*The Proceedings of the 22nd Annual History of Medicine Days Conference 2013* Aleksandra Loewenau, 2018-12-19. The Proceedings of the Calgary History of Medicine Days represent a series of volumes in the history of medicine and healthcare that publishes the work of young and emerging researchers in the field, hence providing a unique publishing format. The annual Calgary History of Medicine Days Conference, established in 1991, brings together undergraduate and early graduate students from across Canada, the USA, the UK, and Europe to give paper and poster presentations on a wide variety of topics from the history of medicine and healthcare from an interdisciplinary perspective. The History of Medicine Days offers an annual platform for discussions and exchanges between participants over recent research findings, methodological perspectives, or work in progress, descriptions of ongoing historiographical projects. This book brings together a number of reviewed and edited conference papers comprising topics from historical medical classics, physicianship, and the doctor's role, military medicine, and disfigured bodies in anatomical and media perspectives. In addition, it includes the papers given by the conference's internationally renowned keynote speaker, Dr. Guel Russel. It further comprises all of the abstracts of the conference for documentation purposes and is well illustrated with diagrams and images pertaining to the history of medicine.
