The Cambridge Companion to Modern French Culture

Nicholas Hewitt, 2003-09-11 France entered the twentieth century as a powerful European and colonial nation In the course of the century her role changed dramatically in the first fifty years two World Wars and economic decline removed its status as a world power whilst the immediate post war era was marked by wars of independence in its colonies Yet at the same time in the second half of the century France entered a period of unprecedented growth and social transformation Throughout the century and into the new millennium France retained its former international reputation as a centre for cultural excellence and innovation and its culture together with that of the Francophone world reflected the increased richness and diversity of the period This Companion explores this vibrant culture and includes chapters on history language literature thought theatre architecture visual culture film and music and discuss the contributions of popular culture Francophone culture minorities and women

Religion in Modern Europe

Grace Davie, 2000-08-03 Religion in Modern Europe examines religion as a form of collective memory This is a memory held in place by Europe s institutional churches educational systems and the mass media all of which are themselves responding to rapid social and economic change Europe s religious memory is approached in the following ways as vicarious a particularly European characteristic as precarious especially among young people and as it is portrayed by the media The memory may fragment be disputed and in extreme cases disappear Alternatives may emerge The challenge for European societies is to affirm healthy mutations in religious memory and discourage others The book also examines the increasing diversity of Europe s religious life European Societies Series Editor Colin Crouch Very few of the existing sociological texts which compare different European societies on specific topics are accessible to a broad range of scholars and students The European Societies series will help fill this gap in the literature and attempt to answer questions such as Is there really such a thing as a European model of society Do the economic and political integration processes of the European Union also imply convergence in more general aspects of social life like family or religious behaviour What do the societies of Western Europe have in common with those further to the east This series will cover the main social institutions although not every author will cover the full range of European countries As well as surveying existing knowledge in a way that will be useful to students each book will also seek to contribute to our growing knowledge of what remains in many respects a sociologically unknown continent

Autobiography and Independence

Debra Kelly, 2005-01-01 In Autobiography and Independence Debra Kelly examines four accomplished Francophone North African writers Mouland Feroan Assia Djebar Albert Memmi and Abdelkeacute bir Khatibi to illuminate the complex relationship of a writer s work to cultural and national histories The legacies of colonialism and the difficulties of nationalism run throughout all four writers works yet in their striking individuality the four demonstrate the ways in which such heritages are refracted through a writer s personal history This book will be of interest to students of Francophone literature

colonialism and African history and culture

Medium-Sized Cities in the Age of Globalisation Inès

Hassen-Dakhli, 2023-07-10 Medium Sized Cities in the Age of Globalisation provides a brand new perspective on academic discussions of globalisation through exploring urban development outside of select global cities including Paris Tokyo and London and instead focuses on medium sized cities in the context of a globalising world Combining the author's expertise with extensive research this book fills a gap in the scholarly debate on globalisation and urban development with chapters of the book giving detailed insight on urban governance and economy local identity and urban representation Through a range of visual sources including maps tables and graphs the book is applicable and accessible and offers a specialised analysis of medium sized cities through assessing urban regeneration policies as well as promotional activities and their role in promoting positive change in an era of great inter urban competition This book contains valuable historical insights and is excellent specialised material for scholars and postgraduate students in the disciplines of Urban History Urban Studies and Geography as well as being a significant source for professionals working in urban planning and place promotion

Welfare and Religion in 21st Century Europe Anders Bäckström, Grace Davie, Ninna Edgardh, Per

Pettersson, 2016-02-24 Historically European churches have played a large part in the provision of welfare Responsibility however has gradually shifted to the state a shift that forms an integral part of the process of secularization and one that has been readily accepted by European populations But what happens when the state itself begins to recede a process that is occurring in most if not all European societies for a wide variety of reasons The implications for welfare are considerable not least for the role of the churches which begin to resume the responsibilities previously shed but in new and different ways This book looks at the connections between religion and welfare in Europe exploring in detail eight European societies Finland Norway Sweden England Germany France Italy and Greece The different theological traditions different church state relationships and different welfare regimes are all examined The analysis is based on first hand empirical research which considers not only the changing situation on the ground but attitudes towards this within a range of different constituencies the churches local government and the general public Particular attention is paid to the significance of gender in both the process of change and in attitudes towards this Welfare and Religion in 21st Century Europe Volume 1 represents comparative research at its best and highlights key policy implications for the future A companion book Welfare and Religion in 21st Century Europe Volume 2 explores thematically the changing nature of religion and welfare and the new relationships that are emerging between the religious and the secular and between church and state in the 21st century

Welfare and Religion in 21st Century Europe Em Prof Grace Davie, Ms Ninna Edgardh, Professor Anders Bäckström, Professor Per

Pettersson, 2013-06-28 Historically European churches have played a large part in the provision of welfare Responsibility however has gradually shifted to the state a shift that forms an integral part of the process of secularization and one that has been readily accepted by European populations But what happens when the state itself begins to recede a process that is

occurring in most if not all European societies for a wide variety of reasons The implications for welfare are considerable not least for the role of the churches which begin to resume the responsibilities previously shed but in new and different ways This book looks at the connections between religion and welfare in Europe exploring in detail eight European societies Finland Norway Sweden England Germany France Italy and Greece The different theological traditions different church state relationships and different welfare regimes are all examined The analysis is based on first hand empirical research which considers not only the changing situation on the ground but attitudes towards this within a range of different constituencies the churches local government and the general public Particular attention is paid to the significance of gender in both the process of change and in attitudes towards this Welfare and Religion in 21st Century Europe Volume 1 represents comparative research at its best and highlights key policy implications for the future A companion book Welfare and Religion in 21st Century Europe Volume 2 explores thematically the changing nature of religion and welfare and the new relationships that are emerging between the religious and the secular and between church and state in the 21st century

