Robert Singerman

Modern American Women A Documentary History:

Modern American Women Susan Ware, 1997 The Columbia Documentary History of American Women Since 1941

Harriet Sigerman, 2003 From the Hoover vacuum cleaner to the fax machine from the pill to reproductive rights from Rosie the Riveter to Martha Stewart and Hillary Rodham Clinton American women have grappled with a sometimes dizzying rate of social and economic change and continually shifting conceptions of gender This collection of documents seeks to chronicle the exciting and tumultuous recent history of American women beginning with the watershed event of World War II and the lasting impact of the war effort on women's social and economic opportunities Subsequent documents speak to the ideas and changes brought about by the women's movement the challenges to and defense of reproductive rights the backlash against feminism in the name of family values and new visions for women's lives in the twenty first century American Women's History Susan Ware, 2015-02-15 In 1607 Powhatan teenager Pocahontas first encountered English settlers when John Smith was brought to her village as a captive In 1920 the ratification of the 19th Amendment gave women the constitutional right to vote And in 2012 the U S Marine Corps lifted its ban on women in active combat allowing female marines to join the sisterhood of American women who stand at the center of this country's history Between each of these signal points runs the multi layered experience of American women from pre colonization to the present In *American Women's History A Very Short Introduction* Susan Ware emphasizes the richly diverse experiences of American women as they were shaped by factors such as race class religion geographical location age and sexual orientation The book begins with a comprehensive look at early America with gender at the center making it clear that women's experiences were not always the same as men's and looking at the colonizers as well as the colonized along with issues of settlement slavery and regional variations She shows how women's domestic and waged labor shaped the Northern economy and how slavery affected the lives of both free and enslaved Southern women Ware then moves through the tumultuous decades of industrialization and urbanization describing the 19th century movements led by women temperance moral reform and abolitionism She links women's experiences to the familiar events of the Civil War the Progressive Era and World War I culminating in 20th century female activism for civil rights and successive waves of feminism Ware explores the major transformations in women's history with attention to a wide range of themes from political activism to popular culture the work force and the family From Anne Bradstreet to Ida B Wells to Eleanor Roosevelt this *Very Short Introduction* recognizes women as a force in American history and more importantly tells women's history as American history At the core of Ware's narrative is the recognition that gender the changing historical and cultural constructions of roles assigned to the biological differences of the sexes is central to understanding the history of American women's lives and to the history of the United States ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective

new ideas and enthusiasm to make interesting and challenging topics highly readable

Women Building History Wanda Corn, 2023-09-01 This handsomely illustrated book is a welcome addition to the history of women during America's Gilded Age Wanda M Corn takes as her topic the grand neo classical Woman's Building at the 1893 Columbian Exposition in Chicago a structure celebrating modern woman's progress in education arts and sciences Looking closely at the paintings and sculptures women artists made to decorate the structure including the murals by Mary Cassatt and Mary MacMonnies Corn uncovers an unspoken but consensual program to visualize a history of the female sex and promote an expansion of modern woman's opportunities Beautifully written with informative sidebars by Annelise K Madsen and artist biographies by Charlene G Garfinkle this volume illuminates the originality of the public images female artists created in 1893 and inserts them into the complex discourse of fin de siècle woman's politics The Woman's Building offered female artists an unprecedented opportunity to create public art and imagine an historical narrative that put women rather than men at its center

Working Women in American Literature, 1865-1950 Miriam S. Gogol, 2020-07-07 Working Women in American Literature 1865 1950 consists of eight original essays by literary historical and multicultural critics on the subject of working women in late nineteenth to mid twentieth century American literature The volume examines how the American working woman has been presented misrepresented and underrepresented in American realistic and naturalistic literature 1865 1930 and by later authors influenced by realism and naturalism Points explored include the historical vocational realities of working women e g factory workers seamstresses maids teachers writers prostitutes etc the distortions in literary representations of female work the ways in which these representations still inform the lives of working women today and new perspectives from queer theory immigrant studies and race and class analyses These essays draw on current feminist thought while remaining mindful of the historicity of the context The essayists discuss important women writers of the period for instance Ellen Glasgow Charlotte Perkins Gilman Rachel Crothers Willa Cather and the understudied Ann Petry as well as canonical writers like Theodore Dreiser Henry James and William Dean Howells The discussions touch on a variety of literary and artistic genres novels short stories other forms of fiction biographies dramas and films In the introductory essay and throughout the collection the term working women in the United States is deconstructed the historical and cultural definitions of work and the words work in America are redefined through the lens of genders

