discovering not just the obvious and well-known sites but also for getting off the beaten track and understanding what makes this gorgeous part of the country tick. Much of the information in Bradt's South Devon and Dartmoor has appeared in no other guidebook apart from previous editions of this book as the authors uncover the lesser-known charms of the region as well as different aspects of the more popular places from the English Riviera and South Hams to Salcombe and Dartmoor together with colourful characters from the past, folk history and literary links from Agatha Christie to Arthur Conan Doyle. The guide has a special emphasis on car-free travel: walking, this edition features a revised selection of routes including miles without stiles, accessible Dartmoor walks, cycling and river boats as well as local buses including the new Dartmoor Explorer service and trains. This edition has a stronger emphasis on local food, both in markets and when eating out, while the authors have updated their hand-picked suggestions for places to eat and drink and for accommodation from idyllically located campsites to boutique B&Bs. Learn what really goes on at a wassail gathering, find out what you should do if you're harassed by pixies on Dartmoor and discover unique local events like the annual Orange Race held in Totnes. Also included are entertaining and informative stories about historical characters and folklore while small and historic village churches with their idiosyncratic saints and intriguing carvings are described in loving detail. **Britain's Orchids** Sean Cole, Mike

Waller,2020-11-03 An accessible comprehensive and beautifully illustrated guide, the only one to cover all the orchids found in Britain and Ireland. Covering all fifty-one native species and twelve of uncertain origin as well as hybrids and variants, Britain's Orchids is an engaging, intuitive and in-depth identification guide to all the orchids of Britain and Ireland at all stages of development, from first emergence to setting seed. Drawing on the authors' extensive field experience and the latest scientific research, the book uses multiple techniques to help both beginner and more advanced orchid enthusiasts to identify even the most difficult plants. It is beautifully illustrated with watercolour paintings by talented artist Sarah Stribbling and features more than 1,200 evocative, instructive and detailed photographs. Orchids have long fired the imagination with their beauty and rarity. This book aims to ignite or increase your passion for these special plants and for the conservation of their varied habitats from remote mountaintops to urban wild spaces. The first book to cover all the species at all stages of development as well as all subspecies, varieties and confirmed hybrids. Lavishly illustrated with 98 beautiful watercolour plates. More than 1,200 stunning photos showing the orchids in their natural settings and highlighting key identification features. Simple step-by-step system for identifying almost any orchid you encounter. Up-to-date distribution maps and seasonal charts showing when each species can be seen in its various stages of development. Sean Cole is a field naturalist who has been studying orchids for more than twenty years with special interests in identification, taxonomy and pollination.

He has published many articles on British orchids including his specialty the Ghost Orchid Mike Waller is an ecologist and botanist who specializes in European orchids He has worked for the Royal Society for the Protection of Birds the Natural History Museum in London the London Wildlife Trust and Plantlife **Memories of the months** Sir Herbert Maxwell,1897
