Modern History Of Japan From Tokugawa Times To The Present

Steven J. Ericson

Modern History Of Japan From Tokugawa Times To The Present:

A Modern History of Japan Andrew Gordon, 2014 A Modern History of Japan takes students from the days of the shogunate to the aftermath of the 2008 tsunami This third edition incorporates increased coverage of both Japan's role within East Asia particularly with China Korea and Manchuria as well as expanded discussions of cultural and intellectual history

A Modern History of Japan, International Edition Andrew Gordon, 2013-12 The bestselling textbook on Modern Japan extensively revised to cover Japan's tumultuous recent history including the events of 3 11

Historical Dictionary of Japan to 1945 Kenneth Henshall, 2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing Other branches of history also feature such as economic history industrial history political history and so forth And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals The early history of Japan is told through a detailed chronology an introductory essay appendixes an extensive bibliography and over 800 cross referenced dictionary entries on important people organizations activities and events The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan particularly those who want reliable information quickly and easily

New Directions in Thai Studies Preedee Hongsaton, Ying-kit Chan, 2025-07-22 This book considers recent developments in Thai history and historiography examining why Thai studies had suffered under a combination of protectionism uncritical learning and unwillingness to engage with scholarship from abroad The essays collected here explore from Thai perspectives innovations in theory and methodology in Thai studies gathering critical insights from disciplines such as anthropology and cultural studies The book may also serve as an entry to Thai studies informing experts and non specialist readers alike on topics such as access to Thai archives the difficulties in conducting ethnographic research with Thai subjects the non development of scholarly disciplines in Thailand and the challenges and opportunities presented by Thai studies as a whole for prospective scholars and graduate students

A Concise History of Japan Brett L. Walker, 2015-02-26 A comprehensive and engaging new history charting Japan's development from its origins through to the present day

Japan in World History James L. Huffman, 2010-02-04 Japan in World History ranges from Japan's prehistoric interactions with Korea and China to the Western challenge of the late 1500s the partial isolation under the Tokugawa family 1600 1868 and the tumultuous interactions of more recent times when Japan modernized ferociously turned imperialist lost a world war then became the world's second largest economy and its greatest foreign aid donor Writing in a lively fashion Huffman makes rich use of primary sources illustrating events with comments by the people who lived through them tellers of ancient myths court women who dominated the early literary world cynical priests who damned medieval materialism travelers who marveled at indecent Western ballroom dancers in the mid 1800s

and the emperor who justified Pearl Harbor Without ignoring standard political and military events the book illuminates economic social and cultural factors it also examines issues of gender as well as the roles of commoners samurai business leaders novelists and priests

Japan in the 21st Century Pradyumna Karan,2010-09-12 The ancient civilization of Japan with its Shinto shrines and Buddhist temples is also closely associated with all that is new and modern Looking outward Japan sees what it has become since Hiroshima the world s second largest economy a source of fury and wonder a power without arms Looking inward Japan sees old ways shaken and new ones developing at a hectic pace Japan in the Twenty first Century offers compelling insights into the current realities of the country and investigates the crucial political economic demographic and environmental challenges that face the nation A combination of text maps and photographs provides an essential understanding of Japan s geography cultural heritage demography economic and political development and of many other important issues Pradyumna P Karan explores the obstacles and opportunities that will shape Japan and affect the world community in the coming years He highlights strategies and policies that will facilitate economic and political change and stimulate the development of effective institutions for long term sustainable prosperity and economic vitality Unique field reports drawn from direct observations of events and places in Japan illuminate Japanese traditions and sensibilities The first full length English language textbook on Japan s geography culture politics and economy to appear in nearly four decades Japan in the Twenty first Century will be a vital resource for researchers academics general readers and students of Japan Pradyumna P Karan professor of geography and Japan studies at the University of Kentucky is the author or editor of numerous books on Asian geography and culture including *The Japanese City* and *Japan in the Bluegrass*

Tsutsui,2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan s history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Historia mínima de Japón Michiko Tanaka,2011-07-12 Este libro presenta a grandes rasgos el extraordinario desarrollo pol tico econ mico social y cultural de Jap n desde sus or genes hasta nuestros d as Se trata tambi n de una caracterizaci n de los cambios y las permanencias durante el proceso de conformaci n de lo japon s en contraste e interacci n constante con as experiencias de otro pueblos

