Living Class in Urban India Sara Dickey, 2016-07-14 Many Americans still envision India as rigidly caste bound locked in traditions that inhibit social mobility In reality class mobility has long been an ideal and today globalization is radically transforming how India's citizens perceive class Living Class in Urban India examines a nation in flux bombarded with media images of middle class consumers while navigating the currents of late capitalism and the surges of inequality they can produce Anthropologist Sara Dickey puts a human face on the issue of class in India introducing four people who live in the second tier city of Madurai an auto rickshaw driver a graphic designer a teacher of high status English and a domestic worker Drawing from over thirty years of fieldwork she considers how class is determined by both subjective perceptions and objective conditions documenting Madurai residents palpable day to day experiences of class while also tracking their long term impacts By analyzing the intertwined symbolic and economic importance of phenomena like wedding ceremonies religious practices philanthropy and loan arrangements Dickey's study reveals the material consequences of local class identities Simultaneously this gracefully written book highlights the poignant drive for dignity in the face of moralizing class stereotypes Through extensive interviews Dickey scrutinizes the idioms and commonplaces used by residents to justify class inequality and occasionally to subvert it Along the way Living Class in Urban India reveals the myriad ways that class status is interpreted and performed embedded in everything from cell phone usage to religious worship

The Living Elephants Raman Sukumar, 2003-09-11 The Living Elephants is the authoritative resource for information on both Asian and African elephants From the ancient origins of the proboscideans to the present day crisis of the living elephants this volume synthesizes the behavior ecology and conservation of elephants while covering also the history of human interactions with elephants all within the theoretical framework of evolutionary biology The book begins with a survey of the 60 million year evolutionary history of the proboscideans emphasizing the role of climate and vegetation change in giving rise to a bewildering array of species but also discussing the possible role of humans in the late Pleistocene extinction of mastodons and mammoths The latest information on the molecular genetics of African and Asian elephants and

its taxonomic implications are then presented The rise of the elephant culture in Asia and its early demise in Africa are traced along with an original interpretation of this unique animal human relationship The book then moves on to the social life of elephants as it relates to reproductive strategies of males and females development of behavior in young communication ranging patterns and societal organization The foraging strategies of elephants their impact on the vegetation and landscape are then discussed The dynamics of elephant populations in relation to hunting for ivory and their population viability are described with the aid of mathematical models A detailed account of elephant human interactions includes a treatment of crop depredation by elephants in relation to their natural ecology manslaughter by elephants habitat manipulation by humans and a history of the ivory trade and poaching in the two continents The ecological information is brought together in the final chapter to formulate a set of pragmatic recommendations for the long term conservation of elephants The broadest treatment of the subject yet undertaken by one of the leading workers in the field Raman Sukumar the book promises to bring the understanding of elephants to a new level It should be of interest not only to biologists but also a broader audience including field ecologists wildlife administrators historians conservationists and all those interested in elephants and their future

A Regional Contemporary C. J. W.-L. Wee, 2025-03-18 The first critical account of the enormous upsurge in cultural expression across Asian countries from 1979 2008 and the new possibilities it presented for the aesthetic and cultural re imagining of a unified contemporary Asia Biennial style art exhibitions New discourses in modern and contemporary art The production and circulation of increasingly debordered popular culture A Regional Contemporary by C J W L Wee is an investigative account of the dramatic increase in cultural expression in Asia from 1979 to 2008 with the 1990s as the focal point of this period The so called East Asian miracle Wee argues projected a fictive but shared contemporary regional identity onto Northeast and Southeast Asia collectively taken as East Asia The new cultural explosion was notably enabled by expanded capitalist energies that reached a level critical enough to reposition the region s postcolonial and Cold War era nationalisms and this book examines the resulting implications A sophisticated and compelling study A Regional Contemporary is the first to examine the conjunction of high and popular culture in the region Moreover Wee reveals how the various cultural formations of this regional contemporary were able to traverse if not overcome uneven national economies the memory of Japanese empire and the geopolitical rifts of post Cold War nationalisms While foregrounding new cultural expression Wee simultaneously examines how novel economic conditions bolstered a more confident questioning of Western modernity s dominance and enhanced the capacity for regional dialogue in the bid to overcome colonial era legacies even as those legacies were being absorbed into the region

Living in the Ottoman Lands: Identities Administration and Warfare Burhan Çağlar,Ömer Faruk Can,Hacer Kılıçaslan,2021-03-01 The long and elaborate past of the Ottoman Empire encompassing a wide geographical area presents a mosaic of knowledge and acquisition of experience Upon this complicated and plural nature Ottoman history looks like a puzzle that requires a wealth of skills and approaches to decipher The foremost step to achieve this sophisticated task is to go beyond the borders of formalistic narratives and gain a multiplicity of perspectives through collaborative studies This

book is one of the outputs of such cooperation toward a more comprehensive Ottoman historiography The first part entitled Religious Identities Intercommunal Relations and Social Life focuses on the communal structure of the Ottoman society In this part the transformation of the multilingual multi ethnic and multi religious empire and of the world around it is discussed on the basis of changes in social and administrative structures The second part Administration and Business in the Center or Periphery consists of the studies on the administrative instruments of the political and economic reforms in the 19th century Ottoman world and the way these instruments reshaped market mechanisms The third part entitled Personal Documents Public Prints and Medical Approaches contains articles on personal narratives diaries travel notes and the Ottoman press The final part which discusses the military and geopolitical strategies that the Ottoman Empire followed throughout its journey from a principality to an empire is entitled Warfare and Intelligence In the book a panorama of the empire s lifestyle is manifested and the course of history is outlined from various perspectives It analyses the story of the Ottomans based on various personal communal social economic and military affairs Public Theology in an Age of World Christianity P. Chung, 2010-04-26 This book aims to rearticulate and reinterpret a Christian concept of God s mission and evangelization in light of the universal irregular and transversal horizon of God s narrative as it pertains to the realities of public sphere

