Modern Political Thought A Reader:

Modern Political Thought John Gingell, Adrian Little, Christopher Winch, 2001
Gingell, Adrian Little, Christopher Winch, 2002-01-04 *Modern Political Thought A Reader* is an excellent introduction to the key works of the major political thinkers from the English Civil War to the end of the 19th Century It draws together the most important parts of seminal works of political thought such as Hobbes *Leviathan* Locke's *Treatises* Rousseau's *The Social Contract* Mill's *On Liberty* together with substantial extracts from Machiavelli's *The Prince* and Marx's *Capital* Accessible introductions are provided for each thinker explaining their lives and works and placing them in the historical context in which they worked and wrote *Modern Political Thought*, 1958

Contemporary Political Thought Alan Finlayson, 2003-09 *Contemporary Political Theory* is a foundation textbook in political thought *Modern Political Thought* David Wootton, 1996-01-01 Presents unabridged works and substantive abridgments in preeminent translations along with balanced lucid sophisticated introductions This book includes a wide and balanced selection of many of the more important texts of modern political thought To its great credit it provides pertinent excerpts from frequently neglected authors such as Calvin and Hume which it nicely juxtaposes appear to be good and the introductions to each section help to situate the writers in their historical and intellectual context and to alert students to some of the central issues that arise in the texts This book offers an economical and useful approach to modern political thought

Encyclopedia of Modern Political Thought (set) Gregory Claeys, 2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism *Encyclopedia of Modern Political Thought* is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory

liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft History of Modern Political Thought Iain Hampsher-Monk, 2015-08-14 Iain Hampsher Monk's lucid and accessible history of modern political thought is the introduction to the subject which many have been waiting for providing a thorough guide to the ideas and writings of major political thinkers from Hobbes to Marx including a full account of the American Federalist Papers The author's aim throughout is to incorporate the benefits of modern scholarship of the historical school with its emphasis on historical and political circumstances as a key to meaning Recognizing that for most students time will not allow detailed study of the historical and political contexts of particular works Hampsher Monk provides here the background necessary for the reader to situate the writings of key thinkers in relation to wider currents in intellectual and political history A History of Modern Political Thought will meet the needs both of students of political theory and philosophy and general readers It is an indispensable secondary source which situates explains and provokes thought about the major works of political theory likely to be encountered by students of modern political thought Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly A History of Modern Political Thought Iain Hampsher-Monk, 1993-04-08 Iain Hampsher Monk's lucid and accessible history of modern political thought is the introduction which many have been waiting for providing a thorough guide to the ideas and writings of major political thinkers from Hobbes to Marx including a full account of The Federalist papers The author's aim throughout is to incorporate the benefits of modern scholarship of the historical school with its emphasis on historical and political circumstances as a key to meaning Recognizing that for most students time will not allow detailed study of the historical and political contexts of particular works Hampsher Monk provides here the background necessary for the reader to situate the writings of key thinkers in relation to wider currents in intellectual and political history A History of Modern Political Thought will meet the needs of both general readers and students of political theory and philosophy It is an indispensable secondary source which aims to situate explain and provoke thought about the major works of political theory likely to be encountered by students of modern political thought Interpreting Modern Political Philosophy Alistair Edwards, Jules Townshend, 2017-03-14 The interpretive literature in the history of political thought is now vast complex and esoteric posing as much a barrier to the understanding of the undergraduate student as it offers assistance This unique and innovative text provides the student with a guide through this maze of argument Each

chapter sets out the major positions and debates that surround the texts of key thinkers analyzes major problems of interpreting them examines the sources of disagreement and evaluates the different interpretations in terms of their strengths weaknesses and contributions to scholarship

Rethinking The Foundations of Modern Political Thought

Annabel Brett, James Tully, 2006-12-07 Quentin Skinner's classic study *The Foundations of Modern Political Thought* was first published by Cambridge in 1978 This was the first of a series of outstanding publications that have changed forever the way the history of political thought is taught and practised *Rethinking the Foundations of Modern Political Thought* looks afresh at the impact of the original work asks why it still matters and considers a number of significant agendas that it still inspires A very distinguished international team of contributors has been assembled including John Pocock Richard Tuck and David Armitage and the result is an unusually powerful and cohesive contribution to the history of ideas of interest to large numbers of students of early modern history and political thought In conclusion Skinner replies to each chapter and presents his own thoughts on the latest trends and the future direction of the history of political thought

A History of Modern Political Thought

Gary Browning, 2016-10-27 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking

Modern Political Ideologies

Andrew Vincent, 2023-12-26 *MODERN POLITICAL IDEOLOGIES* *Modern Political Ideologies* provides a broad overview of the origins development and core principles of the major political ideologies of the past two centuries With an accessible student friendly format this bestselling textbook helps students understand the values beliefs and social forces that shape today's political messaging public discourse and legislative agendas Concise and approachable chapters describe ideologies such as liberalism conservatism socialism fascism fundamentalism and nationalism Retaining the student friendly format of previous editions the fourth edition of *Modern Political Ideologies* is fully revised to reflect the social changes that inform today's political views An entirely new chapter offers insights into the growth of populism and its effects on contemporary political

dialogue while expanded material addresses anarchism feminism neoliberalism environmentalism and green ideologies identity politics and other topics of current relevance Containing a useful glossary of key terms and extensive end notes for each chapter *Modern Political Ideologies Fourth Edition* is the ideal textbook for advanced undergraduate courses in political science political ideology political theory comparative politics and international relations It is also an excellent supplement for courses in the social sciences and humanities that investigate the history of political ideas

