R. Stirling Taylor,1921 *Modern English Statesmen (Classic Reprint)* George Robert Stirling Taylor,2015-07-01 Excerpt from Modern English Statesmen It is one of the unsolved problems of history whether great statesmen rule their country or whether they merely register the desires and opinions of their age their race and their nation It is the question whether great men govern or obey It is no answer to produce a royal proclamation or a chancellor s ruling or even the statute book of an elected parliament The fundamental mystery still remains whether any man or parliament however despotic or however wise has ever made a people do anything that was outside the tradition of the race It is the problem whether racial or national tradition is not altogether more powerful than the orders of the most masterful government that ever existed Did Augustus order the Roman people to obey him as their emperor or did the united impulse of the republican citizens order Augustus to organize them as an Empire Would it not be near the truth to say that the people of Rome had already made themselves into a despotism long before they allowed Augustus to act so openly Did the late German Emperor rule the Germans or did he carry out the imperious will of that race Were they servile to him or was he servile to them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Modern English Statesmen George Robert Stirling Taylor,1923 Modern English Statesmen George Robert Stirling Taylor,1920 The United States Catalog ,1924 The International Review ,1881 Studies in History Henry Cabot Lodge,1884 America ,1922 The Jesuit review of faith and culture Nov 13 2017