The Religious History of American Women Catherine A. Brekus, 2009-11-13 More than a generation after the rise of women's history alongside the feminist movement it is still difficult observes Catherine Brekus to locate women in histories of American religion Mary Dyer a Quaker who was hanged for heresy Lizzie Robinson a former slave and laundress who sold Bibles door to door Sally Priesand a Reform rabbi Estela Ruiz who saw a vision of the Virgin Mary how do these women's stories change our understanding of American religious history and American women's history In this provocative collection of twelve essays contributors explore how considering the religious history of American women can transform our dominant historical

narratives Covering a variety of topics including Mormonism the women s rights movement Judaism witchcraft trials the civil rights movement Catholicism everyday religious life Puritanism African American women s activism and the Enlightenment the volume enhances our understanding of both religious history and women s history Taken together these essays sound the call for a new more inclusive history Contributors Ann Braude Harvard Divinity School Catherine A Brekus University of Chicago Divinity School Anthea D Butler University of Rochester Emily Clark Tulane University Kathleen Sprows Cummings University of Notre Dame Amy Koehlinger Florida State University Janet Moore Lindman Rowan University Susanna Morrill Lewis and Clark College Kristy Nabhan Warren Augustana College Pamela S Nadell American University Elizabeth Reis University of Oregon Marilyn J Westerkamp University of California Santa Cruz

[The Life and Times of Elizabeth Upham Yates](#) Shannon M. Risk,2023-03-20 Elizabeth Upham Yates 1857 1942 was a nationally known reformer in the United States in the fields of temperance women s suffrage simple living and missionary work The Life and Times of Elizabeth Upham Yates A Crusader for Women s Suffrage Temperance and Missionary Work documents Yates s life from her coastal Maine origins through her missionary activities in China in the 1880s to her political career in the 1920s Upon her return from China to the United States Yates s reputation grew as a master orator who stirred the suffrage spirit on campaign trails across the country In 1920 the first year that women could campaign for office in Rhode Island she ran for the Democratic ticket for lieutenant governor earning 50 000 votes She railed against jingoists like Theodore Roosevelt in the New York Times and chastised male political leadership for ignoring the lynching crisis During her long career her suffrage sisters memorialized her as a prophet and a dreamer Shannon M Risk draws on sources ranging from regional histories and shipping passenger manifests to archival papers at the Library of Congress and Yates s own writing to shed new light on this suffragist s life and work

Girlhood in America Miriam Forman-Brunell,2001-06-08 This groundbreaking reference work presents more than 100 articles by 98 high profile interdisciplinary scholars covering all aspects of girls roles in American society past and present In this comprehensive readable two volume encyclopedia experts from a variety of disciplines contribute pieces to the puzzle of what it means and what it has meant over the last 400 years to be a girl in America The portrait that emerges reveals deep differences in girls experiences depending on socioeconomic context religious and ethnic traditions family life schools institutions and the messages of consumer and popular culture Girls have been commodified idealized trivialized eroticized and shaped by the powerful forces of popular culture from Little Women to Barbie Yet girls are also powerful co creators of the culture that shapes them often cleverly subverting it to their own purposes From Pocahontas to punk rockers girls have been an integral if overlooked and undervalued part of American culture

[Front Pages, Front Lines](#) Linda Steiner,Carolyn Kitch,Brooke Kroeger,2020-03-09 Suffragists recognized that the media played an essential role in the women s suffrage movement and the public s understanding of it From parades to going to jail for voting activists played to the mass media of their day They also created an energetic niche media of suffragist journalism and publications This

collection offers new research on media issues related to the women's suffrage movement Contributors incorporate media theory historiography and innovative approaches to social movements while discussing the vexed relationship between the media and debates over suffrage Aiming to correct past oversights the essays explore overlooked topics such as coverage by African American and Mormon oriented media media portrayals of black women in the movement suffragist rhetorical strategies elites within the movement suffrage as part of broader campaigns for social transformation and the influence views of white masculinity had on press coverage Contributors Maurine H Beasley Sherilyn Cox Bennion Jinx C Broussard Teri Finneman Kathy Roberts Forde Linda M Grasso Carolyn Kitch Brooke Kroeger Linda J Lumsden Jane Marcellus Jane Rhodes Linda Steiner and Robin Sundaramoorthy

Teaching American History in a Global Context

Carl J. Guarneri, Jim Davis, 2015-07-17 This comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of American history It includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view The contributors include well known American history scholars as well as gifted classroom teachers and the book's emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education America in the World and the World in America in their courses The book also includes a Views from Abroad section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants A comprehensive annotated guide directs teachers to additional print and online resources

