Thomas, 2010-05-10 Denmark is the oldest monarchy in Europe At different points in its history Denmark's boundaries have encompassed England Sweden West Africa India and the West Indies Despite its changing and relatively small boundaries Denmark has played a much larger part in the politics of Europe than might be expected Additionally through its territories Faroe Islands and Greenland Denmark has managed to retain an important presence in the North Atlantic Today democratic Denmark with its thriving capital Copenhagen is peaceful prosperous and progressive Within NATO Denmark has contributed to peace keeping in the Persian Gulf and Bosnia The Danish Model of welfare gives Danes a real sense of social security and presents many naysayers with a provocative example of a successfully managed welfare state Danes have a reputation for inventiveness and good design whether in architecture furniture or industrial design The A to Z of Denmark relates the history of this successful country through a chronology an introductory essay appendixes a bibliography and hundreds of cross referenced dictionary entries on kings politicians officials explorers authors architects composers painters astronomers educationists reformers political parties social movements and other aspects of Danish society **Historical Dictionary of Denmark** Alastair H. Thomas, 2016-07-26 Denmark has a millennium long continuous history and development from Viking times about 800 1050 AD to the modern welfare state The resilience of the Danish people is evident in the artistic golden age of the early 19th century despite national bankruptcy the agricultural revival during the final third of the 19th century

Modern Denmark leads in industrial design furniture engineering pharmacy and social development in the 20th century Danish scientists medical doctors composers musicians choreographers playwrights authors sculptors architects designers painters and film directors have made significant contributions to the development of European culture In the 21st century Denmark combines a thriving and highly productive modern economy with extensive social care and welfare and thus refutes the neo conservative economists who claim that such a combination is impossible In short Denmark is seen by the Danes and their neighbors as a very good place to live This third edition of Historical Dictionary of Denmark contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Denmark *The A to Z of Denmark* Alastair H.
