Modern History Of Japan 2nd Edition

H. E. Chehabi, David Motadel

Modern History Of Japan 2nd Edition:

A Modern History of Japan Andrew Gordon, 2019 In *The Modern History of Japan From Tokugawa Times to the Present* Andrew Gordon paints a richly nuanced and strikingly original portrait of the last two centuries of Japanese history He takes students from the days of the shogunate the feudal overlordship of the Tokugawa family through the modernizing revolution launched by midlevel samurai in the late nineteenth century the adoption of Western hairstyles clothing and military organization and the nation's first experiments with mass democracy after World War I Gordon offers the finest synthesis to date of Japan's passage through militarism World War II the American occupation and the subsequent economic rollercoaster But the true ingenuity and value of Gordon's approach lies in his close attention to the non elite layers of society Here students will see the influence of outside ideas products and culture on home life labor unions political parties gender relations and popular entertainment The book examines Japan's struggles to define the meaning of its modernization from villages and urban neighborhoods to factory floors and middle managers offices to the imperial court Most importantly it illuminates the interconnectedness of Japanese developments with world history demonstrating how Japan's historical passage represents a variation of a process experienced by many nations and showing how the Japanese narrative forms one part of the interwoven fabric of modern history With a sustained focus on setting modern Japan in a comparative and global context *The Modern History of Japan* is ideal for undergraduate courses in modern Japanese history Japanese politics Japanese society or Japanese culture *Japanese History & Culture from Ancient to Modern Times* John W. Dower, 1986

The Relentless Revolution: A History of Capitalism Joyce Appleby, 2011-03-07 Splendid the global history of capitalism in all its creative and destructive glory New York Times Book Review With its deep roots and global scope the capitalist system seems universal and timeless The framework for our lives it is a source of constant change sometimes measured and predictable sometimes drastic out of control Yet what is now ubiquitous was not always so Capitalism was an unlikely development when it emerged from isolated changes in farming trade and manufacturing in early modern England Astute observers began to notice these changes and register their effects Those in power began to harness these new practices to the state enhancing both A system generating wealth power and new ideas arose to reshape societies in a constant surge of change Approaching capitalism as a culture as a historical development that was by no means natural or inevitable Joyce Appleby gives us a fascinating introduction to this most potent creation of mankind from its origins to its present global reach

The Statesman's Yearbook 2006 B. Turner, 2017-02-07 For one hundred and forty two years *The Statesman's Yearbook* has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The 2006 edition is fully updated and contains more information than ever before A foldout colour section provides a political world map and flags for the one hundred and ninety two countries of the world In an endlessly changing world the annual publication of *The Statesman's Yearbook* gives you all of the information you need in

one easily digestible single volume It will save hours of research and cross referencing between different sources and it is an essential annual purchase **The Statesman's Yearbook 2011** B. Turner,2017-01-12 Now in its 147th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is an essential resource **Japan** Milton W. Meyer,2012-08-09 The emergence of Japan as a political and economic global power has been one of the most remarkable success stories of modern history Though small in geographic area the archipelago is the tenth most populous country with 128 million inhabitants crowded into an area the size of Montana Its natural resources are almost nonexistent yet today it ranks only second after the much larger United States as the most affluent and economically productive nation in the world Its rich cultural heritage and high tech society are equally vibrant For all readers wanting to better understand this dynamic country this popular and accessible introduction offers an authoritative yet concise overview of two thousand years of Japanese history Now fully updated to the present this edition also includes an array of photographs and illustrations The first half of the book explores the pre Meiji era up to 1868 The second half traces domestic changes and relevant foreign issues in the modernizing era launched by the Meiji Restoration Highlighting key historical events Milton W Meyer also includes cultural artistic and religious milestones Summaries and datelines at the end of each chapter as well as a glossary offer additional essential reference points With its clear explanations of Japanese traditions religion history economics politics and relations with the West this book provides an invaluable guide for understanding contemporary Japan **Africa, Asia, and South America Since 1800** A. J. H. Latham,1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin s Press Annotation copyright Book News Inc Portland Or *The Political History of Modern Japan* Kitaoka Shinichi,2018-10-10 Spanning the 130 year period between the end of the Tokugawa Era and the end of the Cold War this book introduces students to the formation collapse and rebirth of the modern Japanese state It demonstrates how faced with foreign threats Japan developed a new governing structure to deal with these challenges and in turn gradually shaped its international environment Had Japan been a self sufficient power like the United States it is unlikely that external relations would have exercised such great control over the nation And if it were a smaller country it may have been completely pressured from the outside and could not have influenced the global stage on its own For better or worse therefore this book argues Japan was neither too large nor too small Covering the major events actors and institutions of Japan s modern history the key themes discussed include Building