The Clubwomen's Daughters Gwen Tarbox, 2014-04-23 The author provides an interdisciplinary cultural study of the evolution of Progressive era girls peer groups their representation in popular girls fiction and the influence of these communities both real and fictional upon young women's lives during the years leading up to the Second World War The writers featured in this volume were the first generation of New Women whose ability to enter traditionally male spaces such as the college campus the playing field the wilderness and the office was facilitated by their membership in women's clubs political and religious organizations and athletic teams Eager to promote the idea that same sex group activities would lead to female empowerment these clubwomen targeted young girls as their intended audience and developed an idealized fictional portrait of female cooperation that girls could replicate in their own lives By adding to our knowledge of girls cultural history the author gives voice to a segment of the population that was and still is at the center of society's debates concerning the appropriate roles for girls and women Authors discussed include Louisa May Alcott Emma Dunham Kelley Laura Lee Hope pseudonym for Lilian Garis Carolyn Keene pseudonym for Mildred Wirt Benson and Margaret Sutton

Jewish Serials of the World Robert Singerman, 2000-11-30 Jewish journalism history is a growing field of active research as evidenced by the growing number of new serials devoted to it Given the geographic extent of the Jewish diaspora the Jewish press offers valuable primary source materials for any historical study of the Jewish people The social and intellectual history of the Jews

in modern times can similarly be advanced by an examination of the Jewish press of the world This volume the first supplement to Jewish Serials of the World A Research Bibliography continues and extends the bibliographic coverage to include 3 000 new entries The new volume s classified arrangement enhanced by author and subject indexes provide up to date coverage of all pertinent research including theses and dissertations on Jewish press and journalism history throughout the world in all languages This new bibliography is indispensable for libraries supporting academic programs in Jewish Studies and journalism as well as area studies Singerman s coverage of the studies and research about the Jewish press is broadly defined his scope is worldwide and all pertinent languages are treated The 3 000 entries are verified and bibliographically complete and special efforts have been made to analyze hidden sections on the Jewish press buried within larger more expansive studies of related topics The entries are organized into regional subcategories Together with the foundation volume over 6 000 entries are provided making this an important addition to any libraries with Jewish Studies or journalism collections

Women's Rights, Racial Integration, and Education from 1850-1920 M. Noraian,2009-11-09 This historical biography examines Sarah Raymond Fitzwilliam s abolitionist roots growing up on a stop of the Underground Railroad her training at a normal school her tenure as a teacher principal and the nation s first city school superintendent Bloomington Illinois 1874 1892

Who Gets to Go Back-to-the-Land? Valerie Padilla Carroll,2022-12 In Who Gets to Go Back to the Land Valerie Padilla Carroll examines a variety of media from the last century that proselytized self sufficiency as a solution to the economic instability environmental destruction and perceived disintegration of modern America In the early twentieth century books already advocated an escape for the urban white collar male The suggestion became more practical during the Great Depression and magazines pushed self sufficiency lifestyles By the 1970s the idea was reborn in newsletters and other media as a radical response to a damaged world allowing activists to promote the simple life as environmental gender and queer justice At the century s end a great variety of media promoted self sufficiency as the solution to a different set of problems from survival at the millennium to wanderlust of millennials Nevertheless these utopian narratives are written overwhelmingly for a particular audience one that is white male and white collar Padilla Carroll s archival research of the books newspapers magazines newsletters websites blogs and videos promoting the life of the agrarian smallholder illuminates how embedded race class gender and heteronormative dogmas in these texts reinforce dominant power ideologies and ignore the experiences of marginalized people Still Padilla Carroll also highlights how those left out have continued to demand inclusion by telling their own stories of self sufficiency rewriting and reimagining the movement to be collaborative inclusive and rooted in both human and ecological justice

Women and the American Experience Nancy Wolooh,1994

The Gay and Lesbian Liberation Movement Margaret Cruikshank,2014-04-04 Gay and lesbian liberation as a sexual freedom movement as a political movement and as a movement of ideas historical roots legal issues and links with other movements The author emphasises the role of women