The Penguin Handbook of the World's Living Religions John R. Hinnells, 2010-03-25 Comprehensive informative and authoritative The Penguin Handbook of the World s Living Religions is compiled by a team of leading international scholars and is the definitive guide to the religious belief systems and practices of the world today This in depth survey of active religions has now been fully updated to include modern developments and the most recent scholarship It explains the sources and history of the world s religions includes material on the phenomenon of Black African and Asian diaspora religions around the world and explores the role of gender in modern religion **Creative Practice as a Way of Life** Eddie

Tay, 2024-03-12 This book combines autoethnographic reflections poetry and photography with the aim to bridge the gap between creative practice and scholarly research Drawing on an innovative combination of different forms of knowledge creative writing and street photographs are presented as means to reflect on the development of knowledge and self knowledge through a thought provoking dialogue with Roland Barthes post structuralist work What does it mean to be a creative practitioner in a world traversed by values of capitalism and artificial intelligence What does it mean to teach creative practices in such an environment The urban landscape of Singapore with the Jewel Changi mall the Universal Studios and Little India in the background is the stage where the capitalist demands of modern city life grapple with the solitary act of writing poetry and taking photographs through the personal experience of the author Capitalist realism and depression realism entwine with Barthes notion of vita nova in a mesmerizing phantasmagoria that drags the reader to the bowels and secret pleasures of the creative process **Living Islam** Magnus Marsden, 2005-12-19 Popular representations of Pakistan s North West Frontier have long featured simplistic images of tribal blood feuds fanatical religion and the

seclusion of women The rise to power of the radical Taliban regime in neighbouring Afghanistan enhanced the region's reputation as a place of anti-Western militancy Magnus Marsden is an anthropologist who has immersed himself in the lives of the Frontier's villagers for more than ten years His evocative study of the Chitral region challenges all these stereotypes Through an exploration of the everyday experiences of both men and women he shows that the life of a good Muslim in Chitral is above all a mindful life enhanced by the creative force of poetry dancing and critical debate Challenging much that has been assumed about the Muslim world this 2005 study makes a powerful contribution to the understanding of religion and politics both within and beyond the Muslim societies of southern Asia

Two Studies of Kinship in London Raymond Firth, 2020-12-22 In 1947 members of the Department of Anthropology at the London School of Economics under the leadership of Professor Firth made a study of kinship in a South London borough More recently to provide comparative material Professor Garigue investigated kinship patterns among Italian immigrants in London The results of these two pioneering studies are here presented with an introductory essay by Professor Firth This book is an important contribution both to the intensive study of modern urban society and to the more technical discipline of kinship especially the relatively neglected problems of bilateral systems

Cultivating the Past, Living the Modern Amal Sachedina, 2021-09-15 *Cultivating the Past Living the Modern* explores how and why heritage has emerged as a prevalent force in building the modern nation state of Oman Amal Sachedina analyses the relations with the past that undergird the shift in Oman from an Ibadi shari'a Imamate 1913-1958 to a modern nation state from 1970 onwards Since its inception as a nation state material forms in the Sultanate of Oman such as old mosques and shari'a manuscripts restored forts national symbols such as the coffee pot or the dagger khanjar and archaeological sites have saturated the landscape becoming increasingly ubiquitous as part of a standardized public and visual memorialization of the past Oman's expanding heritage industry exemplified by the boom in museums exhibitions street montages and cultural festivals shapes a distinctly national geography and territorialized narrative But *Cultivating the Past Living the Modern* demonstrates there are consequences to this celebration of heritage As the national narrative conditions the way people ethically work on themselves through evoking forms of heritage it also generates anxieties and emotional sensibilities that seek to address the erasures and occlusions of the past

Theater of Cruelty Ian Buruma, 2014-09-16 Winner of the PEN Diamonstein Spielvogel Award for the Art of the Essay Ian Buruma is fascinated he writes by what makes the human species behave atrociously In *Theater of Cruelty* the acclaimed author of *The Wages of Guilt* and *Year Zero A History of 1945* once again turns to World War II to explore that question to the Nazi occupation of Paris the Allied bombing of German cities the international controversies over Anne Frank's diaries Japan's militarist intellectuals and its kamikaze pilots One way that people respond to power and cruelty Buruma argues is through art and the art that most interests him reveals the dark impulses beneath the veneer of civilized behavior This is what draws him to German and Japanese artists such as Max Beckmann George Grosz Ernst Ludwig Kirchner Mishima Yukio and Yokoo

Tadanori as well as to filmmakers such as Werner Herzog Rainer Werner Fassbinder Kurosawa Kiyoshi and Hans J rgen Syberberg All were affected by fascism and its terrible consequences all looked into the abyss and made art of what they saw Whether he is writing in this wide ranging collection about war artists or film or about David Bowie s music R Crumb s drawings the Palestinians of the West Bank or Asian theme parks Ian Buruma brings sympathetic historical insight and shrewd aesthetic judgment to understanding the diverse ways that people deal with violence and cruelty in life and in art Theater of Cruelty includes eight pages of color and black white images

Modern Asian Living Introduction

In today's digital age, the availability of Modern Asian Living books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Modern Asian Living books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Modern Asian Living books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Modern Asian Living versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Modern Asian Living books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Modern Asian Living books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Modern Asian Living books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Modern Asian Living books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Modern Asian Living books and manuals for download and embark on your journey of knowledge?