American Political and Cultural Perspectives on Japan John H. Miller,2014-04-02 American Political and Cultural Perspectives on Japan From Perry to Obama is an historical survey of how Americans have viewed Japan during the past 160 years It encompasses the diplomatic political economic social and cultural dimensions of the relationship with an emphasis on changing American images myths and stereotypes of Japan and the Japanese It begins with the American opening of Japan in the 1850s and 1860s Subsequent chapters explore American attitudes toward Japan during the Gilded Age the early 1900s the 1920s the 1930s and the Pacific War The second part of the book organized round the theme of the

postwar Japanese American partnership covers the Occupation the 1960s the troubled 1970s and 1980s and the post Cold War decades down to the Obama presidency The conclusion offers some predictions about how Americans are likely to view Japan in the future *The Oxford Handbook of Cities in World History* Peter Clark, 2013-02-14 In 2008 for the first time the majority of the planet's inhabitants lived in cities and towns Becoming globally urban has been one of mankind's greatest collective achievements over time Written by leading scholars this is the first detailed survey of the world's cities and towns from ancient times to the present day

Empire in Asia: A New Global History Brian P. Farrell, Donna Brunero, 2018-09-20 Asia was the principle focus of empire builders from Alexander and Akbar to Chinggis Khan and Qianlong and yet until now there has been no attempt to provide a comprehensive history of empire in the region Empire in Asia addresses the need for a thorough survey of the topic This volume covers the long 19th century commonly seen in terms of high imperialism and the global projection of Western power This volume explores the dynamic volatile and often contested processes by which by the early years of the 20th century Asian states space and peoples became deeply integrated into the wider dynamics of global reordering Drawing on case studies from across Asia the contributors discuss key themes including ideology concepts of identity religion and politics state building and state formation the relationships between space people and sovereignty the movements of goods money people and ideas and the influence and impact of conflict and military power The two volumes of Empire in Asia offer a significant contribution to the theory and practice of empire when considered globally and comparatively and are essential reading for all students and scholars of global imperial and Asian history

The Comfort Women Hoax J. Mark Ramseyer, Jason M. Morgan, 2024-01-23 During World War II the Japanese military extended Japan's civilian licensing regime for domestic brothels to those next to its overseas bases It did so for a simple reason to impose the strenuous health standards necessary to control the venereal disease that had debilitated its troops in earlier wars In turn these brothels dubbed comfort stations recruited prostitutes through variations on the standard indenture contracts used by licensed brothels in both Korea and Japan The party line in Western academia though is that these comfort women were dragooned into sex slavery at bayonet point by Japanese infantry But as the authors of this book show that narrative originated as a hoax perpetrated by a Japanese communist writer in the 1980s It

was then spread by a South Korean organization with close ties to the Communist North Ramseyer and Morgan discuss how these women really came to be in Japanese military comfort stations Some took the jobs because they were tricked by fraudulent recruiters Some were under pressure from abusive parents But the rest of the women seem to have been driven by the same motivation as most prostitutes throughout history want of money Indeed the notion that these comfort women became prostitutes by any other means has no basis in documentary history Serious intellectuals of all political perspectives in both South Korea and Japan have understood this for years Ramseyer and Morgan s findings caused a firestorm in Japanese Studies academia For explaining that the women became prostitutes of their own volition both authors of this book found themselves cancelled In this book the authors detail both the history of the comfort women and their own persecution by academic peers Only in the West and only through brutal stratagems of censorship and ostracism has the myth of bayonet point conscription survived

The White Man's Burden William Easterly, 2006-03-16 From one of the world s best known development economists an excoriating attack on the tragic hubris of the West s efforts to improve the lot of the so called developing world Brilliant at diagnosing the failings of Western intervention in the Third World BusinessWeek In his previous book The Elusive Quest for Growth William Easterly criticized the utter ineffectiveness of Western organizations to mitigate global poverty and he was promptly fired by his then employer the World Bank The White Man s Burden is his widely anticipated counterpunch a brilliant and blistering indictment of the West s economic policies for the world s poor Sometimes angry sometimes irreverent but always clear eyed and rigorous Easterly argues that we in the West need to face our own history of ineptitude and draw the proper conclusions especially at a time when the question of our ability to transplant Western institutions has become one of the most pressing issues we face

Inglorious, Illegal Bastards Aaron Skabelund, 2022-07-15 In Inglorious Illegal Bastards Aaron Herald Skabelund examines how the Self Defense Force SDF the post World War II Japanese military and specifically the Ground Self Defense Force GSDF struggled for legitimacy in a society at best indifferent to them and often hostile to their very existence From the early iterations of the GSDF as the Police Reserve Force and the National Safety Force through its establishment as the largest and most visible branch of the armed forces the GSDF deployed an array of public outreach and public service initiatives including off base and on base events civil engineering projects and natural disaster relief operations Internally the GSDF focused on indoctrination of its personnel to fashion a reconfigured patriotism and esprit de corps These efforts to gain legitimacy achieved some success and influenced the public over time but they did not just change society They also transformed the force itself as it assumed new priorities and traditions and contributed to the making of a Cold War defense identity which came to be shared by wider society in Japan As Inglorious Illegal Bastards demonstrates this identity endures today several decades after the end of the Cold War

Financial Stabilization in Meiji Japan Steven J. Ericson, 2020-02-15 With a new look at the 1880s financial reforms in Japan Steven J Ericson s Financial Stabilization in Meiji Japan overturns widely held views of the program carried out by

