Modern English Society Judith Ryder,1970 **The Making of Modern English Society from 1850** Janet

Roebuck,2005-08-04 In the second half of the nineteenth century and the first half of the twentieth century a variety of forces emerged which changed society in many profound and subtle ways The Making of Modern English Society from 1850 uses the findings of recent historical and sociological research contemporary literature and a wide range of historical sources to form a clear picture of the main patterns of the social changes which took place in this turbulent period Jane Roebuck shows how in these hundred years the whole fabric of society altered more rapidly and radically than in any preceding century She gives an account of the dramatic change which occurred in all spheres of national life She demonstrates how the drift towards socialism which began in the nineteenth century gathered momentum in the twentieth and how massive social change was on produce of the two world wars In the field of economics the author considers the development of the maturing but still primitive industrial economy of the mid nineteenth century into a modern economy based on mass production and mass consumption She also describes the change in emphasis from desire for world power to concern for domestic prosperity and welfare services

Modern English Society Judith Ryder,Harold Silver,2024 First published in 1970 Modern English Society is primarily concerned with the period since the Great Exhibition of 1851 Judith Ryder and Harold Silver begin by surveying the consequences good and ill of industrialization and go on to explore the changing pattern of social relationships to which it gave rise They discuss such topics as the growth of towns and of large scale administration the development of welfare services the emergence of mass politics the mass media and mass production They show how social attitudes and the interpretation of historical facts are colored by our ideological views In the second half of the book they examine the structure and functioning of contemporary social institutions the family education the economic and political systems and assess their implications for the individual for specific social groups and for society as a whole This book will be of interest to students of history and sociology
