**The Oxford History of English Lexicography** A. P. Cowie, 2008-12-04 These substantial volumes present the fullest account yet published of the lexicography of English from its origins in medieval glosses through its rapid development in the eighteenth century to a fully established high tech industry that is as reliant as ever on learning and scholarship The history covers dictionaries of English and its national varieties including American English with numerous references to developments in Europe and elsewhere which have influenced the course of English lexicography Part one of Volume I explores the early development of glosses and bilingual and multilingual dictionaries and examines their influence on lexicographical methods and ideas Part two presents a systematic history of monolingual dictionaries of English and includes extensive chapters on Johnson Webster and his successors in the USA and the OED It also contains descriptions of the development of dictionaries of national and regional varieties and of Old and Middle English and concludes with an account of the computerization of the OED The specialized dictionaries described in Volume II include dictionaries of science dialects synonyms etymology pronunciation slang and cant quotations phraseology and personal and place names This volume also includes an account of the inception and development of dictionaries developed for particular users especially foreign learners of English The Oxford History of English Lexicography unites scholarship with readability It provides a unique and accessible reference for scholars and professional lexicographers and offers a series of fascinating encounters with the men and women involved over the centuries in the making of works of profound national and linguistic importance *Car & Motorcycle Slang* Lewis Poteet, 2000-07-24 Authors Lewis J Poteet and Aaron C Poteet father and son also wrote *Hockey talk* a dictionary of Hockey slang This book was born out of the son's lifelong fascination with Police crime and justice and his father's love of language Lewis has written or co authored numerous slang word and phrase books including *Plane Talk Car Talk* and *The South Shore Phrase Book* Lewis taught English for 32 years at Concordia University in Montreal and in winter 2000 was adjunct instructor in English at Austin TX Community College Aaron holds a bachelor's degree in criminal justice from Northeastern University in Boston As a sometime wayward youth he walked the city streets at night as neighborhood patrol Guardian Angel even vigilante His near obsession with the street led to work in the most thankless profession known

to man's law enforcement and he loved almost every minute of it working for the better part of a decade as a Special Police Officer in Boston and then briefly with the Austin Police Department. He now works for a large corporation in field collections. Gathered from live conversation and printed sources, this book presents the lively language of car and motorcycle fans with entries also from car parts men, mechanics, car salesmen, and ordinary drivers. Drawn from California, Canada, Texas, Boston, England, Belize, and other places, it evokes the terror, the joy, the pride, the troubles that come from these Rube Goldbergish unholy alliances of fire and water, gasoline, steel, and rubber designed to drag our bodies down the highway at unlawful speeds and get us caught in horrendous traffic jams or travel freely in the land of the free and the home of the brave. This informative guide is definitely a must-read book for car and motorcycle enthusiasts. This will help you familiarize with the lingo from greasy motor engines to racing cars. *Slangs Dictionary of Unconventional English* Salim Khan
