Modern American Women Writers Elaine Showalter, Lea Baechler, A. Walton Litz, 1993-09-27 Featuring original contributions by scholars in the field of women's studies this invaluable reference illuminates the lives and works of Maya Angelou Kate Chopin Joan Didion Anne Tyler Susan Sontag Gertrude Stein Zora Neale Hurston Flannery O'Connor Sylvia Plath Anne Sexton and others **Famous Modern American Women Writers** Jane Muir, 1961 *Modern American Women Writers* Jones Muir, **The Vintage Book of American Women Writers** Elaine Showalter, 2011-01-11 For centuries women have been marginalized and overlooked in American literary history That injustice is corrected in this entertaining and provocative collection of 350 years of poetry and fiction by American women From Puritan poet Anne Bradstreet to Margaret Fuller to Harriet Beecher Stowe readers will encounter scores of lesser known and forgotten writers who fully deserve to be rediscovered and enjoyed by new generations Our famous women writers including contemporary stars like Annie Proulx and Jhumpa Lahiri are showcased in their full literary context offering an epic overview of the canon in one monumental dazzling volume This landmark anthology features the best work of our best American women and was inspired and informed by the author's groundbreaking history celebrating women writers A Jury of Her Peers

Contemporary American Women Writers Lois Parkinson Zamora, 2017-09-29 This collection brings together critical essays that examine questions of identity and community in the fiction of contemporary American women writers among them Alice Walker Toni Morrison and Sandra Cisneros The essays consider how identities and societies are dramatized in particular works of fiction and how these works reflect cultural communities outside the fictional frame often the communities in which their authors live and work The essays included here concern fictional representations of African American Latino Asian American Native American Anglo and Euro American communities and their working interactions in the multicultural United States Each critic asks in his or her own way how a particular writer transforms her social grounding into language and literature The introduction includes an overview of the range of literary criticism devoted to contemporary American women writers and an extensive bibliography of complementary critical readings is provided to encourage further study Undergraduate and postgraduate students of contemporary literature will find the text an invaluable guide to contemporary women's writing in America and the range of criticism that this has given rise to A to Z of American Women Writers Carol Kort, 2014-05-14 Presents a biographical dictionary profiling important women authors including birth and death dates accomplishments and bibliography of each author's work American Women Writers, 1900-1945 Laurie Champion, 2000-09-30 Women writers have been traditionally excluded from literary canons and not until recently have scholars begun to rediscover or discover for the first time neglected women writers and their works This reference includes alphabetically arranged entries on 58 American women authors who wrote between 1900 and 1945 Each entry is written by an expert contributor and discusses a particular author's biography her major works and themes and the

critical response to her writings The entries close with extensive primary and secondary bibliographies and the volume concludes with a list of works for further reading The period surveyed by this reference is rich and diverse Modernism and the Harlem Renaissance two major artistic movements occurred between 1900 and 1945 and the entries included here demonstrate the significant contributions women made to these movements The volume as a whole strives to reflect the diversity of American culture and includes entries for African American Native American Mexican American and Chinese American women It includes well known writers such as Willa Cather and Eudora Welty along with more neglected ones such as Anita Scott Coleman and Sui Sin Far Modern Jewish Women Writers in America E. Avery, 2007-05-28 This collection includes groundbreaking essays and interviews with scholars and writers which reveal that despite pressures of assimilation personal goals and in some cases anti-Semitism they have never been able to divorce their lives or literature from their heritage **Sex Expression and American Women Writers, 1860-1940** Dale M. Bauer, 2009-06-01 American women novelists of the late nineteenth and early twentieth centuries registered a call for a new sexual freedom Dale Bauer contends By creating a lexicon of sex expression many authors explored sexuality as part of a discourse about women's needs rather than confining it to the realm of sentiments where it had been relegated if broached at all by earlier writers This new rhetoric of sexuality enabled critical conversations about who had sex when in life they had it and how it signified Whether liberating or repressive sexuality became a potential force for female agency in these women's novels Bauer explains insofar as these novelists seized the power of rhetoric to establish their intellectual authority Thus Bauer argues they helped transform the traditional ideal of sexual purity into a new goal of sexual pleasure defining in their fiction what intimacy between equals might become Analyzing the work of canonical as well as popular writers including Edith Wharton Anzia Yezierska Julia Peterkin and Fannie Hurst among others Bauer demonstrates that the new sexualization of American culture was both material and rhetorical American Writers Elizabeth H. Oakes, 2004 American Writers focuses on the rich diversity of American novelists
