Educating Greek Americans Fevronia K. Soumakis, Theodore G. Zervas, 2020-05-19 This edited collection considers Greek American formal and informal educational efforts institutions and programs broadly conceived as they evolved over time throughout the United States The book s focus on Greek Americans aims to highlight the vast array of educational responses to local needs and contexts as this distinct yet heterogeneous immigrant community sought to maintain its linguistic cultural and religious heritage for over one hundred years The chapters in this volume amend the scholarly literature that thus far has not only overlooked Greek American educational initiatives but has also neglected to recognize and analyze the community s persistence in sustaining them This book is an important contribution to an understanding of Greek Americans long overdue history as a significant diaspora community within an American context