Love and Power in the Nineteenth Century Virginia Jeans

Laas,1998-01-01 This fascinating biography of a Gilded Age marriage closely examines the dynamic flow of power control and love between Washington blue blood Violet Blair and New Orleans attorney Albert Janin Based on their voluminous correspondence as well as Violet s extensive diaries it offers a thoroughly intimate portrait of a fifty four year union which in many ways conformed to societal norms yet always redefined itself in order to fit the needs and willfulness of both husband and wife With abundant documentary evidence to draw on Laas ties this compelling story to broader themes of courtship behavior domesticity gender roles extended family bonds elitism and societal stereotyping Deeply researched and beautifully written Love and Power in the Nineteenth Century has the dual virtue of making an important historical contribution while also appealing to a broad popular audience *Freedom Is Not Enough* James T. Patterson,2010-05-04 On June 4 1965 President Lyndon Johnson delivered what he and many others considered the greatest civil rights speech of his career Proudly Johnson hailed the new freedoms granted to African Americans due to the newly passed Civil Rights Act and Voting Rights Act but noted that freedom is not enough The next stage of the movement would be to secure racial equality as a fact and a result The speech was drafted by an assistant secretary of labor by the name of Daniel Patrick Moynihan who had just a few months earlier drafted a scorching report on the deterioration of the urban black family in America When that report was leaked to the press a month after Johnson s speech it created a whirlwind of controversy from which Johnson s civil rights initiatives would never recover But Moynihan s arguments proved startlingly prescient and established the terms of a debate about welfare policy that have endured for forty five years The history of one of the great missed opportunities in American history *Freedom Is Not Enough* will be essential reading for anyone seeking to understand our nation s ongoing failure to address the tragedy of the black underclass *A Documentary History of Religion in America* Edwin Scott Gaustad,Mark A. Noll,Heath W. Carter,2018 Students and scholars have long turned to the two volume *Documentary History of Religion in America* for access to the most significant primary sources relating to American religious history Published here in a single volume for the first time the work in this fourth edition has been both updated and condensed allowing instructors to more easily use the material in one semester ***Mass Media and the Shaping of American Feminism, 1963-1975*** Patricia Bradley,2009-09-18 Beginning in 1963 with the publication of Betty Friedan s *The Feminine Mystique* and reaching a high pitch ten years later with the televised mega event of the Battle of the Sexes the tennis match between Billie Jean King and Bobby Riggs the mass media were intimately involved with both the distribution and the understanding of the feminist message This mass media promotion of the feminist profile however proved to be a double edged sword according to Patricia Bradley author of *Mass Media and the Shaping of American Feminism 1963 1975* Although millions of women learned about feminism by way of the mass media detrimental stereotypes emerged overnight Often the events mounted by feminists to catch the media eye crystalized the negative image All feminists soon came to be portrayed in the popular culture as bra burners and strident women Such depictions not only demeaned the achievements of their movement

but also limited discussion of feminism to those subjects the media considered worthy primarily equal pay for equal work Bradley's book examines the media traditions that served to curtail understandings of feminism Journalists following the craft formulas of their trade equated feminism with the bizarre and the unusual Even women journalists could not overcome the rules of What Makes News By the time Billie Jean King confronted Bobby Riggs on the tennis court feminism had become a commodity to be shaped to attract audiences Finally in mass media's pursuit of the new counter feminist messages came to replace feminism on the news agenda and helped set in place the conservative revolution of the 1980s Bradley offers insight into how mass media constructs images and why such images have the kind of ongoing strength that discourages young women of today from calling themselves feminist The author also asks how public issues are to be raised when those who ask the questions are negatively defined before the issues can even be discussed Mass Media and the Shaping of American Feminism 1963 1975 examines the media's role in creating the images of feminism that continue today And it poses the dilemma of a call for systematic change in a mass media industry that does not have a place for systematic change in its agenda

Thank you entirely much for downloading **Modern American Women A Documentary History**. Most likely you have knowledge that, people have seen numerous times for their favorite books taking into account this Modern American Women A Documentary History, but stop stirring in harmful downloads.

Rather than enjoying a fine book in the same way as a mug of coffee in the afternoon, instead they juggled later some harmful virus inside their computer. **Modern American Women A Documentary History** is easily reached in our digital library with an online permission to it is set as public in view of that you can download it instantly. Modern American Women A Documentary History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern American Women A Documentary History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern American Women A Documentary History has opened up a world of possibilities. Downloading Modern American Women A Documentary History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern American Women A Documentary History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern American Women A Documentary History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern American Women A Documentary History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern American Women A Documentary History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern American Women A Documentary History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modern American Women A Documentary History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modern American Women A Documentary History is one of the best book in our library for free trial. We provide copy of Modern American Women A Documentary History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Modern American Women A Documentary History. Where to download Modern American Women A Documentary History online for free? Are you looking for Modern American Women A Documentary History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Modern American Women A Documentary History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
