Donald C. Dahlin, 1986 *The Trial Process* Bruce Dennis Sales, 2013-11-11 As noted in the Preface to Volume 1 in this series the goal of Perspectives in Law and Psychology is to provide a forum for books aimed at systematically interfacing the two disciplines Toward this end Volume 1 presented a collection of original writings focused on the criminal justice system that grew out of a conference held at the University of Nebraska at Lincoln Because that volume was based on conference proceedings however an attempt was not made to provide thorough coverage of all law psychology issues in the criminal

justice system rather it highlight ed a select few issues that were currently being investigated by some of the outstanding people in the field This volume differs substantially from the first in that it attempts to bring together those psycholegal scholars who are doing the major re search on the trial process today and provides broad coverage of critical research on the trial Thus the chapters not only provide an extensive review of existing literature in this field but also present new contribu tions by these scholars Social Bridges and Contexts in Criminology and Sociology Lorine Hughes,Lisa Broidy,2020-12-29

Social Bridges and Contexts in Criminology and Sociology brings together leading scholars to commemorate the illustrious career and enduring contributions of Professor James F Short Jr to the social sciences Although Professor Short is best known as a gang scholar he was a bridging figure who advanced the study of human behavior across multiple domains Individual chapters document Professor Short s intellectual development and highlight the significance of his theoretical and empirical work in a range of specialty areas including suicide and homicide criminological theory field and self report survey research methodologies white collar crime hazards and risks levels of explanation microsocial group processes and the etiology of gang violence and delinquency A special feature of this book is the collection of brief personal reflection essays appearing after the main chapters Authored by Professor Short s students colleagues collaborators and friends these essays provide powerful testimonials of the influence of his intellectual legacy as well as his generous spirit and commitment to mentorship Written in a clear and direct style this book will appeal to students and scholars of criminology and sociology and all those interested in the important contributions of Professor James F Short Jr to these subject areas
