Modern Mysticism Francis Grierson, 2015-07-06 Excerpt from *Modern Mysticism And Other Essays*. Some years ago while living in Paris, I persuaded the author of this volume to publish an opusculum of aphorisms and short essays in French. That little book, not being intended for the general public, was neither advertised nor put on sale. It was without introduction of any kind and was printed by an obscure publisher. Worse still, it was printed in such haste as to be full of typographical errors. Notwithstanding all this, a few weeks after its appearance, the author received some scores of letters from leading French writers and poets among whom were many Academicians. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
