Car & Motorcycle Slang Lewis Poteet, 2000-07-24 Authors Lewis J Poteet and Aaron C Poteet father and son also wrote Hockey talk a dictionary of Hockey slang This book was born out of the son s lifelong fascination with Police crime and justice and his father s love of language Lewis has written or co authored numerous slang word and phrase books including Plane Talk Car Talk and The South Shore Phrase Book Lewis taught English for 32 years at Concordia University in Montreal and in winter 2000 was adjunct instructor in English at Austin TX Community College Aaron holds a bachelor s degree in criminal justice from Northeastern University in Boston As a sometime wayward youth he walked the city streets at night as neighborhood patrol Guardian Angel even vigilante His near obsession with the street led to work in the most

thankless profession known to man's law enforcement and he loved almost every minute of it working for the better part of a decade as a Special Police Officer in Boston and then briefly with the Austin Police Department. He now works for a large corporation in field collections. Gathered from live conversation and printed sources, this book presents the lively language of car and motorcycle fans with entries also from car parts men, mechanics, car salesmen, and ordinary drivers. Drawn from California, Canada, Texas, Boston, England, Belize, and other places, it evokes the terror, the joy, the pride, the troubles that come from these Rube Goldbergish unholy alliances of fire and water, gasoline, steel, and rubber designed to drag our bodies down the highway at unlawful speeds and get us caught in horrendous traffic jams or travel freely in the land of the free and the home of the brave. This informative guide is definitely a must-read book for car and motorcycle enthusiasts. This will help you familiarize with the lingo from greasy motor engines to racing cars.