the Meiji state and Constitution The establishment of Parliament The First Sino Japanese and Russo Japanese Wars Party Politics and International Cooperation The Pacific War Development of LDP politics Changes in the international order and the end of the Cold War This book written by one of Japan's leading experts on Japan's political history will be an essential resource for students of Japanese modern history and politics **The Statesman's Yearbook 2009** B. Turner,2017-01-12 This edition is fully updated and contains more information and analysis than ever before A foldout colour section provides a political world map and flags for all 193 countries Each copy comes with online access to the full text at no extra cost Unlimited user upgrades are also available for libraries who wish to network the data **The Modern World** Sarolta Takacs,Mounir Farah,2015-03-04 Designed to meet the curriculum needs for students from grades 7 to 12 this five volume encyclopedia explores world history from approximately 5000 C E to the present Organized alphabetically within geographical volumes on Africa Europe the Americas the Middle East and Southwest Asia and Asia and the Pacific entries cover the social political scientific and technological economic and cultural events and developments that shaped the modern world Each volume includes articles on history government and warfare the development of ideas and the growth of art and architecture religion and philosophy music science and technology and daily life in the civilizations covered Boxed features include Turning Point Great Lives Into the Twenty First Century and Modern Weapons Maps timelines and illustrations illuminate the text and a glossary a selected bibliography and an index in each volume round out the set **World War I and the Triumph of a New Japan, 1919-1930** Frederick R. Dickinson,2013-10-03 A new integrative history of interwar Japan highlighting the transformative effects of the Great War far from the Western Front The Statesman's Yearbook 2010 B. Turner,2017-01-12 the most convenient and reliable starting point for information on public affairs George J Mitchell US Senator Each copy comes with FREE online access to www.statesmansyearbook.com Site license upgrades are also available for libraries who wish to network the data New this year a chronology of the credit crunch The Sino-Japanese War of 1894-1895 S. C. M. Paine,2003 Table of contents **The Statesman's Yearbook 2008** B. Turner,2017-01-12 The 2008 edition of The Statesman's Yearbook contains information and analysis on every country in the world including biographical profiles of current leaders government histories economic overviews and maps Every copy comes with a single user licence giving access to the full text online updated regularly and fully searchable *Japan's Modern History, 1857-1937* Junji Banno,2014-08-13 Over the course of the period 1857 to 1937 in Japan six distinct stages can be identified as the country moved from Shogun rule and its subsequent overthrow from industrialisation and investment to the Meiji Constitution and then from Taisho democracy to Showa fascism In this book Junji Banno stresses the mutual relationships between each period and to this end renames them accordingly the age of reform age of revolution age of construction age of management age of reorganisation and age of crisis Following this model the book covers eighty years of history in Japan focusing on political history and foreign relations with extensive material also on economic development and foreign

influences on political institutions and practices Based on extensive archival research Japan's Modern History considers synoptically the key trends and their significance over the period of 1857 to 1937 In turn it presents in detail fascinating information on many of the main leaders and other significant figures with extensive quotations from their writings letters and diaries This book is a translation into English of a major work of scholarship by a leading historian of modern Japan and may be considered the apex of Junji Banno's work in the field As such it will be of great interest to students and scholars of both Japanese history and history more broadly *Japan in World History* James L. Huffman, 2010-02-04 Japan in World History ranges from Japan's prehistoric interactions with Korea and China to the Western challenge of the late 1500s the partial isolation under the Tokugawa family 1600-1868 and the tumultuous interactions of more recent times when Japan modernized ferociously turned imperialist lost a world war then became the world's second largest economy and its greatest foreign aid donor Writing in a lively fashion Huffman makes rich use of primary sources illustrating events with comments by the people who lived through them tellers of ancient myths court women who dominated the early literary world cynical priests who damned medieval materialism travelers who marveled at indecent Western ballroom dancers in the mid 1800s and the emperor who justified Pearl Harbor Without ignoring standard political and military events the book illuminates economic social and cultural factors it also examines issues of gender as well as the roles of commoners samurai business leaders novelists and priests *The Statesman's Year-book*, 1928 *The Statesman's Yearbook 2007* B. Turner, 2017-02-07 The Statesman's Yearbook now in a new enlarged format contains profiles of every country in the world and includes 20% new content All print purchases now receive online access at no extra cost with a single user licence giving access to the full text online updated regularly and fully searchable For queries sybinfo@palgrave.com *Asia* Milton W. Meyer, 2000-01-01 This comprehensive introduction to Asia offers readers a clear overview of the continent from ancient times to the present

Unconquered States H. E. Chehabi, David Motadel, 2024-11-25 In the heyday of empire most of the world was ruled directly or indirectly by the European powers Unconquered States explores the struggles for sovereignty of the few nominally independent non-Western states in the imperial age It examines the ways in which countries such as China Ethiopia Japan the Ottoman Empire Persia and Siam managed to keep European imperialism at bay whereas others such as Hawai'i Korea Madagascar Morocco and Tonga long struggled but ultimately failed to maintain their sovereignty The chapters in this book address four major aspects of the relations these countries had with the Western imperial powers armed conflict and military reform unequal treaties and capitulations diplomatic encounters and royal diplomacy Bringing together scholars from five continents this book provides the first comprehensive global history of the engagement of the independent non-European states with the European empires reshaping our understanding of sovereignty territoriality and hierarchy in the modern world order

Reviewing **Modern History Of Japan 2nd Edition**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