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

Contemporary Political Ideologies Roger Eatwell, Anthony Wright, 1999-03-01 This major new text critically assesses the key political ideologies of the 20th century The 1970s and 1980s witnessed a flowering of new and popular ideologies such as feminism and ecologism and a revival of others notably liberalism The upheavals of the early 1990s have initiated fresh debate amongst major thinkers on the nature of ideology much of it however hostile or polemical *Modern Political Ideologies* examines in an objective scholarly manner the evolution of key political ideologies and assesses their impact and development during the 20th century This volume is essential reading for all students of politics and indeed anyone who has an interest in current events and wishes to acquire a deeper understanding of the nature scope and ambition of different ideologies

Black Resistance in the Americas D.A. Dunkley, Stephanie Shonekan, 2018-11-02 All across the US in the last few years there has been a resurgence of Black protest against structural racism and other forms of racial injustice *Black Resistance in the Americas* draws attention to this renewed energy and how this theme of resistance intersects with other communities of Black people around the world This edited collection examines in depth stories of resistance against slavery narratives of resistance in African American Afro Caribbean and Afro Latin American Literature resistance in politics education religion music dance and film exploring a range of new perspectives from established and emerging researchers on Black communities The essays in this pivotal book discuss some of the mechanisms that Black communities have used to resist bondage domination disempowerment inequality and injustices resulting from their encounters with the West from colonization to forced migration

A Reader's Companion to The Prince, Leviathan, and the Second Treatise John T. Bookman, 2018-12-28 Machiavelli Hobbes and Locke each sought a new foundation for political order This book serves as a reader's companion to Machiavelli's *The Prince* Hobbes's *Leviathan* and Locke's *Second Treatise* written for graduate students and scholars seeking a fuller understanding of these classic texts How do these philosophers respond to perennial questions such as why anyone is ever obligated to obey a government and whether there are any limits to such an obligation In this book Bookman begins by sorting out the hermeneutical controversy between textualists and contextualists offers a

chapter by chapter commentary on the texts punctuated by questions for the reader's reflection and finally suggests a firmer foundation for a theory of political obligation than Hobbes's and Locke's consent theories. Also included are bibliographical essays keyed to select bibliographies providing readers with a wide-ranging critical review of the secondary literature. Intended to be read alongside the primary work, the work is a full intellectual, critical, and bibliographical history as well as a fresh examination of three classic texts in political theory and philosophy.

Reader's Guide to British History David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history. This resource contains over 1,000 A-Z entries on the history of Britain from ancient and Roman Britain to the present day. Each entry lists 6-12 of the best-known books on the subject, then discusses those works in an essay of 800 to 1,000 words prepared by an expert in the field. The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication.

The Public Affairs Faculty Manual Bruce McDonald III, William Hatcher, 2020-02-26 While public affairs faculty study administration and management techniques, few administrators of public affairs programs receive formal training in the nuts and bolts of academic administration. Even those faculty who come to academia after distinguished careers in managerial positions may not be ready for the very different and difficult environment of university administration. The Public Affairs Faculty Manual argues that public affairs as a field needs to ensure that knowledge about administration and management is applied to the running of its academic programs and brings together major leaders in the discipline to explore key features of academic administration. Many of these leaders have served as Master of Public Administration (MPA) directors, chairs, and deans at the nation's top public affairs programs. Crucial issues of academic administration discussed include the basics of public affairs programs, models of governance, roles of different administrative leaders, planning and budgeting for programs, navigating the accreditation process, assessing and improving student learning, ensuring social equity and cultural competency, mentoring faculty, developing curriculum, and helping provide service and applied research to community partners. Contributors have served as MPA directors, chairs, and deans at the nation's top public affairs programs. Themes running throughout the book's chapters are examined, and additional resources to help manage public affairs programs are offered. This collection of essays and the strategies within it are designed to encourage faculty to assume positions of leadership in their programs and manage those programs in an effective, efficient, and fair manner. The Public Affairs Faculty Manual is required reading for new, seasoned, and aspiring academic administrators in public administration, public policy, and nonprofit management programs, as well as schools of government.

The Thucydidean Turn Benjamin Earley, 2020-05-14 The emergence of Thucydides as an influential political thinker in the first half of the 20th century has been astonishingly neglected by modern scholars. This volume examines how, why, and when the Athenian historical came to occupy such a prominent position in political discourse in the US and Europe today. It argues that in the years before, during, and after the Great War, Thucydides' *History of the Peloponnesian War* was

mined for the insights that it could offer into contemporary politics and that it was also used as part of the justification for the academic and cultural relevance of Classics at this time of great political upheaval Academic classicists and classically trained commentators were instrumental in this turn in academic focus onto Thucydides contemporary relevance Among the former were several prominent figures such as Francis Cornford Gilbert Murray and Enoch Powell who attempted to find in Thucydides a dark depiction of human nature and the passions that drove politics to justify his contemporary relevance The latter included International Relations scholars and journalists such as Alfred Zimmern Albert Toynbee and George Abbott who turned to Thucydides in order to better understand contemporary global and European politics A final chapter demonstrates how this British turn to Thucydides was received and reinterpreted in America on the eve of the Second World War

Fuel your quest for knowledge with is thought-provoking masterpiece, Dive into the World of **Modern Political Thought A Reader** .
