Joseph Klausner, 1972 **Modern Hebrew Fiction** Gershon Shaked, Yael Lotan, Emily Miller Budick, Jessica Cohen, 2008-05-01 Gershon Shaked s history of modern Hebrew fiction traces the emergence and development of a literature against all odds from its European roots in the 1880s when it had neither a country nor a spoken language to the flowering of a literary culture on Israeli soil The Evolution of Modern Hebrew Literature, 1850-1912 Abraham Solomon

Waldstein, 1916 The Divine in Modern Hebrew Literature Neta Stahl, 2020-02-25 Demonstrating the pervasive presence of God in modern Hebrew literature this book explores the qualities that twentieth century Hebrew writers attributed to the divine and examines their functions against the simplistic dichotomy between religious and secular literature The volume follows both chronological and thematic paths offering a panoramic and multilayered analysis of the various strategies in which modern Hebrew writers from the turn of the nineteenth century through the twenty first century pursued in their attempt to represent the divine in the face of metaphysical theological and representational challenges Modern Hebrew literature emerged during the nineteenth century as part of the Haskalah Jewish Enlightenment movement which attempted to break from the traditional modes of Jewish intellectual and social life The Hebrew literature that arose in this period embraced the rebellious nature of the Haskalah and is commonly characterized as secular in nature defying Orthodoxy and rejecting God Nevertheless this volume shows that modern Hebrew literature relied on traditional narratological and poetic norms in its attempt to represent God Despite its self declared secularity it engaged deeply with traditional problems such as the nature of God divine presence and theodicy Examining these radical changes this volume is a key text for scholars and students of modern Hebrew literature Jewish studies and the intersection of religion and literature The New Tradition

Gershon Shaked, 2006 One response to the ensuing Jewish struggle for survival as a spiritual entity was the emergence of a modern Hebraic secular cultural tradition This volume presents seventeen seminal essays by Israel s esteemed literary critic Gershon Shaked **The Great Transition** Glenda Abramson, Tudor Parfitt, 1985-06-28 Although there are a number of views concerning its origins modern Hebrew literature could be defined as being just two hundred years old A convenient starting point might be the publication of the first letter of N M Wessely s divre shalom veemet in 1782 or the first issue of the periodical amneasef which appeared a year later During the following two centuries considerable literature in Hebrew arose in many different places The emphasis in this volume composed of papers by distinguished scholars is on the transition

S. Waldstein, 2015-07-07 Excerpt from *The Evolution of Modern Hebrew Literature 1850 1912* In writing this book I have had in view not so much the appreciation of the individual authors and their productions per se as their relation to the period in which they lived the ideas and emotions by which they were consciously or unconsciously actuated and what they contributed as individuals or as a class to the development of Hebrew literature In short I purpose to give here the evolution of the latter rather than its history in the common sense of the term This mode of treatment has been more and more pursued by literary historians since Taine and should in particular be followed by any one that writes for a reading public to whom the literature treated is entirely foreign Readers such as these are certainly more interested in the trend of thought in the flux and flow of ideas and in the artistic temperament of the period as a whole and in the literature as a whole than in any particular writer Hence some authors who would otherwise deserve a fuller treatment have been dealt with rather summarily For though as individual writers they may be of very high standing yet their contribution to the development of Hebrew literature may have been less marked than that of other writers of inferior talent who have nevertheless formed links in the chain of this development and who have consequently been treated more fully I have selected as my subject the period between the fifties of the last century and our own time and I did not go back to the middle of the eighteenth century which is generally considered the terminus a quo of modern Hebrew literature for the following reason As I am here dealing mainly with belles lettres and allied branches I could have found very little scope in the literature of the hundred years preceding the middle of the nineteenth century The novel in Hebrew had not yet been produced About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Yeshiva and the Rise of Modern Hebrew Literature* Marina Zilbergerts, 2022-04-05 The Yeshiva and the Rise of Modern Hebrew Literature argues that the institution of the yeshiva and its ideals of Jewish

textual study played a seminal role in the resurgence of Hebrew literature in modern times Departing from the conventional interpretation of the origins of Hebrew literature in secular culture Marina Zilbergerts points to the practices and metaphysics of Talmud study as its essential animating forces Focusing on the early works and personal histories of founding figures of Hebrew literature from Moshe Leib Lilienblum to Chaim Nachman Bialik *The Yeshiva and the Rise of Modern Hebrew Literature* reveals the lasting engagement of modern Jewish letters with the hallowed tradition of rabbinic learning

Mintz,2001-06-01 Reflects the rise of literature in modern day Israel and the problematic reception of literature in America and within the American Jewish community Israeli literature provides a unique lens for viewing th inner dynamics of this small but critically important society In addition its leading writers such as S Y Agnon Yehuda Amichai Amos Oz and A B Yehoshua among others are recognized internationally as major world literary figures Despite this international recognition the rich literary tradition of Israeli literature has failed to reverberate and find significant readership or a following in America even among the American Jewish community Alan L Mintz traces the reception of Israeli literature in America from the 1970s to the present He analyzes the influences that have shaped modern Israeli literature and reflects on the cultural differences that have impeded American and American Jewish appreciation of Israeli authors Mintz then turns his attention to specific writers examining their reception or lack thereof in America and places them within the emerging unfolding critical dialogue between the Israeli and American literary culture
