Olivia's Journey Latrina R. Graves McCarty, 2018-10-11 Olivia thinks she was ready for a relationship Little does she know the progression of time for the dating scene is not at all like it was fifteen years ago when she met her only true love Isaiah There is not a day that goes by that Olivia does not think of him It was the simple things that he would do Seldom did he need to tell her that he loved her because his actions would speak loud and clear for themselves Never had she even considered life without her husband her best friend and the father of their children Isaiah II and Isabella Now she is faced to journey the rest of her life without him During the first couple of years it took all her strength to maintain her daily routine Her children family career and friends were her distractions However now that her children are older and her businesses are well established Olivia faces her true feelings on love and relationship Each of her three chosen relationships presented its own challenges and at the end of each relationship Olivia would always question God why on earth would he take her Isaiah and leave them walking the earth Olivia knew that if she wanted a reputable relationship it was imperative she learn how to trust Could she believe true love would find her again Would she continuously allow diversions to distract her journey Or would she finally realize that everything she needed was already inside of her