Rise of French Laïcité Stephen M. Davis, 2020-08-07 Americans are often baffled by France's general indifference to religion and laws forbidding religious symbols in public schools full face veils in public places and even the interdiction of burkinis on French beaches An understanding of laïcité provides insight in beginning to understand France and its people Laïcité has been described as the complete secularization of institutions as a necessity to prevent a return to the Ancien Régime characterized by the union of church and state To understand the concept of laïcité one must begin in the sixteenth century with the Protestant Reformation and freedom of conscience recognized by the Edict of Nantes in 1598 This has been called the period of incipient laïcité in the toleration of Protestantism The Revocation of the Edict of Nantes in 1685 reestablished the union of the throne and altar which resulted in persecution of the Huguenots who fought for the principle of the freedom of conscience French laïcité presents a specificity in origin definition and evolution which led to the official separation of church and state in 1905 The question in the early twentieth century concerned the Roman Catholic Church's compatibility with democracy That same question is being asked of Islam in the twenty first century

Europe Since 1945 Philip Thody, 2002-09-11 Europe Since 1945 is an exciting new survey of the history of Europe since the end of World War Two In the second half of the twentieth century Europe has known a period of peace and stability unprecedented in its history and virtually unparalleled in the rest of the world Europe explains the reasons for this state of affairs Thought provoking and wide ranging this book discusses political economic social and cultural change in modern Europe Covering both Western and Eastern Europe comprehensively and featuring extensive analysis of the 1990s this book includes examination of the Cold War War at the edges Northern Ireland and Yugoslavia the European Union the issues of Nationalism the end of the dictatorships economic prosperity the EEC and the Euro the break up of the European Empires and the consequences

Public Commissions on Cultural and Religious Diversity Katayoun Alidadi, Marie-Claire Foblets, 2018-06-13 In several

Western countries expert commissions composed of academics public figures politicians and community organisers have been established by governments or civil society to reflect on the changes and challenges of an increasingly plural society Commission recommendations on how to manage diversities successfully have shaped national narratives and affected law and public policies yet research on the workings of such commissions remains rare This book focuses on the experiences of expert commissions in the UK France Quebec and Belgium Furthering the debate on commissions potential and limitations it draws on the first hand experiences and introspection of former commission members and close observers along with outside perspectives and critique from independent scholars Building on its companion volume Public Commissions on Cultural and Religious Diversity Analysis Reception and Challenges this book engages with core concepts of identity nationality citizenship freedom equality and accommodation It will appeal to researchers and students of public policy sociology anthropology law religion politics history and migration studies as well as policymakers and anyone with a general interest in current debates on ethnic cultural and religious diversity

The Reconciliation of Humanity in Christ Peter Y. Hong, 2024-12-10 The Reconciliation of Humanity in Christ is essential reading for Christians who wish to lead and serve the globalized world This book is about theological engagement with globalization Although people are now living in a world in which a universal and inclusive society has emerged the church has remained powerless in uniting peoples nations and civilizations as one in Christ In order for the church to regain its credibility and confidence it must address three theological issues social justice religious pluralism and ethics and the missional method The rationale for this book is that the power of true religion becomes evident in the world when all Christians are engaging with globalization to reconcile humanity with God and with each other in preparation for the consummation of God s kingdom In response to the problems of globalization Christians can become agents of renewal for globalization by administering God s grace and peace for humanity This book will educate and equip the readers to engage with the issues of globalization in the public arena Readers will gain a biblical understanding of the church s role in fulfilling God s plan and purpose for humanity through globalization

Europe and the Gospel Evert Van de Poll, 2013-08-21 Combining human interest stories with thought provoking analyses Dr Evert Van de Poll paints the socio cultural and religious picture of this exceptional continent its population and cultural variety past and present idea of we Europeans immigration multiculturalism and the issue of Muslim integration the construction of the EU and the concerns it raises and the quest for the soul of Europe Special attention is paid to Christian and other roots of Europe the mixed historical record of Christianity vestiges of its past dominance its place and influence in today s societies that are rapidly de Christianising and secularization as a European phenomenon The author indicates specific challenges for Church development mission and social service In so doing he outlines the contours of a contextualised communication of the Gospel

Peter Berger and the Study of Religion Paul Heelas, David Martin, Linda Woodhead, 2013-07-04 Peter Berger is the most influential contemporary sociologist of religion This collection of essays is the first in depth study of his contribution to the

field providing a comprehensive introduction to his work and to current thought in the study of religion Themes addressed include Berger on religion and theology Religion spirituality and the discontents of modernity Secularization and de secularization A postscript by Peter Berger responding to the essays completes this overview of this major figure's work

The French Road Movie Neil Archer, 2012 The traditionally American genre of the road movie has been explored and reconfigured in the French context since the later 1960s Comparative in its approach this book studies the inter relationship between American and French culture and cinemas and in the process considers and challenges histories of the road movie It combines film history with film theory methodologies analysing transformations in social political and film industrial contexts alongside changing perspectives on the meaning and possibilities of film At once chronological and thematic in structure The French Road Movie provides in each chapter a comprehensive introduction to key themes emerging from the genre in the French context liberty identity and citizenship masculinity femininity border crossing followed by detailed innovative and often revisionist readings of the chosen films Through these readings the author justifies the place of the road genre within French cinema histories and reinvigorates this often neglected and misunderstood area of study