Finance Minister Matsukata Masayoshi As Ericson shows rather than constituting an orthodox financial stabilization program a sort of precursor of the neoliberal reforms promoted by the IMF in the 1980s and 1990s Matsukata s policies differed in significant ways from both classical economic liberalism and neoliberal orthodoxy The Matsukata financial reform has become famous largely for the wrong reasons and Ericson sets the record straight He shows that Matsukata intended to pursue fiscal retrenchment and budget balancing when he became finance minister in late 1881 Various exigencies including foreign military crises and a worsening domestic depression compelled him instead to increase spending by running deficits and floating public bonds Though he drastically reduced the money supply he combined the positive and contractionary policies of his immediate predecessors to pull off a program of expansionary austerity paralleling state responses to financial crisis elsewhere in the world both then and now Through a new and much needed recalibration of this pivotal financial reform Financial Stabilization in Meiji Japan demonstrates that in several ways ranging from state led export promotion to the creation of a government controlled central bank Matsukata advanced policies that were more in line with a nationalist developmentalist approach than with a liberal economic one Ericson shows that Matsukata Masayoshi was far from a rigid adherent of classical economic liberalism *Japan at War, 1914-1952* Jeremy A. Yellen, 2024-12-24 Japan at War 1914 1952 is a synthetic and interpretive history that highlights the centrality of war to the modern Japanese experience The author argues that war was central to Japanese life in this period the era when Japan rose and fell as a world power The volume examines how World War I set off profound changes that led to the rise of a politicized military aggressive imperial expansion and the militarization of Japanese social political and economic life War was extraordinarily popular which helped confirm Japan s aggressive imperialism in the 1930s and war across the Asia Pacific in the 1940s It took a defeat by 1945 and occupation through 1952 to undo war as a national concern and to remake Japan into a peaceful nation state In telling this story of Japan in war and peace this book highlights the importance of Japan in the creation of the modern world This study of political power and its influences in domestic and foreign affairs will be of great value to nonspecialist readers who are interested in this period undergraduate and postgraduate students in introductory classes and scholars interested in Japanese history and political military and international history **Sexual Abuse and Education in Japan** Robert O'Mochain, Yuki Ueno, 2022-09-09 Bringing together two voices practice and theory in a collaboration that emerges from lived experience and structured reflection upon that experience O Mochain and Ueno show how entrenched discursive forces exert immense influence in Japanese society and how they might be most effectively challenged With a psychosocial framework that draws insights from feminism sociology international studies and political psychology the authors pinpoint the motivations of the nativist right and reflect on the change of conditions that is necessary to end cultures of impunity for perpetrators of sexual abuse in Japan Evaluating the value of the MeToo model of activism the authors offer insights that will encourage victims to come out of the shadows pursue justice and help transform Japan s sense of identity both at home and

abroad Ueno a female Japanese educator and O Mochain a non Japanese male academic examine the nature of sexual abuse problems both in educational contexts and in society at large through the use of surveys interviews and engagement with an eclectic range of academic literature They identify the groups within society who offer the least support for women who pursue justice against perpetrators of sexual abuse They also ask if far right ideological extremists are fixated with proving that so called comfort women are higaisha buru or fake victims Japan would have much to gain on the international stage were it to fully acknowledge historical crimes of sexual violence yet it continues to refuse to do so O Mochain and Ueno shed light on this puzzling refusal through recourse to the concepts of international status anxiety and male hysteria An insightful read for scholars of Japanese society especially those concerned about its treatment of women

Cultural and

Theological Reflections on the Japanese Quest for Divinity John J. Keane, 2016-11-07 In Cultural and Theological Reflections on the Japanese Quest for Divinity John J Keane offers an explanation of Japanese divinity kami using sociology anthropology linguistics literature and history He presents an overview of how the Japanese have sought to love and serve their kami a quest that rivals the interest that the West gives to God The principles of interreligious dialogue are applied to the meaning of kami and a plea is made for a dialogue that respectfully accepts differences between the cultures and the theologies of Eastern and Western thought Important cultural themes are discussed as a part of this quest such as the emperors of Japan and the Japanese Tea Ceremony The work also challenges the understanding of kami as highlighted by Akutagawa Ryunosuke and Endo Shusaku

Modern History Of Japan From Tokugawa Times To The Present Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern History Of Japan From Tokugawa Times To The Present has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern History Of Japan From Tokugawa Times To The Present has opened up a world of possibilities. Downloading Modern History Of Japan From Tokugawa Times To The Present provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern History Of Japan From Tokugawa Times To The Present has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern History Of Japan From Tokugawa Times To The Present. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern History Of Japan From Tokugawa Times To The Present. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern History Of Japan From Tokugawa Times To The Present, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern History Of Japan From Tokugawa Times To The Present has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
