The Native American Contest Powwow Steven Aicinena, Sebahattin Ziyanak, 2021-11-02 The Native American Contest Powwow introduces Cultural Tethering Theory to convey the importance of the contest powwow in the celebration and preservation of Native American culture The book addresses the concepts of culture cultural change acculturation assimilation and illustrates how competitive powwows align with and differ from competitive sporting events Authors Steven Aicinena and Sebahattin Ziyanak go on to explain how the modern intertribal contest powwow evolved and why modern Native American cultures are experiencing an erosion of traditional values a rapid loss of traditional languages dysfunctional changes in social organization limited opportunity to transmit culturally valued knowledge and reduced opportunities for youths to observe culturally appropriate behavior The authors also examine Native American identity and explore who can legitimately claim to be a Native American under current laws and customs Additional topics addressed include blood quantum cultural knowledge cultural participation being Indian and playing Indian Finally the authors describe the difference between being Native American and playing Indian in powwow and pseudo cultural powwow environments

The Modern Girl Jane Nicholas, 2015-01-01 Using a wide range of visual and textual evidence Nicholas illuminates both the frequent public debates about female appearance and the realities of feminine self presentation in 1920s Canada The New Encyclopedia of Modern Bodybuilding Arnold Schwarzenegger, Bill Dobbins, 1998 From the Hollywood superstar who sparked a bodybuilding revolution comes the definitive bodybuilding bible now completely updated and revised to reflect the latest methods and research 850 photos illustrations *A Modern History of the English People* Richard Henry Gretton, 1913 **Governing the Society of Competition** Martin Hardie, 2020-10-29 This book considers the manner in which the making and implementation of law and governance is changing in the global context It explores this through a study of the deployment of the global anti doping apparatus including the World Anti Doping Code and its institutions with specific reference to professional cycling a sport that has been at the forefront of some of the most famous doping cases and controversies in recent years Critically it argues that the changes to law and governance are not restricted to sport and anti doping but are actually inherent in broader processes associated with neoliberalism and social and behavioural surveillance and affect all aspects of society and its political institutions The author engages with concepts and arguments in contemporary social theory including Dardot and Laval on neoliberalism Agamben on sovereignty Hardt and Negri on globalisation and others including Foucault Deleuze and Guattari and Louis Dumont The work seeks to answer a question posed by both Foucault and Agamben that is given the growing primacy of the arts of government what is the juridical form and theory of sovereignty that is able to sustain and found this primacy It is argued that this question can be understood by reference to the shift from a social or public contract that was understood to be the foundation of society to a society that is constituted by consent private agreement and contract In addition the book examines the juridical concepts of the rule of law

and sovereignty Commencing with the Festina scandal of 1998 the Spanish case of Operaci n Puerto and concluding with the fall from grace of the American cyclist Lance Armstrong in 2012 the principal processes examined include The increasing crossing of the borders between different legal regimes whether supranational or simply particularised and with it the erosion of what we knew as state sovereignty and constitutionalism The increasing use of judgment achieved through the media and how this arrives at new configurations of moral panic and scapegoating The creation of a need for rapid outcomes at the expense of the modernist value or version of the rule of law The increasing use of new and alternative methods of guilt proof and ultra legal detection
