**Modern Burma** John LeRoy Christian, 2023-12-22      **Modern Burma** Le Roy Christian J., 1942      **Modern Burma: a Survey of Political and Economic Development** John Leroy Christian, Institute of Pacific Relations, 1942      *Department of the Army Pamphlet*, 1970      **When Economies Change Paths** Leo Paul Dana, 2002 While firms are attempting to expand into the global environment many of the formerly communist nations are often misunderstood Based on field research involving in depth interviews in China Central Asia Myanmar and Indochina this book provides academics investors and policy makers with an introductory overview of enterprise in these transitional economies A theoretical framework precedes surveys of individual countries Each chapter has been carefully refereed by national experts Diligently referenced the book includes citations of 250 relevant publications guiding the future researcher through an extensive bibliography This book is detailed yet reader friendly It combines rigor with vigor providing valuable insights into the rapidly emerging economies of Asia Sample Chapter s Introduction 821 KB Contents Culture The People s Republic of China PRC West of China An Overview of Central Asia The Republic of Kazakhstan The Kyrgyz Republic The Republic of Tajikistan The Republic of Turkmenistan The Republic of Uzbekistan The Union of Myanmar Burma An Overview of Indochina The Kingdom of Cambodia The Lao People s Democratic Republic The Socialist Republic of Vietnam Toward the Future Readership General      **Modern Burma** John Leroy Christian, 1942      *Burma's Economy in the Twentieth Century* Ian Brown, 2013-11-07 At the beginning of the twentieth century Burma was among the most prosperous territories in the East Yet since gaining independence in 1948 its economy has struggled Burma s developmental failure has often been attributed to gross mismanagement of the economy by the military who took power in 1962 but in this illuminating book Ian Brown one of the leading economic historians of Southeast Asia provides a fresh examination of the country s economic past thereby setting that failure in the context of the colonial period For the first time a review of Burma s economic experience in the final decades of British rule is integrated with an analysis of its economy since independence providing a detailed understanding of the complex origins of Burma s economic failure in the second half of the twentieth century This is a compelling introduction to Burma s political and economic history for students in Southeast Asian history development studies and political science      **Beijing's Power and China's Borders** Bruce Elleman, Stephen Kotkin, Clive Schofield, 2015-05-18 China shares borders with 20 other countries Each of these neighbors has its own national interests and in some cases these include territorial and maritime jurisdictional claims in places that China also claims Most of these 20 countries have had a history of border conflicts with China some of them never amicably settled This book brings together some of the foremost historians geographers political scientists and legal scholars on modern Asia to examine each of China s twenty land or sea borders      **Modern Burma** John Leroy Christian, 1942      **Churchill, Eden and Indo-China, 1951-1955** Nông Văn Dân, 2011 Churchill Eden and Indo China 1951 1955 offers a systematic approach to pertinent international politics providing a historiography and assessing the impact of

events such as the Cold War and the Second World War within the context of the governments of Churchill and Eden Revisiting Churchill's wartime helmsmanship in order to shed further light on his post war administration N ng D n provides a greater historical awareness of the broad international context of decolonized Indo China and South East Asia *Minority Groups in Thailand* American Institutes for Research. Cultural Information Analysis Center,1970 *The American Military Mission to China, 1941-1942* William G. Grieve,2014-01-23 This is an overview of America's first effort in military aid to a foreign sovereign nation at a time when Europe was engaged in open warfare Asia was facing a series of military confrontations and most of the world thought global conflagration was inevitable The work offers insight into the impact of war in Burma a backwater of World War II and examines events that result when great powers go to great lengths to further their own goals The work also examines disagreements among China the United Kingdom the United States and Japan and shows the evolution of aid provision to another country and changing expectations as new information arises **Burma's**

**Road Toward Development** David I. Steinberg,2019-03-01 A liberalization of economic policies has inspired considerable economic growth and encouraged the development of Burma's natural resources but according to David Steinberg the current military government is akin to previous civilian governments in its commitment to socialism as a vehicle for development The economic flexibility demonstrated by the government has not been matched by political liberalization and as a result economic growth remains a captive of administrative and policy constraints Steinberg traces the origins and acceptance of socialist thought and planning in Burma and shows how socialist ideology has had to be tempered with pragmatism in order to make economic development possible Looking to Burma's future he also points out two central problems facing the country strained minority relations which have kept the nation from developing a sense of unity and difficulties with political succession brought on by the military regime's preoccupation with perpetuating its own leadership

**Modern Burma. A Survey of Political and Economic Development. By John Leroy Christian, Etc. [With a Bibliography.]** Institute of Pacific Relations,John LeRoy CHRISTIAN,1942 South East Asia, Colonial History: Imperialism before 1800 Paul H. Kratoska,2001 The six volumes that make up this unique set provide an extensive overview of colonialism in South East Asia In the majority of cases authors chosen were specialists writing about their individual areas of expertise and had first hand experience in the region Outline of contents I Imperialism before 1800 Edited by Peter Borschberg II Empire Building in the Nineteenth Century III High Imperialism IV Imperial Decline Nationalism and the Japanese Challenge V Peaceful Transitions to Independence VI Independence through Violent Struggle **South East Asia:Colonl Hist VI** Paul Kratoska,2022-01-26 First published in 2004 The six volumes that make up this set provide an overview of colonialism in South East Asia The first volume deals with Portuguese Spanish and Dutch Imperialism before 1800 the second with empire building during the Nineteenth Century and the third with the imperial heyday in the early

Twentieth Century The remaining volumes are devoted to the decline of empire covering nationalism and the Japanese challenge to the Western presence in the region and the transition to independence The authors whose works are anthologised include both official participants and scholars who wrote about events from a more detached perspective Wherever possible authors have been chosen who had first hand experience in the region Volume I includes Imperialism in South East Asia before 1800      **Agricultural News** ,1906      **Isolationist States in an Interdependent World** Helga Turku,2016-05-06 States that withdraw from the international system provide insight into an unexplored area of international relations in terms of rationality self interest power politics cooperation and alliances Indeed isolationism in an interdependent state system goes against the logic of modern society and state systems Using historical comparative and inductive analysis Helga Turku explains why states may choose to isolate themselves both domestically and internationally using comparative historical analysis to flesh out isolationism as a concept and in practice The book examines extreme forms of self imposed domestic and international isolation in an interdependent international system noting the effects on both the immediate interests of a ruling regime and the long term national interests of the state and the populace      **Churchill, Eden and Indo-China, 1951-1955** Nông Vn Dân,2010-06-15 Churchill Eden and Indo China 1951 1955 offers a systematic approach to pertinent international politics providing a historiography and assessing the impact of events such as the Cold War and the Second World War within the context of the governments of Churchill and Eden Revisiting Churchill s wartime helmsmanship in order to shed further light on his post war administration N ng D n provides a greater historical awareness of the broad international context of decolonized Indo China and South East Asia
